4 FOR the purpose of authorizing the establishment of an Overdose and Infectious Disease
5 Prevention Supervised Drug Consumption Facility Program by a community-based
6 organization; requiring the Maryland Department of Health, in consultation with
7 the local health department, to make a certain determination on a certain
8 application based on certain criteria and within a certain period of time; requiring
9 the Department, in consultation with the local health department, to provide a
10 written explanation of a certain determination to a certain entity; requiring a
11 Program to provide certain services, provide certain training, and establish a method
12 of identifying certain staff; authorizing a Program to bill a certain insurance carrier
13 under certain circumstances for certain services provided, accept donations, grants,
14 and other financial assistance, apply for certain grants, coordinate with certain
15 programs or organizations, and use certain facilities; prohibiting the location of a
16 Program in certain areas; prohibiting certain persons, under certain circumstances,
17 from being subject to arrest, prosecution, or certain penalties or from being denied
18 any right or privilege for involvement in the operation or use of services of a Program;
19 prohibiting certain persons, under certain circumstances, from being subject to the
20 seizure or forfeiture of certain real or personal property under certain laws; providing
21 that certain persons are not immune from criminal prosecution for certain activities;
22 requiring a certain Program to submit a certain report that includes certain
23 information to the Department and a certain committee on or before a certain date
24 each year; defining certain terms; and generally relating to an Overdose and
25 Infectious Disease Prevention Supervised Drug Consumption Facility Program.
