CAP00 Capital Overview

Committee Narrative

Military Department Facilities Master Plan: Most capital construction results from the need to accommodate people, modernize or replace facilities, or provide space for services or programs. Therefore, Facilities Master Plans are provided by State agencies every five years to the Department of Budget and Management (DBM) to present information on each of these subjects. The plans evaluate current conditions and projected needs, develop proposals for addressing deficiencies, and present a recommendation which will enable the State agency to meet its goals over the timeframe of the plan. DBM provides Guidelines for Submission of a Facilities Master Plan to State agencies. The Military Department has not provided an updated Facilities Master Plan to DBM per the five-year schedule. It is the intent of the General Assembly that the department provide an updated Facilities Master Plan to DBM by June 1, 2015. In addition, the budget committees request that the department submit a report detailing the policies and procedures to obtain federal funds for National Guard capital projects that require a State match. This report shall be submitted by October 1, 2014.

| <u>Allowance</u> | <u>Change</u> | <u>Authorization</u> |
| 5,000,000 | -2,000,000 | 3,000,000 |

Explanation: The fiscal 2015 capital budget includes \$5.0 million for R Adams Cowley Shock Trauma Center renovations as part of a \$17.5 million State commitment to these renovations through fiscal 2018. The reduction is based on the need to increase funding for another University of Maryland Medical System project (the New Ambulatory Care Pavilion and Neonatal Intensive Care and Labor and Delivery Units) from \$5.0 million to \$10.0 million based on a prior legislative commitment to that project of \$10.0 million in annual support from fiscal 2014 through 2018.

RQ00B New Ambulatory Care Pavilion and NICU and Labor and Delivery Units..... \$ 10,000,000

Add the following language:

New Ambulatory Care Pavilion and NICU and Labor and Delivery Units. Provide a grant to the University of Maryland Medicaid System to assist in the design, construction, and capital equipping of the New Ambulatory Care Pavilion and the design, renovation, and equipping of the NICU and Labor and Delivery Units at the University of Maryland Medical Center. It is the intent of the General Assembly that the State commitment for the New Ambulatory Care Pavilion and NICU and Labor and Delivery Units will total \$50,000,000 in the period fiscal 2014 through 2018......

| | | |
|-------------------------|----------------------|-----------------------------|
| <u>Allowance</u> | <u>Change</u> | <u>Authorization</u> |
| 5,000,000 | 5,000,000 | 10,000,000 |

Explanation: The fiscal 2015 capital budget includes \$5 million for the New Ambulatory Care Pavilion and Neonatal Intensive Care and Labor and Delivery Units. This project was initially funded in fiscal 2014, and the capital bill included a legislative commitment to that project of \$10 million in annual support from fiscal 2014 through 2018. Absent that commitment, the University of Maryland Medical System had indicated that it would not move forward with the project. The additional \$5 million honors the legislative commitment. It should be noted that the 2015 Capital Improvement Program does not include funding beyond fiscal 2015. The same legislative intent language as enacted in the fiscal 2014 capital budget is also proposed for fiscal 2015.

***Explanation:** Reduce fiscal 2015 design funding for a new 48-bed Female Detention Facility on the grounds of the former Thomas O’Farrell Center. The Department of Juvenile Services is engaged in a feasibility study to determine the appropriate utilities needed for the project, which has delayed the start of design. Funding provided in fiscal 2014, in addition to the remaining \$830,000 provided in fiscal 2015 will adequately support the department’s design funding requirements. The \$1.6 million de-authorized by this action is repurposed for the acquisition of the former Lower Shore Drill Academy property in Wicomico County for the purpose of conversion to a 24-bed male treatment facility.*

Explanation: This action decreases general obligation bond funds by ~~\$3.5~~ 4.725 million to reflect the remaining expenditures to purchase the final two helicopters, a flight training device, and an aircrew training facility. Remaining costs are estimated at \$20.3 million. With a 10% contingency of the remaining cost, only \$22.3 million is needed. There is currently a surplus of \$13.3 million; therefore, only \$9.0 million in additional funding should be necessary in fiscal 2015 to cover all remaining costs. *funding exceeds the remaining costs.*

Add the following language:

Baltimore Food Hub. Provide a grant to the Board of Directors of the American Communities Trust, Inc. for the acquisition, design, and construction of a food hub facility including the renovation of the Eastern Pumping Station and the construction of a food pantry, urban farm, kitchen incubator, food distribution facility, food production facility, and community spaces, subject to the requirement that the grantee provide an equal and matching fund for this purpose, provided that \$750,000 of this authorization may not be expended until the American Communities Trust, Inc., in conjunction with the Department of Housing and Community Development (DHCD) submits a report to the budget committees on how the Baltimore Food Hub will be coordinated with the DHCD food desert initiative, the Maryland Food Center Authority, and other Maryland food hubs including the Eastern Shore Food Hub and the Regional Food Hub in Southern Maryland. The report shall be submitted by September 15, 2014, and the budget committees shall have 45 days to review and comment (Baltimore City)

Explanation: The fiscal 2015 capital budget bill includes funding for two food hub projects. In addition, the capital budget includes \$1 million of general obligation bond funding in DHCD for a food desert initiative, referred to as the Maryland Fresh Food Financing Program. The Maryland Food Center Authority has experience with food distribution processes. Committee Narrative

