--	-----------

(4) An annual tax is imposed on all assessable property in the State in rate and amount sufficient to pay the principal of and interest on the bonds, as and when due and until paid in full. The principal shall be discharged within 15 years after the date of issue of the bonds.

(5) (a) Prior to the payment of any matching grant funds under the provisions of Section 1(3) Items ZA00 through ZB02 of this Act, grantees shall provide and expend matching funds as specified. No part of a grantee’s matching fund may be provided, either directly or indirectly, from funds of the State, whether appropriated or unappropriated. Except as otherwise provided, no part of the fund may consist of real property, in kind contributions, or funds expended prior to the effective date of this Act. In case of any dispute as to what money or assets may qualify as matching funds, the Board of Public Works shall determine the matter, and the Board’s decision is final. Grantees have until June 1, 2022, to present evidence satisfactory to the Board of Public Works that the matching fund will be provided. If satisfactory evidence is presented, the Board shall certify this fact to the State Treasurer and the proceeds of the loan shall be expended for the purposes provided in this Act. If this evidence is not presented by June 1, 2022, the proceeds of the loan shall be applied to the purposes authorized in § 8–129 of the State Finance and Procurement Article.

(b) It is further provided that when an equal and matching fund is specified in Section 1(3) Items ZA00 through ZB02 of this Act, grantees shall provide a matching fund equal to the lesser of (i) the authorized amount of the State grant or (ii) the amount of the matching fund certified by the Board of Public Works. If satisfactory evidence is presented, the Board shall certify this fact and the amount of the matching fund to the State Treasurer and the proceeds of the loan equal to the amount of the matching fund shall be expended for the purposes provided in this Act. If this evidence is not presented by June 1, 2022, the proceeds of the loan shall be applied to the purposes authorized in § 8–129 of the State Finance and Procurement Article. The proceeds of any amount of the loan in excess of the matching fund certified by the Board of Public Works shall also be applied to the purposes authorized in § 8–129 of the State Finance and Procurement Article.

(6) (a) Prior to approval by the Board of Public Works of an expenditure of bond proceeds authorized under Section 1(3) Items ZA00 through ZB02 of this Act, the grantee

shall grant and convey to the Maryland Historical Trust a historic preservation easement on the property where the capital project assisted by the bond proceeds is located if the Director of the Trust determines that the capital project impacts real property that is individually listed in, or eligible for individual listing in, the Maryland Register of Historic Properties, unless the Director of the Trust also determines that the real property:

(i) Is a type that is already adequately represented among the Trust's existing easement properties;

(ii) Is already subject to adequate protections of historic preservation law or instrument; or

(iii) Has conditions peculiar to it that make requiring an easement impractical.

(b) If the grantee holds a lease on the property, the Trust may accept an easement on the leasehold interest.

(c) The easement must be in form, substance, and duration acceptable to the Director of the Trust.

(d) (i) A recipient may administratively appeal to the Maryland Historical Trust Board of Trustees a determination made by the Director of the Trust under subparagraph (a) of this paragraph.

(ii) The decision made by the Maryland Historical Trust Board of Trustees on an appeal is final and is not subject to further administrative appeal or judicial review.

(7) The proceeds of the loan must be expended or encumbered by the Board of Public Works for the purposes provided in this Act no later than June 1, 2027. If any funds authorized by this Act remain unexpended or unencumbered after June 1, 2027, the amount of the unexpended or unencumbered authorization shall be canceled and be of no further force and effect. If bonds have been issued for the loan, the amount of unexpended or unencumbered bond proceeds shall be disposed of as provided in § 8–129 of the State Finance and Procurement Article.

(8) Multiple grants provided to the same organization in this Section are in addition to one another. Unless otherwise provided, any matching fund requirements apply to each individual grant.

(9) (a) Subject to subparagraphs (b) and (c) of this paragraph, the Board of Public Works may approve an appropriation in Section 1(3) Items ZA00 through ZB02 of this Act, notwithstanding technical differences in:

(i) The name of the grantee or the description of the project, provided

that the proposed use of funds is consistent with the public purpose of the original appropriation; or

(ii) The location of the project, provided that the proposed location is within the county specified in the original appropriation.

(b) The Department of Budget and Management shall notify the Office of Policy Analysis within the Department of Legislative Services in writing of:

(i) The technical differences between an appropriation in Section 1(3) Items ZA00 through ZB02 of this Act and the proposed use of the funds; and

(ii) The justification that the proposed use of the funds is consistent with the public purpose of the appropriation.

