9lr2035 CF 9lr1129

By: Senators Kramer, Augustine, Beidle, Benson, Feldman, Hayes, and Klausmeier

Introduced and read first time: February 4, 2019 Assigned to: Finance

A BILL ENTITLED

1 AN ACT concerning

Electricity - Community Solar Energy Generating Systems Pilot Program Extension

4 FOR the purpose of prohibiting the imposition of a maximum number of subscribers to a $\mathbf{5}$ community solar energy generating system under the Community Solar Energy 6 Generating Systems Pilot Program; providing for an increase in the generating 7 capacity and capacity limits to be included in the pilot program; altering the 8 termination date of the pilot program; altering the submission date of a certain 9 report on the pilot program to certain committees of the General Assembly; and 10 generally relating to the Community Solar Energy Generating Systems Pilot 11 Program.

- 12 BY repealing and reenacting, with amendments,
- 13 Article Public Utilities
- 14 Section 7–306.2(a) and (d)
- 15 Annotated Code of Maryland
- 16 (2010 Replacement Volume and 2018 Supplement)

17 BY repealing and reenacting, with amendments,

- 18 Chapter 346 of the Acts of the General Assembly of 2015
- 19 Section 2(c)
- 20 BY repealing and reenacting, with amendments,
- 21 Chapter 347 of the Acts of the General Assembly of 2015
- 22 Section 2(c)
- 23 SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND,
 24 That the Laws of Maryland read as follows:
- 25

Article – Public Utilities

EXPLANATION: CAPITALS INDICATE MATTER ADDED TO EXISTING LAW. [Brackets] indicate matter deleted from existing law.

1	7–306.2.	
2	(a) (1)	In this section the following words have the meanings indicated.
3	(2)	"Baseline annual usage" means:
4 5	the 12 months befo	(i) a subscriber's accumulated electricity use in kilowatt-hours for ore the subscriber's most recent subscription; or
6 7 8 9	(ii) for a subscriber that does not have a record of 12 months of electricity use at the time of the subscriber's most recent subscription, an estimate of the subscriber's accumulated 12 months of electricity use in kilowatt-hours, determined in a manner the Commission approves.	
10 11	(3) system that:	"Community solar energy generating system" means a solar energy
12		(i) is connected to the electric distribution grid serving the State;
13		(ii) is located in the same electric service territory as its subscribers;
$\begin{array}{c} 14 \\ 15 \end{array}$	facility with its ow	(iii) is attached to the electric meter of a subscriber or is a separate n electric meter;
16 17 18	electricity, to the metering;	(iv) credits its generated electricity, or the value of its generated bills of the subscribers to that system through virtual net energy
19 20	NUMBER OF SUBS	(v) has at least two subscribers BUT NO LIMIT TO THE MAXIMUM SCRIBERS;
$\begin{array}{c} 21 \\ 22 \end{array}$	constituting more	(vi) does not have subscriptions larger than 200 kilowatts than 60% of its subscriptions;
$\begin{array}{c} 23\\ 24 \end{array}$	measured by the a	(vii) has a generating capacity that does not exceed 2 megawatts as lternating current rating of the system's inverter; and
25		(viii) may be owned by any person.
$\frac{26}{27}$	(4) Pilot Program.	"Program" means the Community Solar Energy Generating Systems
28	(5)	"Subscriber" means a retail customer of an electric company that:
29 30	system; and	(i) holds a subscription to a community solar energy generating

