SENATE BILL 282

1	1. Howard County;			
2	2. Montgomery County;			
3	3. Prince George's County; and			
4	4. St. Mary's County; and			
5 6	(ii) local detention centers in six additional counties by October 2021.			
7 8 9 10 11	Administrators Association shall evaluate the implementation of the requirements of this section and determine a schedule to add additional counties, provided that the provisions of this section shall apply to all local detention centers and the Baltimore Pre—trial Complex			
13 14 15 16 17				
18 19	(iii) Funding for the program at the Baltimore Pre-trial Complex shall be as provided in the State budget.			
20	(b) (1) In this section the following words have the meanings indicated.			
21 22	(2) "Health care practitioner" means an individual who is licensed certified, or otherwise authorized to practice under the Health Occupations Article.			
23 24	(3) "Incarcerated individual" means an individual confined within a local correctional facility.			
25 26	(4) "Medication" means a medication approved by the federal Food an Drug Administration for the treatment of opioid use disorder.			
27 28 29	(5) "Medication-assisted treatment" means the use of medication, is combination with counseling and behavioral health therapies, to provide a holistic approach to the treatment of opioid use disorder.			
30	(6) "Opioid use disorder" means a medically diagnosed problematic patter			

"Peer recovery specialist" means an individual who has been certified

by an entity approved by the Maryland Department of Health for the purpose of providing

of opioid use that causes significant impairment or distress.

- 1 peer support services, as defined under § 7.5–101(n) of the Health General Article.
- 2 (c) An incarcerated individual in a State or local correctional facility shall be 3 placed on a properly supervised program of methadone detoxification if:
- 4 (1) a physician determines that the incarcerated individual is a person 5 with an opioid use disorder;
- 6 (2) the treatment is prescribed by a physician; and
- 7 (3) the incarcerated individual consents in writing to the treatment.
- 8 (d) (1) Each local correctional facility shall conduct an assessment of the 9 mental health and substance use status of each incarcerated individual using 10 evidence—based screenings and assessments, to determine:
- 11 (i) if the medical diagnosis of an opioid use disorder is appropriate; 12 and
- 13 (ii) if medication—assisted treatment is appropriate.
- 14 (2) If an assessment conducted under paragraph (1) of this subsection 15 indicates opioid use disorder, an evaluation of the incarcerated individual shall be 16 conducted by a health care practitioner with prescriptive authority authorized under Title 17 8, Title 14, or Title 15 of the Health Occupations Article.
- 18 (3) Information shall be provided to the incarcerated individual describing 19 medication options used in medication—assisted treatment.
- 20 (4) Medication—assisted treatment shall be available to an incarcerated 21 individual for whom such treatment is determined to be appropriate under this subsection.
- 22 (5) Each local correctional facility shall make available at least one 23 formulation of each FDA-approved full opioid agonist, partial opioid agonist, and 24 long-acting opioid antagonist used for the treatment of opioid use disorders.
- 25 (6) Each pregnant woman identified with an opioid use disorder shall receive evaluation and be offered medication—assisted treatment as soon as practicable.
- 27 (e) Each local correctional facility shall:
- 28 (1) following an assessment using clinical guidelines for 29 medication—assisted treatment:
- 30 (i) make medication available by a qualified provider to the 31 incarcerated individual; or

- 1 (ii) begin withdrawal management services prior to administration 2 of medication; 3 (2)make available and administer medications for the treatment of opioid use disorder: 4 5 provide behavioral health counseling for incarcerated individuals 6 diagnosed with opioid use disorder consistent with therapeutic standards for such therapies 7 in a community setting; 8 provide access to a health care practitioner who can provide access to all FDA-approved medications for the treatment of opioid use disorders; and 9 10 provide on-premises access to peer recovery specialists. (5)11 If an incarcerated individual received medication or medication-assisted 12 treatment for opioid use disorder immediately preceding or during the incarcerated 13 individual's incarceration, a local correctional facility shall continue the treatment after 14 incarceration or transfer unless: the incarcerated individual voluntarily discontinues the treatment, 15 16 verified through a written agreement that includes a signature; or 17 (2)a health care practitioner determines that the treatment is no longer 18 medically appropriate. 19 Before the release of an incarcerated individual diagnosed with opioid use 20 disorder under subsection (d) of this section, a local correctional facility shall develop a plan of reentry that: 21 22 (1) includes information regarding post incarceration access to medication 23 continuity, peer recovery specialists, other supportive therapy, and enrollment in health 24insurance plans; 25includes any recommended referrals by a health care practitioner to medication continuity, peer recovery specialists, and other supportive therapy; and 26
- 27 (3) is reviewed and, if needed, revised by a health care practitioner or peer 28 recovery specialist.
- 29 (h) The procedures and standards used to determine substance use disorder 30 diagnosis and treatment of incarcerated individuals are subject to the guidelines and 31 regulations adopted by the Maryland Department of Health.
- 32 (i) As provided in the State budget, the State shall fund the program of opioid 33 use disorder screening, evaluation, and treatment of incarcerated individuals as provided 34 under this section.

1 2 3 4	(j) On or before November 1, 2020, and annually thereafter, the Governor's Office of Crime Prevention, Youth, and Victim Services shall report data from individual local correctional facilities to the General Assembly, in accordance with § 2–1257 of the State Government Article, on:			
5	(1)	the n	umber of incarcerated individuals diagnosed with:	
6		(i)	a mental health disorder;	
7		(ii)	an opioid use disorder;	
8		(iii)	a non–opioid substance use disorder; and	
9		(iv)	a dual diagnosis of mental health and substance use disorder;	
10 11	(2) the number and cost of assessments for incarcerated individuals in loca correctional facilities, including the number of unique incarcerated individuals examined;