(c) (i) The Office of Policy Analysis shall have 45 days to review and comment on the proposed use of the funds.

(ii) If the Office of Policy Analysis does not submit written objections within 45 days, the Department of Budget and Management shall provide certification in writing to the Board of Public Works that the proposed use of funds may be approved notwithstanding technical differences in the appropriation in Section 1(3) Items ZA00 through ZB02 of this Act.

SECTION 3. AND BE IT FURTHER ENACTED, That the General Assembly declares that it is the public policy of this State to manage State general obligation bond debt in a manner that will maintain Maryland’s AAA bond rating. The General Assembly further declares that legislative oversight, control, and review of all forms of State obligations are essential to maintenance of the State’s existing bond rating and protection of the fiscal integrity of the State.

SECTION 4. AND BE IT FURTHER ENACTED, That, before work may commence pursuant to any supplement to any appropriation contained in this Act, satisfactory evidence must be given to the Board of Public Works that the project can be completed with the aggregate of the funds in this Act and previously appropriated for the stated purpose.

SECTION 5. AND BE IT FURTHER ENACTED, That:

(1) with the approval of the Department of Budget and Management, any appropriation for design provided in this Act may be used to fund construction if the amount of the appropriation exceeds the amount required for design expenses, including allowances for contingencies; and

(2) with the approval of the Department of Budget and Management, any appropriation for construction provided in this Act may be used to purchase capital equipment if the amount of the appropriation exceeds the amount required for construction expenses, including allowances for contingencies.

SECTION 6. AND BE IT FURTHER ENACTED, That, except as otherwise provided in this Act, before a State agency or institution named in this Act as responsible for an individual item may begin work with funds appropriated by this Act, the agency or institution shall provide satisfactory evidence to the Board of Public Works that the work described in the individual item can be completed with the funds specified for that item.

SECTION 7. AND BE IT FURTHER ENACTED, That, with the approval of the Department of Budget and Management, any appropriation under the provisions of this Act that is in excess of the amount needed for a project may be credited to the Construction Contingency Fund under § 3–609 of the State Finance and Procurement Article.

SECTION 8. AND BE IT FURTHER ENACTED, That, if federal funds are available to help accomplish any project identified in this Act, the State agency or institution responsible for the project shall make efforts through proper administrative procedures to obtain these federal funds. Before spending any funds appropriated by this Act, the agency or institution shall certify its efforts to the Board of Public Works and state the reason for any failure to obtain federal funds. If federal funds are obtained, they shall be used to defray the costs of the project described in this Act and not to expand its scope.

SECTION 9. AND BE IT FURTHER ENACTED, That:

(1) for any appropriation for the planning of a State–owned project provided in this Act, if a program required by § 3–602(d) of the State Finance and Procurement Article has not been submitted, the State agency or institution responsible for the project shall submit a program to the Department of Budget and Management for approval before funds may be expended from the appropriation; and

(2) for any appropriation for the construction of a State–owned project provided in this Act, if preliminary plans and outline specifications required by § 3–602(f)(2)(i) of the State Finance and Procurement Article have not been prepared, the State agency or institution responsible for the project shall submit preliminary plans and outline specifications to the Department of Budget and Management for approval before funds may be expended from the appropriation.

SECTION 10. AND BE IT FURTHER ENACTED, That no portion of the proceeds of a loan or any of the matching funds provided for a project funded under this Act may be used for the furtherance of an essentially religious endeavor. Upon the request of the Board of Public Works, a recipient of the proceeds of a loan under this Act shall submit evidence satisfactory to the Board that none of the proceeds of the loan or any matching funds has been or is being used for a purpose prohibited by this Act.

SECTION 11. AND BE IT FURTHER ENACTED, That the Comptroller may advance funds to any loan funds account established pursuant to a general obligation bond loan enabling Act for any expenditure authorized by that Act, provided that if general obligation bonds have not been issued under the authority of that Act, the next ensuing sale of general obligation bonds shall include the issuance of bonds under the authority of that Act in an amount at least equivalent to the amount of the funds so advanced.

SECTION 12. AND BE IT FURTHER ENACTED, That Section(s) 12, 13, and 14 of Chapter 14 of the Acts of the General Assembly of 2019 be repealed.
