Current Law:

Office of the Deaf and Hard of Hearing

ODHH was established in 2001 to promote the general welfare of deaf and hard of hearing individuals in the State. ODHH must fulfill the following duties and responsibilities:

- provide, advocate, and coordinate the adoption of public policies, regulations, and programs that will benefit deaf and hard of hearing individuals;
- improve access to communication and to existing services and programs for deaf and hard of hearing individuals;
- provide direct services to deaf and hard of hearing individuals, as appropriate;
- increase public awareness of the needs and issues affecting deaf and hard of hearing individuals;

- work with State and local agencies to ensure access for deaf and hard of hearing individuals to safety and emergency services;
- develop a referral service for deaf and hard of hearing individuals;
- serve as an information clearinghouse on the needs and issues affecting deaf and hard of hearing individuals;
- increase access for deaf and hard of hearing individuals to educational, health, and social opportunities;
- work with private organizations, the federal government, and other units of State government to promote economic development for deaf and hard of hearing individuals;
- work to eliminate the underemployment and unemployment of deaf and hard of hearing individuals;
- provide a network through which services provided by State and federal programs serving deaf and hard of hearing individuals can be channeled; and
- promote compliance with State, local, and federal laws and policies protecting and serving deaf and hard of hearing individuals.

Each year, the Director of ODHH must submit a report to the Governor and the General Assembly on (1) the activities of the office; (2) the status of programs and services facilitated by the office; (3) the activities of the State Board of Sign Language Interpreters, as specified; (4) statistics on compliance with State and federal laws related to deaf and hard of hearing individuals; and (5) recommendations for improved delivery of services for deaf and hard of hearing individuals.

The fiscal 2025 budget as introduced includes a general fund appropriation of approximately \$1.05 million to ODHH.

Maryland Advisory Council for the Deaf and Hard of Hearing

Within ODHH, there is the Maryland Advisory Council for the Deaf and Hard of Hearing. The council, which meets at least quarterly, advises ODHH on carrying out its duties and reviews statewide activities that involve deaf and hard of hearing individuals. The council also fosters coordination and support of programs for deaf and hard of hearing individuals and studies ways to ensure that services and facilities are available to deaf and hard of hearing State residents.

State Expenditures: ODHH advises that additional resources are required to support the workgroup, including a part-time graduate assistant (10 hours per week) to staff the workgroup, consultant services (for outreach, program development, data gathering and visualization, research, and development of recommendations), and interpreter services for

at least 10 two-hour meetings. Thus, ODDH general fund expenditures increase by an estimated \$62,123 in fiscal 2025.

Graduate Assistant	\$7,123
Consultant Services	50,000
Interpreter Services	<u>5,000</u>
Total ODDH FY 2025 Expenditures	\$62,123

This estimate reflects a 30-day start up delay from the bill's July 1, 2024 effective date and assumes that costs for the graduate assistant and interpreter services end May 31, 2025, as the workgroup's report is due by June 1, 2025. The estimate does not reflect any expense reimbursements for the workgroup's 13 members. Should submission of the report be delayed, general fund expenditures increase. The workgroup terminates June 30, 2026.
