1 SECTION 2. AND BE IT FURTHER ENACTED, That in order to carry out the
2 provisions of these appropriations the Secretary of Budget and Management is authorized:

3 (a) To allot all or any portion of the funds herein appropriated to the various
4 departments, boards, commissions, officers, schools and institutions by monthly, quarterly
5 or seasonal periods and by objects of expense and may place any funds appropriated but
6 not allotted in contingency reserve available for subsequent allotment. Upon the
7 Secretary's own initiative or upon the request of the head of any State agency, the Secretary
8 may authorize a change in the amount of funds so allotted.

9 The Secretary shall, before the beginning of the fiscal year, file with the Comptroller
10 of the Treasury a schedule of allotments, if any. The Comptroller shall not authorize any
11 expenditure or obligation in excess of the allotment made and any expenditure so made
12 shall be illegal.

13 (b) To allot all or any portion of funds coming into the hands of any department,
14 board, commission, officer, school and institution of the State, from sources not estimated
15 or calculated upon in the budget.

16 (c) To fix the number and classes of positions, including temporary and
17 permanent positions, or person years of authorized employment for each agency, unit, or
18 program thereof, not inconsistent with the Public General Laws in regard to classification
19 of positions. The Secretary shall make such determinations before the beginning of the

21 in the budget as amended by approved budgetary position actions. No payment for salaries
22 or wages nor any request for or certification of personnel shall be made except in accordance
23 with the Secretary's determinations. At any time during the fiscal year the Secretary may
24 amend the number and classes of positions or person years of employment previously fixed
25 by the Secretary; the Secretary may delegate all or part of this authority. The governing
26 boards of public institutions of higher education shall have the authority to transfer
27 positions between programs and campuses under each institutional board's jurisdiction

30 (d) To prescribe procedures and forms for carrying out the above provisions.

31 SECTION 3. AND BE IT FURTHER ENACTED, That in accordance with Section
