(2) (4) “Department” means the Maryland Department of Health.

(4) (5) “Health care provider” has the meaning stated in § 14–3A–01 of the Public Safety Article.

(5) (6) “Program” means the Maryland Medical Assistance Program.

(b) As a result of the issuance by the Governor on March 5, 2020, of the proclamation declaring a state of emergency and the existence of a catastrophic health emergency or any other proclamation issued under Title 14 of the Public Safety Article relating to the outbreak of COVID–19, the Governor, for the duration of the emergency, may:

(1) prohibit cost–sharing by carriers for disease COVID–19 testing and any associated costs that is conducted based on testing protocols recommended by the Secretary of Health;

(2) order the Department to cover the cost of disease COVID–19 testing and any associated costs, if the costs would not otherwise be paid for by a carrier or another third party;

(3) require carriers and the Program to cover the cost of an immunization for COVID–19 and any associated costs, without cost–sharing, if:

   (i) the immunization has been determined by the Department to prevent the disease that is the basis for the issuance of the proclamation; and

   (ii) the patient belongs to a category of individuals to whom the Department has determined cost–sharing should not apply;

(4) notwithstanding any other provision of law, establish or waive telehealth protocols for COVID–19, including authorizing health care professionals licensed out–of–state to provide telehealth to patients in the State;

(5) order the Department to reimburse synchronous and asynchronous telehealth services for COVID–19 provided to a patient, without regard to whether the patient is at a clinical site, if the service is:

   (i) covered by the Program;

   (ii) provided by a health care provider participating in the Program;

   (iii) authorized under the health care provider’s scope of practice;
consult, as appropriate, with the Department, the Maryland Insurance Commissioner, and the Maryland Health Benefit Exchange to develop and implement orders relating to COVID–19 to:

(i) minimize disruption in enrollment in health insurance and the Program;

(ii) facilitate reimbursement by carriers of telehealth services provided to patients in the State; and

(iii) facilitate reimbursement of essential services to minimize the risk to public health;

(7) (i) for the duration of the emergency, prohibit a retailer from increasing the sale or rental price of any good or service to a price that increases the retailer's value of profit by more than 10%, including for the price of:

1. food;
