<b>(9) In your own words, please describe in detail the project's background and your need for a prior authorization.</b>		
<p>The Southern Maryland Carousel Group's intent is to provide a full-sized working carousel, wood carving shop, museum of artifacts from the Marshall Hall carousel, and a learning center where we will teach wood carving. The Southern Maryland Carousel and woodcarving center will be the only one of its kind in Maryland! The planned 10,000 to 12,000 square foot facility will feature many amenities, including a hand-carved mix of carousel animals, chariots, rounding boards and mirrors. Also, there will be a fully functional band organ, gift shop, and a special events room. An exciting aspect to the facility will be the woodcarving museum and planned learning center designed to provide a center for continuous positive activity year-round in the Southern Maryland area.</p> <p>Prior authorization is requested so that we may retain these funds already approved.</p>		
<b>(10) If you are requesting an extension of the date upon which evidence of a matching fund must be presented to the Board of Public Works, please explain the need for the extension. When do you expect to raise the requisite amount of matching funds, if at all?</b>
