## Fiscal 2021 Budget Budget Bill (SB 190) and the Budget Reconciliation and Financing Act (SB 192) As Amended by the Senate Budget and Taxation Committee

Achieves Spending Affordability Committee Goals: The proposed budget achieves the Spending Affordability Committee's dual goals of leaving a general fund balance of at least \$100 million and eliminating the structural shortfall in fiscal 2021. The committee's actions leave a fund balance of \$129.1 million and produce a structural surplus of \$29 million.

**Preserves Reserves:** More than \$1.3 billion in cash resources are preserved, including \$1.2 billion in the Rainy Day Fund and \$129.1 million in the General Fund. Collectively, these cash balances equate to 6.6% of general fund revenues.

**Constrains Growth in State Spending:** Growth in total general fund spending increases \$113.1 million, or 0.6%.

**Maintains the State's Commitment to Public Schools:** Under the committee's budget plan, State support for public schools will exceed \$7.2 billion. Direct aid to local school systems will increase an estimated \$230.3 million, or 3.7%. The budget plan dedicates \$362 million to support the implementation of The Blueprint for Maryland's Future.

**Restores Funds for Legislative Priorities:** The budget restores almost \$40 million of general funds reduced by the Governor to increase reimbursement rates for providers delivering services to Maryland's most vulnerable populations and \$18.2 million for aid to community colleges. Funds are also restored for the Baltimore Symphony Orchestra, Maryland Public Television, and economic development projects in the National Capital region.

**Continues to Provide Vital Health Care Services:** Medicaid funding totals \$11.9 billion, allowing the State to provide coverage to 1.4 million of our residents.

**Promotes Affordability of Higher Education:** State support for Maryland's public four-year colleges and universities grows by \$65.2 million (3.9%), allowing undergraduate tuition rates to increase a modest 2.0%. Funding for community colleges increases by \$36.6 million (11%).

**Funds Rate Increases for Providers Serving Children and Vulnerable Populations:** A 4.0% rate increase is funded for providers serving the developmentally disabled, people with behavioral health needs, and Medicaid enrollees. Rate increases of 2.0% are funded for human service providers.

**Employee Compensation:** A 2% general salary increase is funded effective January 1, 2021 (5% for law enforcement officers effective July 1, 2020). If fiscal 2020 nonwithholding income tax revenues exceed the official revenue estimate by a specified amount, employees who were excluded from a 1% salary increase on January 1, 2020, will receive the 1% increase in fiscal 2021.

Changes the cap on the adjustment to general fund revenues related to nonwithholding income tax revenues, sets dollar amounts rather than a percent of general fund revenue, beginning with \$60 million in fiscal 2021, and slows the full phase-in to a 2% cap until fiscal 2026 rather than fiscal 2022 (p. 32-33).

Alters the repayment of transfer tax revenue to repeal the fiscal 2020 repayment and extend the repayment schedule by one year. In addition, portions of the repayment are restructured to specific levels rather than shares of the total amount (p. 44-47).

Alters the phase-down of the Medicaid Deficit Assessment for fiscal 2021 and 2022 to reduce the phase-down in fiscal 2021 (from \$25 million to \$15 million) while providing the same total decrease between the two years (\$50 million) (p. 47-48).

Limits the increase in rates for providers who have rates set by the Interagency Rates Committee to 2% in fiscal 2021 (p. 48).

Authorizes for fiscal 2021 only the use of \$400,000 from the Board of Physicians Fund balance for the Loan Assistance Repayment Program for Physicians and Physician Assistants (p. 49).

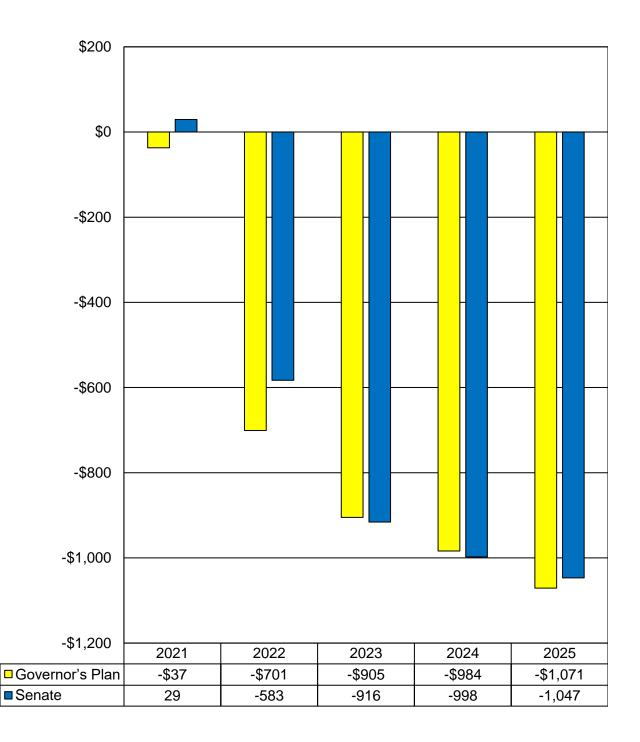

Reduces the fiscal 2021 funding to the Revenue Stabilization Account by \$284.4 million (p. 49).

Authorizes a transfer of \$43,860,950 from the Dedicated Purpose Account designated for Program Open Space from fiscal 2020, which will not be spent, to the General Fund in fiscal 2021 (p. 49).

SBT: Senate Budget and Taxation Committee

SF: special funds

<sup>(1)</sup> Includes the Historic Revitalization Tax Credit Reserve Fund.

The fiscal 2021 allowance excludes \$40 million of special funds that double counts general fund spending. The fiscal 2021 SBT cuts include \$404.8 million in reductions contingent on the BRFA.
