<p>The American Legion, Randolph Furey, Post 170, located at 4345 Livingston Rd; Indian Head, Maryland (Chartered n Pomonkey, MD) is an organization composed of honorably discharged and active military persons. Our purpose is to serve military veterans and the community. Post 170 also includes The American Legion Riders, and The American Legion Auxiliary Unit 170.</p> <p>Members of The American Legion must have served honorably and show proof of such. From the inception of The American Legion, in March 1919, until August 2019, members were comprised of those persons that honorably served in specific war eras. As of August 2019, the President signed congressional order that changed membership to ALL veterans who served honorably since 1941. This will definitely increase membership.</p> <p>Randolph Furey, Post 170 has a rich history, serving our military veterans and the community for over seventy-four years. We continually get recognized for our outstanding contribution to the community. We sponsor events listed below (sample list):</p> <ul style="list-style-type: none"> * Boys State: Teaches government and military bearing to 11th Grade Boys (President Bill Clinton, Michael Jordan, and Reuben Collins II, Esq., among many other honorable Americans were attendees) * Girls State: (sponsored by the Auxiliary) teaches government to 11th Grade Girls * Take a vet to the doctor * National Night Out Against Crime * Book bag drives * Clothing drives * Feed families that are less fortunate than others (Thanksgiving and Christmas food baskets) * Assist veterans with bills (case-by-case basis) * Free health fairs, open to the public, to include minor dental, blood pressure checks, etc. * Free family days (cookouts and children games) * Easter Monday for the children * Assist veterans with VA benefits <p>We are asking for \$150k to begin much needed repairs that will, of utmost importance, make our facility much safer for our veterans and patrons.</p> <p>Estimates: Roof \$20,000 / Driveway - \$70,000 / Electrical, BBQ Pit, Windows, Stage - \$60,000. A grant in the amount asked would be a great start to getting our projects underway. Our priority is the electrical, roof, overall building facelift, and driveway. Last year, we asked for \$300k, but didn't receive any funding. This year we are applying with a much more modest amount. During COVID-19, our monetary intake has been reduced, but our mission to assist the community has grown. During this pandemic, we have supplied food to approximately 100 families, and donated supplies to Charlotte Hall Veteran's Home.</p>
