Anne Arundel County - Board of License Commissioners - Chief Inspector

This bill requires the Anne Arundel County Board of License Commissioners to hire a full-time chief inspector, as specified, and removes the authorization for the board to hire a part-time chief inspector. **The bill takes effect July 1, 2021.**

Fiscal Summary

State Effect: None.

Local Effect: Anne Arundel County expenditures increase beginning in FY 2022 by approximately \$36,000, as discussed below. Anne Arundel County revenues are not affected.

Small Business Effect: None.

Analysis

Current Law: The board is authorized to employ one *part-time* chief inspector at an annual salary of \$11,000.

Local Fiscal Effect: The bill sets the salary of the full-time chief inspector within non-represented pay schedule NR-05 in the general county classified schedule. It is assumed that an employee will be hired at the base salary in the pay schedule. Thus, county expenditures increase by approximately \$35,776 beginning in fiscal 2022, taking into account the new salary of the full-time chief inspector with additional fringe benefits and

removing the salary of the part-time chief inspector. Future year expenditures increase slightly to account for cost of living and merit adjustments for the full-time chief inspector.