 $\mathbf{2}$

has identified one or more individual meters or accounts to which 1 (ii) $\mathbf{2}$ the subscription shall be attributed. 3 "Subscriber organization" means: (6)4 (i) a person that owns or operates a community solar energy $\mathbf{5}$ generating system; or 6 the collective group of subscribers of a community solar energy (ii) 7 generating system. 8 "Subscription" means the portion of the electricity generated by a (7)community solar energy generating system that is credited to a subscriber. 9 10 "Unsubscribed energy" means any community solar energy generating (8)11 system output in kilowatt-hours that is not allocated to any subscriber. 12(9)"Virtual net energy metering" means measurement of the difference 13between the kilowatt-hours or value of electricity that is supplied by an electric company and the kilowatt-hours or value of electricity attributable to a subscription to a community 1415solar energy generating system and fed back to the electric grid over the subscriber's billing period, as calculated under the tariffs established under subsection (e)(2) of this section. 16 17(d) The Commission shall establish a pilot program for a Community (1)(i) Solar Energy Generating System Program. 18 19 (ii) The structure of the pilot program is as provided in this subsection. 2021(2)All rate classes may participate in the pilot program. Subscribers served by electric standard offer service and electricity 22(3)suppliers may hold subscriptions to the same community solar energy generating system. 2324(4)A subscriber organization shall: (i) determine how to allocate subscriptions to subscribers; and 2526notify an electric company and, if applicable, a relevant (ii) 27electricity supplier about the regulations the Commission adopts under subsection (e) of 28this section. 29(5)An electric company shall use the tariff structure under subsection 30 (e)(2) of this section to provide each subscriber with the credits.

1 (6) A subscriber may not receive credit for virtual net excess generation 2 that exceeds 200% of the subscriber's baseline annual usage.

3 (7) Any unsubscribed energy generated by a community solar energy 4 generating system that is not owned by an electric company shall be purchased under the 5 electric company's process for purchasing the output from qualifying facilities at the 6 amount it would have cost the electric company to procure the energy.

7 (8) An electric company shall use energy generated from a community solar 8 energy generating system to offset purchases from wholesale electricity suppliers for 9 standard offer service.

10 (9) All costs associated with small generator interconnection standards 11 under COMAR 20.50.09 are the responsibility of the subscriber organization.

12 (10) A subscriber organization may petition an electric company to 13 coordinate the interconnection and commencement of operations of a community solar 14 energy generating system after the Commission adopts regulations required under 15 subsection (e) of this section.

16 (11) A subscriber organization may contract with a third party for the third 17 party to finance, build, own, or operate a community solar energy generating system.

18 (12) A municipal utility or cooperative utility may participate in the pilot19 program.

20 (13) Equipment for a community solar energy generating system may not be 21 built on contiguous parcels of land unless the equipment is installed only on building 22 rooftops.

- 23
- (14) The pilot program shall:
- 24
- (i) begin on the earlier of:

1. the date of submission of the first petition of a subscriber
organization under paragraph (10) of this subsection after the Commission adopts the
regulations required under subsection (e) of this section; or

282.6 months after the Commission adopts those regulations;29and

30 (ii) end [3] 7 years after the beginning date, BUT NOT SOONER
 31 THAN DECEMBER 31, 2024.

32 (15) The Commission shall limit the pilot program in such a way that the 33 Commission may conduct a meaningful study of the pilot program and its results, including:

1 (i) the appropriate number of community solar energy generating 2 systems to be included in the pilot program;

3 (ii) the appropriate amount of generating capacity of the community
 4 solar energy generating systems to be included in the pilot program AND THE ANNUAL
 5 CAPACITY LIMITS FOR EACH PROGRAM CATEGORY, EACH OF WHICH SHOULD
 6 INCREASE THROUGHOUT THE DURATION OF THE PILOT PROGRAM; and

7 (iii) a variety of appropriate geographical areas in the State for 8 locating community solar energy generating systems to be included in the pilot program.

9

Chapter 346 of the Acts of 2015

10 SECTION 2. AND BE IT FURTHER ENACTED, That:

11 (c) On or before July 1, [2019] **2022**, the Public Service Commission shall report 12 its findings and recommendations, based on the study conducted under this section, to the 13 Senate Finance Committee and the House Economic Matters Committee in accordance 14 with § 2–1246 of the State Government Article.

15 Chapter 347 of the Acts of 2015

16 SECTION 2. AND BE IT FURTHER ENACTED, That:

17 (c) On or before July 1, [2019] **2022**, the Public Service Commission shall report 18 its findings and recommendations, based on the study conducted under this section, to the 19 Senate Finance Committee and the House Economic Matters Committee in accordance 20 with § 2–1246 of the State Government Article.

SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect June
 1, 2019.