~~Green Branch Athletic Complex.~~ The budget committees request that the Maryland National Capital Park and Planning Commission (MNCPPC) and the Maryland Economic Development Corporation (MEDCO) shall establish a workgroup to study the feasibility of building a multi-sport stadium at or near the Green Branch Athletic Complex. The workgroup should submit its report to the budget committees on or before January 1, 2015. The workgroup shall:

- ~~● review the plans to construct a multi-sport stadium located adjacent to or within the Green Branch Athletic Complex; and~~
- ~~● make recommendations on financing options for the multi-sport stadium and repurposing or joint use of the existing facility in the area.~~

The workgroup shall consist of the following members:

- ~~● one member of the Senate of Maryland, appointed by the President of the Senate;~~
- ~~● one member of the House of Delegates, appointed by the Speaker of the House;~~
- ~~● a representative of MEDCO, appointed by MEDCO;~~
- ~~● a representative of the Maryland Stadium Authority (MSA), appointed by MSA;~~
- ~~● a representative of the Prince George's County Executive, appointed by the Prince George's County Executive;~~

| ZA00K | High Performance Computing Data Center..... | \$ 15,000,000 |

Add the following language:

High Performance Computing Data Center. Provide a grant to the Board of Trustees of Johns Hopkins University for the construction and capital equipping of a High Performance Computing Data Center (HPDC), provided that \$15,000,000 of this authorization may not be expended until Johns Hopkins University develops, in consultation with the University of Maryland, College Park, a plan to provide access to Maryland’s 4-year public and nonprofit private institutions of higher education, including Morgan State University and the University System of Maryland. Further provided the plan shall be submitted to the budget committees, and the committees shall have 45 days to review and comment (Baltimore City).....

Explanation: The amendment requires Johns Hopkins University (JHU), in consultation with the University of Maryland, College Park (UMCP), to submit a plan to provide access to the high performance computing data center to Maryland’s other public and nonprofit private institutions of higher education, if requested. JHU and UMCP understand and agree with the Governor’s and the legislature’s intent for the high performance computing data center to benefit all of the State’s academic research institutions. As required by Chapter 444 of 2012, JHU and UMCP developed a memorandum of understanding (MOU) to establish the governance and capital and operating funding for the facility. That MOU includes a provision that allows either institution to make the facility available to third parties. This serves as a mechanism to provide access to other institutions of higher education. With an existing mechanism in place, the legislature should require JHU and UMCP to develop a plan for working with the State’s other public and nonprofit private universities to provide access to the facility. Funding was restricted in this manner for fiscal 2014 funds, but as of the time of the introduction of the fiscal 2015 capital budget bill, the fiscal 2014 funds have yet to be released because no report has been received.

| <u>Allowance</u> 1,000,000 | <u>Change</u> -1,000,000 | <u>Authorization</u> 0 |
|--------------------------------------|------------------------------------|----------------------------------|

Explanation: Design for the Ben and Esther Rosenbloom Hillel Center for Jewish Life was expected to begin in February 2013, but it has not yet started due to delays in finding temporary space to relocate while the current facility is demolished and rebuilt, or in locating land suitable for new construction. The Hillel Center received \$1 million for design costs a year ago, funding that is still available. This action defers an additional \$1 million from being appropriated until design is underway.

SECTION 1

Add the following language:

- (6) (a) Prior to the issuance of the bonds, unless the Maryland Historical Trust determines that the property to be assisted by a grant under Section 1(3) Items ZA00 through ZA03 of this Act is not significant, is significant only as a contributing property to a historic district listed in the Maryland register of historic properties, is a type that is already adequately represented among the Trust's existing easement properties, ~~or~~ is already subject to a perpetual historic preservation easement acceptable to the Trust or conditions peculiar to the property make an easement impractical, the grantee shall grant and convey to the Maryland Historical Trust a perpetual preservation easement to the extent of its interest:
- (i) On the ~~land or such~~ portion of the land acceptable to the Trust necessary to preserve the historic setting of the capital project assisted by the grant; and
 - (ii) On the exterior and interior, where appropriate, of the historic structures affected by the construction or renovation project assisted by the grant.
- (b) If the grantee or beneficiary of the grant holds a lease on the land and structures, the Trust may accept an easement on the leasehold interest.
- (c) The easement must be in form and substance acceptable to the Trust, and the extent of the interest to be encumbered must be acceptable to the Trust, and any liens or encumbrances against the land or the structures must be acceptable to the Trust.
- (d) (i) A grantee may appeal a perpetual preservation easement determination made by the Director or the Maryland Historical Trust under subparagraph (A) of this paragraph to the Maryland Historical Trust Board of Trustees.
- (ii) The decision by the Maryland Historical Trust Board of Trustees shall be final and is not subject to further administrative appeal or Judicial Review.

Explanation: This language narrows the scope of the historical preservation easements on the land that relates to the historic setting. The language also clarifies that the easement is limited to structures affected by the construction or renovation project. The Maryland Historical Trust (MHT) currently has the authority to place an easement on portions of the interior and has done so in the past when the conditions of the building warrant a partial easement. The MHT Board of Trustees is substituted as the appeal body to hear a grantees appeal concerning an easement request because this board already serves as the appellate body relating to historic properties. The grantee already has a right of appeal from a staff decision concerning an easement request. The board hears easement appeals for existing easements where the staff has denied a request to alter the property or land. The board also hears appeals from decisions related to the Sustainable Communities Tax Credit program when approving the rehabilitation work.
