15	Detention Center, subject to the requirement that the grantee	
16	provide an equal and matching fund for this purpose (St.	
17	Mary’s County)	5,511,000

18 (4) An annual tax is imposed on all assessable property in the State in rate and
 19 amount sufficient to pay the principal of and interest on the bonds, as and when due and
 20 until paid in full. The principal shall be discharged within 15 years after the date of issue
 21 of the bonds.

22 (5) (a) Prior to the payment of any matching grant funds under the provisions
 23 of Section 1(3), Items ZA00 through ZB02 of this Act, grantees shall provide and expend
 24 matching funds as specified. No part of a grantee’s matching fund may be provided, either
 25 directly or indirectly, from funds of the State, whether appropriated or unappropriated.
 26 Except as otherwise provided, no part of the fund may consist of real property, in kind
 27 contributions, or funds expended prior to the effective date of this Act. In case of any dispute
 28 as to what money or assets may qualify as matching funds, the Board of Public Works shall
 29 determine the matter, and the Board’s decision is final. Grantees have until June 1, 2021,
 30 to present evidence satisfactory to the Board of Public Works that the matching fund will
 31 be provided. If satisfactory evidence is presented, the Board shall certify this fact to the
 32 State Treasurer and the proceeds of the loan shall be expended for the purposes provided in
 33 this Act. If this evidence is not presented by June 1, 2021, the proceeds of the loan shall be
 34 applied to the purposes authorized in § 8–129 of the State Finance and Procurement Article.

35 (b) It is further provided that when an equal and matching fund is specified
 36 in Section 1(3), Items ZA00 through ZB02 above, grantees shall provide a matching fund
 37 equal to the lesser of (i) the authorized amount of the State grant or (ii) the amount of the
 38 matching fund certified by the Board of Public Works. If satisfactory evidence is presented,
 39 the Board shall certify this fact and the amount of the matching fund to the State Treasurer
 40 and the proceeds of the loan equal to the amount of the matching fund shall be expended for
 41 the purposes provided in this Act. If this evidence is not presented by June 1, 2021, the
 42 proceeds of the loan shall be applied to the purposes authorized in § 8–129 of the State

1 Finance and Procurement Article. The proceeds of any amount of the loan in excess of the
2 matching fund certified by the Board of Public Works shall also be applied to the purposes
3 authorized in § 8–129 of the State Finance and Procurement Article.

4 (6) (a) Prior to approval by the Board of Public Works of an expenditure of bond
5 proceeds authorized under Section 1(3) Items ZA00 through ZB02 of this Act, the grantee
6 shall grant and convey to the Maryland Historical Trust a historic preservation easement
7 on the property where the capital project assisted by the bond proceeds is located if the
8 Director of the Trust determines that the capital project impacts real property that is
9 individually listed in, or eligible for individual listing in, the Maryland Register of Historic
10 Properties, unless the Director of the Trust also determines that the real property:

11 (i) Is a type that is already adequately represented among the
12 Trust's existing easement properties;

13 (ii) Is already subject to adequate protections of historic
14 preservation law or instrument; or

15 (iii) Has conditions peculiar to it that make requiring an easement
16 impractical.

17 (b) If the grantee holds a lease on the property, the Trust may accept an
18 easement on the leasehold interest.

19 (c) The easement must be in form, substance, and duration acceptable to
20 the Director of the Trust.

21 (d) (i) A recipient may administratively appeal to the Maryland
22 Historical Trust Board of Trustees a determination made by the Director of the Trust under
23 subparagraph (a) of this paragraph.

24 (ii) The decision made by the Maryland Historical Trust Board of
25 Trustees on an appeal is final and is not subject to further administrative appeal or judicial
26 review.

27 (7) The proceeds of the loan must be expended or encumbered by the Board of
28 Public Works for the purposes provided in this Act no later than June 1, 2026. If any funds
29 authorized by this Act remain unexpended or unencumbered after June 1, 2026, the amount
30 of the unexpended or unencumbered authorization shall be canceled and be of no further
31 force and effect. If bonds have been issued for the loan, the amount of unexpended or
32 unencumbered bond proceeds shall be disposed of as provided in § 8–129 of the State
33 Finance and Procurement Article.

34 (8) Multiple grants provided to the same organization in this Section are in
35 addition to one another. Unless otherwise provided, any matching fund requirements apply
36 to each individual grant.

(9) (a) Subject to subparagraphs (b) and (c) of this paragraph, the Board of Public Works may approve an appropriation in Section 1(3) Items ZA00 through ZB02 above notwithstanding technical differences in:

(i) The name of the grantee or the description of the project, provided that the proposed use of funds is consistent with the public purpose of the original appropriation; or

(ii) The location of the project, provided that the proposed location is within the county specified in the original appropriation.

(b) The Department of Budget and Management shall notify the Office of Policy Analysis within the Department of Legislative Services in writing of:

(i) The technical differences between an appropriation in Section 1(3) Items ZA00 through ZB02 above and the proposed use of the funds; and

(ii) The justification that the proposed use of the funds is consistent with the public purpose of the appropriation.

(c) (i) The Office of Policy Analysis shall have 45 days to review and comment on the proposed use of the funds.

(ii) If the Office of Policy Analysis does not submit written objections within 45 days, the Department of Budget and Management shall provide certification in writing to the Board of Public Works that the proposed use of funds may be approved notwithstanding technical differences in the appropriation in Section 1(3) Items ZA00 through ZB02 above.
