A BILL ENTITLED

AN ACT concerning

State Government – State of Emergency and Catastrophic Health Emergency – Authority of Governor

FOR the purpose of authorizing the Governor to take certain actions as a result of the issuance of a certain proclamation; defining certain terms; making this Act an emergency measure; providing for the termination of this Act; and generally relating to the authority of the Governor in a state of emergency and a catastrophic health emergency.

SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND, That:

(a) (1) In this section the following words have the meanings indicated.

(2) “Carrier” means:

(i) an insurer;

(ii) a nonprofit health service plan; or

(iii) a health maintenance organization.

(3) “Department” means the Maryland Department of Health.

(4) “Health care provider” has the meaning stated in § 14–3A–01 of the Public Safety Article.

(5) “Program” means the Maryland Medical Assistance Program.
(b) As a result of the issuance by the Governor on March 5, 2020, of the proclamation declaring a state of emergency and the existence of a catastrophic health emergency or any other proclamation issued under Title 14 of the Public Safety Article, the Governor may:

(1) prohibit cost–sharing by carriers for disease testing and any associated costs that is conducted based on testing protocols recommended by the Secretary of Health;

(2) order the Department to cover the cost of disease testing and any associated costs, if the costs would not otherwise be paid for by a carrier or another third party;

(3) require carriers and the Program to cover the cost of an immunization and any associated costs, without cost–sharing, if:

   (i) the immunization has been determined by the Department to prevent the disease that is the basis for the issuance of the proclamation; and

   (ii) the patient belongs to a category of individuals to whom the Department has determined cost–sharing should not apply;

(4) notwithstanding any other provision of law, establish or waive telehealth protocols, including authorizing health care professionals licensed out–of–state to provide telehealth to patients in the State;

(5) order the Department to reimburse synchronous and asynchronous telehealth services provided to a patient, without regard to whether the patient is at a clinical site, if the service is:

   (i) covered by the Program;

   (ii) provided by a health care provider participating in the Program; and

   (iii) authorized under the health care provider’s scope of practice;

(6) consult, as appropriate, with the Department, the Maryland Insurance Commissioner, and the Maryland Health Benefit Exchange to develop and implement orders to:

   (i) minimize disruption in enrollment in health insurance and the Program;

   (ii) facilitate reimbursement by carriers of telehealth services provided to patients in the State; and
(iii) facilitate reimbursement of essential services to minimize the risk to public health;

(7) (i) for the duration of the emergency, prohibit a retailer from increasing the sale or rental price of any good or service to a price that increases the retailer's value of profit by more than 10%, including for the price of:

- food;
- fuel;
- water and ice;
- medicine;
- medical supplies and equipment;
- cleaning products;
- building supplies and equipment;
- energy sources; and
