10. Description and Purpose of Organization (Limit length to visible area)		
<p>The mission of the YMCA is to foster the spiritual, mental, and physical development of individuals, families and communities according to the ideals of inclusiveness, equality, and a mutual respect for all. The YMCA areas of focus are youth development, healthy living, and social responsibility. The Y knows that everyone in our community cannot afford our programs; therefore, the YMCA has always provided financial assistance and scholarship programs to all regardless of their ability to pay. YMCA Bethesda-Chevy Chase has made a difference in Montgomery County for over 75 years, offering a respite for those who enter our doors. At the Y, strengthening community is our cause.</p>		

11. Description and Purpose of Project (Limit length to visible area)

The three-phase, \$30 million capital campaign, "We Build a Better Future Together," will provide a renovation of the 55 year old facility in Bethesda, offering improved programs and services to the community. This project will focus on compliance with the American Disabilities Act and include installing ramps, handles, and an elevator among other improvements. Currently the configuration of our facility is an impediment to serving youth and families, especially the elderly and those with disabilities. The full range of our programs and services, while available to all, are not accessible to many with physical limitations. The upgrades will focus on ADA compliance because the Y knows that seniors and those with disabilities are seeking a better quality of life and we want to ensure they have access to healthier lifestyles and increased mobility.

Round all amounts to the nearest \$1,000. The totals in Items 12 (Estimated Capital Costs) and 13 (Proposed Funding Sources) must match. The proposed funding sources must not include the value of real property unless an equivalent value is shown under Estimated Capital Costs.

28. Comments

For many, YMCA may be just four simple letters, but for the Bethesda-Chevy Chase community, they represent a community pillar with nearly eight decades of delivering programs to thousands of residents annually. For Youth Development, our YMCA offers preschool, before and after school care, enrichment programs and summer camps. To encourage Healthy Living, we provide group exercise, swim lessons, water exercise, adaptive swim, senior classes, and tennis programs. Under Social Responsibility, we promote community events and annual fundraisers that support our financial assistance and scholarship programs for those who are experiencing financial difficulties. The YMCA does not turn away anyone for their inability to pay. A confirmation of community involvement, we boast a dynamic 20 volunteer board, which supports efforts of almost 400 program volunteers. In 2018 we granted a generous \$507,836.89 in subsidies and scholarships to 1,798 residents in greater Montgomery County, especially at-risk children, so that they could participate in life-enhancing programs. With support from the state, together, we build a better future, especially to those in dire need of our programs and services offered in an accessible facility.
