30 as to what money or assets may qualify as matching funds, the Board of Public Works shall  
31 determine the matter, and the Board’s decision is final. Grantees have until June 1, 2021,  
32 to present evidence satisfactory to the Board of Public Works that the matching fund will  
33 be provided. If satisfactory evidence is presented, the Board shall certify this fact to the  
34 State Treasurer and the proceeds of the loan shall be expended for the purposes provided in

11 Director of the Trust determines that the capital project impacts real property that is  
12 individually listed in, or eligible for individual listing in, the Maryland Register of Historic  
13 Properties, unless the Director of the Trust also determines that the real property:

14 (i) Is a type that is already adequately represented among the  
15 Trust's existing easement properties;

16 (ii) Is already subject to adequate protections of historic  
17 preservation law or instrument; or

18 (iii) Has conditions peculiar to it that make requiring an easement  
19 impractical.

20 (b) If the grantee holds a lease on the property, the Trust may accept an  
21 easement on the leasehold interest.

22 (c) The easement must be in form, substance, and duration acceptable to  
23 the Director of the Trust.

24 (d) (i) A recipient may administratively appeal to the Maryland  
25 Historical Trust Board of Trustees a determination made by the Director of the Trust under  
26 subparagraph (a) of this paragraph.

27 (ii) The decision made by the Maryland Historical Trust Board of  
28 Trustees on an appeal is final and is not subject to further administrative appeal or judicial  
29 review.

30 (7) The proceeds of the loan must be expended or encumbered by the Board of  
31 Public Works for the purposes provided in this Act no later than June 1, 2026. If any funds  
32 authorized by this Act remain unexpended or unencumbered after June 1, 2026, the amount  
33 of the unexpended or unencumbered authorization shall be canceled and be of no further  
34 force and effect. If bonds have been issued for the loan, the amount of unexpended or  
35 unencumbered bond proceeds shall be disposed of as provided in § 8–129 of the State  
36 Finance and Procurement Article.

2 to each individual grant.

3 (9) (a) Subject to subparagraphs (b) and (c) of this paragraph, the Board of  
4 Public Works may approve an appropriation in Section 1(3) Items ZA00 through ZB02 above  
5 notwithstanding technical differences in:

6 (i) The name of the grantee or the description of the project, provided  
7 that the proposed use of funds is consistent with the public purpose of the original  
8 appropriation; or

9 (ii) The location of the project, provided that the proposed location is  
10 within the county specified in the original appropriation.

11 (b) The Department of Budget and Management shall notify the Office of  
12 Policy Analysis within the Department of Legislative Services in writing of:

13 (i) The technical differences between an appropriation in Section

15 (ii) The justification that the proposed use of the funds is consistent  
16 with the public purpose of the appropriation.

17 (c) (i) The Office of Policy Analysis shall have 45 days to review and  
18 comment on the proposed use of the funds.

19 (ii) If the Office of Policy Analysis does not submit written objections  
20 within 45 days, the Department of Budget and Management shall provide certification in  
21 writing to the Board of Public Works that the proposed use of funds may be approved  
22 notwithstanding technical differences in the appropriation in Section 1(3) Items ZA00
