Anne Arundel County - Board of Community College Trustees

This bill changes the requirements for the seven nonstudent members of the Board of Community College Trustees for Anne Arundel County. Under the bill, a nonstudent board member (1) must be a resident of Anne Arundel County; (2) serves a four-year rather than a six-year term; and (3) may serve no more than three consecutive full terms. However, a member serving on July 1, 2020, may serve the remainder of that term and an additional two consecutive terms. The residency requirement and one-year term for the student member are not affected. **The bill takes effect July 1, 2020.**

Fiscal Summary

State Effect: None. The bill is directed at Anne Arundel Community College (AACC).

Local Effect: None. Establishing a residency requirement, changing the term length, and limiting the number of terms for AACC nonstudent board members has no fiscal impact on Anne Arundel County or AACC.

Small Business Effect: None.

Analysis

Current Law/Background: The Board of Community College Trustees for Anne Arundel County consists of eight members, appointed by the Governor, with the advice and consent of the Senate. Except the student member, members of the Board of Community College Trustees for Anne Arundel County serve six-year terms from July 1 of the year the appointment is made and until a successor is appointed and qualifies. A member may be reappointed indefinitely. A member appointed to fill a vacancy in an

unexpired term serves only for the remainder of that term and until a successor is appointed and qualifies.

One member must be a regularly enrolled student in good standing at AACC. The student member must (1) be a resident of Anne Arundel County; (2) be nominated in the manner determined by the student body of AACC; (3) have the qualifications required to be student body president of AACC; and (4) serve for a one-year term.

State law generally establishes that community college boards have seven members serving staggered six-year terms, with several specified exceptions. Therefore, there are variations in the number and terms of board members. **Appendix 1** shows characteristics of the various boards. With one exception, the boards are appointed by the Governor with the advice and consent of the Maryland Senate. For Chesapeake College, the board is appointed by the Governor with the advice and consent of the Maryland House of Delegates.
