A BILL ENTITLED

4	A TAT	ACIM	•
ı	AN	\mathbf{ACT}	concerning
_	,		COLLECTION

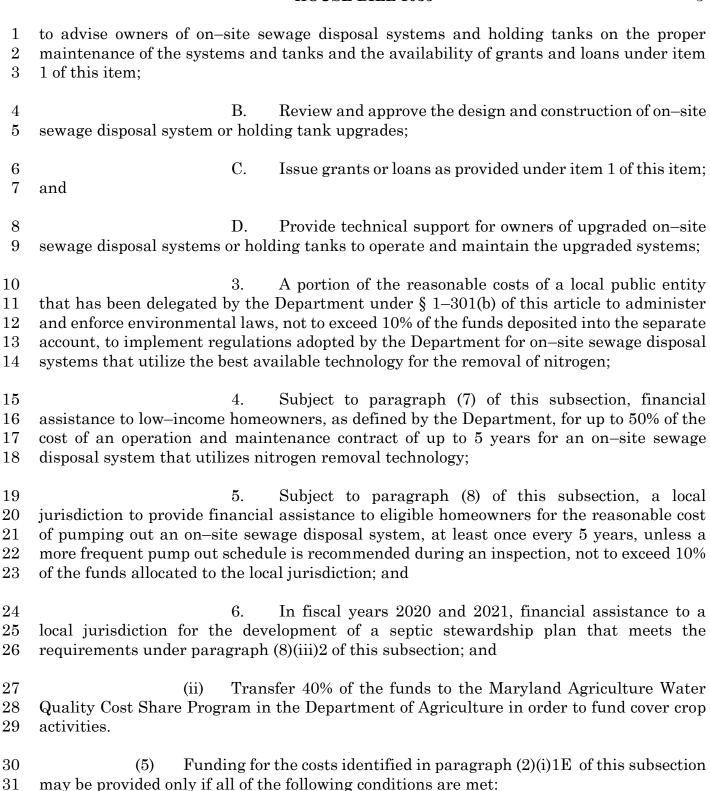

2

Bay Restoration Fund - Use of Funds - Municipal Wastewater Facilities

- 3 FOR the purpose of expanding the authorized uses of the Bay Restoration Fund to include for certain costs associated with the connection of a property using an on-site sewage 4 5 disposal system to an existing municipal wastewater facility that has signed a 6 funding agreement with the Department of the Environment and is under 7 construction to achieve enhanced nutrient removal or biological nutrient removal 8 level treatment; specifying that these costs may be provided only if certain conditions 9 are met; providing for the termination of this Act; and generally relating to the Bay Restoration Fund. 10
- 11 BY repealing and reenacting, without amendments,
- 12 Article Environment
- 13 Section 9–1605.2(h)(1)
- 14 Annotated Code of Maryland
- 15 (2014 Replacement Volume and 2019 Supplement)
- 16 BY repealing and reenacting, with amendments,
- 17 Article Environment
- 18 Section 9–1605.2(h)(2) and (5)
- 19 Annotated Code of Maryland
- 20 (2014 Replacement Volume and 2019 Supplement)
- 21 SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND,
- 22 That the Laws of Maryland read as follows:
- 23 Article Environment
- 24 9-1605.2.
- 25 (h) (1) With regard to the funds collected under subsection (b)(1)(i)1 of this

35

- 1 section from users of an on-site sewage disposal system or holding tank that receive a water 2bill and subsection (b)(1)(i)2 and 3 of this section, beginning in fiscal year 2006, the 3 Comptroller shall: 4 (i) Establish a separate account within the Bay Restoration Fund; 5 and 6 Disburse the funds as provided under paragraph (2) of this (ii) 7 subsection. 8 (2) The Comptroller shall: 9 (i) Deposit 60% of the funds in the separate account to be used for: 10 Subject to paragraphs (3), (4), (5), and (6) of this 1. subsection, with priority first given to failing systems and holding tanks located in the 11 12 Chesapeake and Atlantic Coastal Bays Critical Area and then to failing systems that the 13 Department determines are a threat to public health or water quality, grants or loans for 14 up to 100% of: The costs attributable to upgrading an on-site sewage 15 Α. disposal system to the best available technology for the removal of nitrogen; 16 17 В. The cost difference between a conventional on—site sewage 18 disposal system and a system that utilizes the best available technology for the removal of 19 nitrogen; 20 C. The cost of repairing or replacing a failing on—site sewage 21disposal system with a system that uses the best available technology for nitrogen removal; 22 D. The cost, up to the sum of the costs authorized under item 23 B of this item for each individual system, of replacing multiple on-site sewage disposal 24systems located in the same community with a new community sewerage system that is 25owned by a local government and that meets enhanced nutrient removal standards; [or] 26 The cost, up to the sum of the costs authorized under item 27C of this item for each individual system, of connecting a property using an on-site sewage disposal system to an existing municipal wastewater facility that is achieving, OR HAS 2829 SIGNED A FUNDING AGREEMENT WITH THE DEPARTMENT AND IS UNDER **CONSTRUCTION TO ACHIEVE.** enhanced nutrient removal or biological nutrient removal 30 31 level treatment, including payment of the principal, but not interest, of debt issued by a 32 local government for such connection costs;
- 33 2. The reasonable costs of the Department, not to exceed 8% of the funds deposited into the separate account, to:
 - A. Implement an education, outreach, and upgrade program

(ii) It can be demonstrated that:

is documented by the local government and confirmed by the Department;

1. The replacement of the on-site sewage disposal system

The environmental impact of the on-site sewage disposal system

- 1 with service to an existing municipal wastewater facility that is achieving, OR HAS SIGNED
- 2 A FUNDING AGREEMENT WITH THE DEPARTMENT AND IS UNDER CONSTRUCTION TO
- 3 ACHIEVE, enhanced nutrient removal or biological nutrient removal level treatment is
- 4 more cost-effective for nitrogen removal than upgrading the individual on-site sewage
- 5 disposal system; or
- 6 2. The individual replacement of the on–site sewage disposal 7 system is not feasible;
- 8 (iii) The project is consistent with the county's comprehensive plan 9 and water and sewer master plan;
- 10 (iv) 1. The on-site sewage disposal system was installed as of
- October 1, 2008, and the property the system serves is located in a priority funding area,
- 12 in accordance with § 5–7B–02 of the State Finance and Procurement Article; or
- 13 2. The on–site sewage disposal system was installed as of
- October 1, 2008, the property the system serves is not located in a priority funding area,
- and the project meets the requirements under § 5-7B-06 of the State Finance and
- 16 Procurement Article and is consistent with a public health area of concern:
- 17 A. Identified in the county water and sewer plan; or
- B. Certified by a county environmental health director with
- 19 concurrence by the Department and, if funding is approved, subsequently added to the
- 20 county water and sewer plan within a time frame jointly agreed on by the Department and
- 21 the county that takes into consideration the county's water and sewer plan update and
- 22 amendment process; and
- 23 (v) The funding agreement for a project that meets the conditions for 24 funding under subparagraph (iv)2 of this paragraph includes provisions to ensure:
- 25 1. Denial of access for any future connections that are not 26 included in the project's proposed service area; and
- 27 2. That the project will not unduly impede access to funding for upgrading individual on–site sewage disposal systems in the county with best available technology for nitrogen removal.
- SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect October 1, 2020. It shall remain effective for a period of 4 years and, at the end of September
- 32 30, 2024, this Act, with no further action required by the General Assembly, shall be
- 33 abrogated and of no further force and effect.
