Talbot County Board of Education – Start Date of Term for Members

This bill alters the start date of elected members of the Talbot County Board of Education from January 1 after the member’s election to December 1.

Fiscal Summary

State Effect: None.

Local Effect: The bill does not materially affect Talbot County operations or finances.

Small Business Effect: None.

Analysis

Current Law: The Talbot County Board of Education consists of seven voting members elected from the seven school board districts. In addition, two nonvoting student members from public high schools in the county also serve on the board.

Elected members are elected at the general election; each voting member serves a four-year term beginning on January 1 after the election and until a successor is elected and qualifies. Voting members are prohibited from serving for more than three consecutive terms.

Background: The Talbot County Board of Education is 1 of 19 elected school boards in the State. There is 1 appointed school board and four counties have hybrid boards. **Appendix – Local Boards of Education** shows the selection methods, terms of office, and membership of the 24 local boards of education.

Additional Information

Prior Introductions: None.

¹A = Appointed by Governor, except in Baltimore City, where board is appointed jointly by the Governor and the Mayor; E = Elected; and A/E = Combined appointed by Governor and elected board, except in Prince George's County.

²Chapter 473 of 2017 restructured the Anne Arundel County Board of Education from a nine-member appointed board to an eight-member elected board consisting of seven elected members (one from each of the seven councilmanic districts on a nonpartisan basis) and one student member. The effective date of Chapter 473 was June 1, 2017. The term of the elected members are staggered, with four members elected at the 2018 general election and four members elected at the 2020 general election. The members elected in November 2018 serve a six-year term, while the members elected in 2020 serve a four-year term. Thus, beginning in 2024, all members must stand for election.

³Chapter 593 of 2017 repealed the role of the Governor in making appointments to the Baltimore City Board of School Commissioners; it also repealed the Governor's role in filling board vacancies and removing board members for certain causes. As a result, board members are appointed solely by the Mayor of Baltimore City. Chapter 593 also established the Baltimore City Public School Board Community Panel (which the mayor must convene) and specified its membership. The purpose of the panel is to select nominees to be recommended to the mayor as qualified candidates for appointment to the board (including candidates for vacancies). If the mayor elects not to appoint a member or to fill a vacancy from a list submitted by the panel, the mayor must reconvene the panel to submit additional names of qualified candidates. In addition, beginning with the 2022 general election, the board will be restructured as a hybrid board with two members elected from the city at large, nine members appointed by the Mayor of Baltimore City, and one student member.

⁴Chapters 480 and 481 of 2014 restructured the Baltimore County Board of Education from a 12-member appointed board (including 1 student member) to a 12-member board consisting of 4 at-large members appointed by the Governor, 7 nonpartisan members each elected from one of seven councilmanic districts, and a student member. The elected members will be elected at the general election in November 2018 and every four years thereafter. In addition, Chapters 480 and 481 of 2014 established the Baltimore County Nominating Commission. The commission is responsible for selecting eight nominees to be recommended to the Governor as qualified candidates for appointment to the Baltimore County Board of Education. The commission consists of 19 members of the county and must reflect the diversity of the county. Except in extenuating circumstances, the Governor must appoint members to the board of education from the list the nominating commission provides.

⁵Chapter 147 of 2013 altered the membership of the Prince George's County Board of Education by adding four appointed members to the existing elected board. The county executive appoints three members with certain experience requirements, and the county council appoints one member who must be a parent of a student in the county school system. If a seat held by an elected member becomes vacant, the county executive must appoint a qualified individual for the remainder of the term, with the appointment subject to rejection by a two-thirds vote of the county council.

⁶The Washington County Board of Education reports that the student member can only concur on votes and must abstain from certain matters.

⁷Chapter 169 of 2016, subject to referendum, required the restructuring of the Wicomico County Board of Education. In the 2016 general election, the county approved a fully elected board option, with five members each elected from one of the five councilmanic districts and two members elected from the county at large. Members will be elected at the general election in 2018 and every four years thereafter. The terms of board members who are in office on December 2, 2018, will expire on December 2, 2018.
