INVOCATION

Maryland State Senate

October 17, 2011

Good and gracious God,

creator of us all,

your goodness fills our hearts with joy.

**You have brought us together this day to work in harmony and
peace.**

Strengthen us with your grace and wisdom

and bring our work to completion.

May hope accompany our journey through the days to come.

May God's abiding presence be with us

all the days of our life.

As we look around in our homes, our communities,

in society, and in our workplaces –

as we deal with the members of our families, our friends,

and with the people with whom we work;

may our creator make us instruments of his love and peace.

**Creator God, we pray
to live with purpose,
to live freely, with detachment,
to live wisely, with humility,
to live justly, with compassion,
to live lovingly, with fidelity,
to live mindfully, with awareness,
to live gratefully, with generosity,
to live fully, with enthusiasm.**

**Help us to hold this vision
and to daily renew it in our hearts,
becoming ever more one with you.**

**Finally, gracious and almighty God,
we ask that you let the brightness, gentleness and mercy
of your countenance
shine upon this wonderful state
and all of us who see here our home,
the dwelling place of your children
and, therefore, our future,
and the place where our aspirations and dreams
can be realized.**

All of this we ask in your most holy name. Amen.

May 18, 2011

The Honorable Thomas V. Mike Miller, Jr.
President of the Senate
H–107 State House
Annapolis, MD 21401

Dear Mr. President:

In accordance with Article II, Section 17 of the Maryland Constitution, today I have vetoed Senate Bill 270 – *Alcoholic Beverages – Allegany County Board of License Commissioners – Vacancies*.

Senate Bill 270 alters the manner in which members of the Allegany County Board of License Commissioners (“Board”) are appointed. Under current law, there are three members of the Board who are appointed by the Governor with the advice and consent of the Senate, if it is in session, or if not by the Governor alone. Two of the members appointed by the Governor must be members of the political party “which at the last preceding general election in Allegany County polled the greatest number of votes in the aggregate for the several offices of County Commissioner,” and the remaining member must be of the political party “which at the last preceding general election in Allegany County polled the second highest number of votes in the aggregate for the

2011 Vetoed Senate Bills

several offices of County Commissioner.” In addition, the Governor selects a member to serve as Chair.

Article 2B, Section 15–101 generally sets out the appointment process for local Boards of License Commissioners. The Sections that follow detail alternative appointment processes in some local jurisdictions. In general, if not appointed by the Governor, a local Board is appointed by the County Commissioners or the County Executive (Article 2B, Section 15–104), or the County Council or County Commissioners *ex officio* constitute the Board (Article 2B, Sections 15–505, 15–507, 15–507.1 and 15–508 (in Garrett County the Liquor Control Board performs these functions)). For the most part, appointees of the Governor are subject to the advice and consent of the Senate or, in the instance of Caroline County, the House of Delegates.

It is common for the appointing authority to be bound by certain restrictions regarding the political affiliation of the appointees to the Board. Most jurisdictions require a balance of some sort in the number of members from different political parties. In only one instance, Prince George’s County, is the appointing authority (the Governor) required to consult with the central committees of the two leading political parties. That consultation resembles the process used to appoint local election boards (Section 2–201 of the Election Law Article); each central committee in Prince George’s County submits at least four names for each Board of License Commissioner vacancy. In no instance is the Governor required to accept the nominee sent by a central committee, let alone have the nominee be subject to the advice and consent of a local central committee.

Senate Bill 270 establishes a unique, if not unprecedented, process by subjecting an appointment by the Governor to the advice and consent of a local political central committee. Putting aside the policy concerns regarding such a change, the process created by the bill would be unwieldy, as the appointment remains subject to the advice and consent of the Senate. The logistics involving an appointing authority needing approval from two other bodies could be complicated and time consuming, as well as the source of significant disagreements.

Senate Bill 270 injects a purely political body into a pivotal role in the appointment of a Board that performs a governmental function. If the citizens of Allegany County are seriously concerned about the current appointment process, Article 2B provides many models for how the process can be structured, and who would be involved in the process. The process pursued in Senate Bill 270 politicizes the appointment, and presumably the Board, by empowering political central committees in a unique manner, and to an even greater extent than they are involved in the appointment of our local election boards. This is both unjustified and unwise.

For these reasons, I have vetoed Senate Bill 270.

Sincerely,

Governor

Dear Mr. President:

In accordance with Article II, Section 17 of the Maryland Constitution, today I have vetoed Senate Bill 330 – *Frederick County – Nonprofit School Lease – Property Tax Credit*.

Senate Bill 330 requires Frederick County or a municipality in the county to grant a property tax credit for property leased to a nonprofit school and used exclusively for primary or secondary educational purposes. Furthermore, the bill requires the lessor of real property eligible for the property tax credit to reduce the amount of taxes for which a nonprofit school is contractually liable under the lease agreement by the amount of the property tax credit.

According to the sponsors, the bill was intended to exempt public charter schools in Frederick County from having to pay property taxes on property leased by a school from a private owner. Presently, the Monocacy Valley Montessori Public Charter School which is located in the City of Frederick would be eligible for the proposed property tax credit. As amended, however, the bill grants a property tax exemption to all private schools that lease property in Frederick County, not just charter schools.

The sponsors of Senate Bill 330 and the entire Frederick County Delegation have requested that I veto the legislation because the property tax exemption in the bill was not intended to cover all private schools. The Frederick County Board of Commissioners is also seeking a veto of the bill. The sponsors correctly point out that Senate Bill 609, which I will sign into law on May 19, 2011, exempts any portion of a

building or property occupied and used by a public charter school from property taxes. According to the Attorney General's Office, this exemption would apply to the Monocacy Valley Montessori School and any new charter schools in Frederick County, so the exemption required under Senate Bill 330 is unnecessary.

Therefore, because the statewide property tax exemption contained in Senate Bill 609 meets the intended policy objectives of Senate Bill 330, I am hereby vetoing this legislation.

Preamble

WHEREAS, Maryland law authorizes up to 13 weeks of extended benefits for eligible unemployed individuals who have exhausted all other forms of benefits; and

WHEREAS, With limited exceptions, the cost of most extended benefits is shared equally between the State and the federal government; and

WHEREAS, The State extended benefits program is triggered “on” by certain rates of insured unemployment; and

WHEREAS, Despite the recent economic downturn, the rate of insured unemployment in Maryland has not reached the statutory level necessary to trigger the extended benefits program “on”; and

WHEREAS, The federal government has temporarily authorized 100% federal funding of the shareable costs of extended benefits paid to individuals separated from insured employment; and

WHEREAS, To offer extended benefits, which would benefit Maryland’s long-term unemployed and which would be largely 100% federally funded, Maryland must adopt alternative triggers for the extended benefits program; now, therefore,

The Honorable Thomas V. Mike Miller, Jr.
President of the Senate
H-107 State House
Annapolis, MD 21401

Dear Mr. President:

In accordance with Article II, Section 17 of the Maryland Constitution, today I have vetoed Senate Bill 947 – *State Retirement and Pension System – Vested Retirement Allowance – Members and Former Members*.

Senate Bill 947 prohibits a former member of a designated retirement and pension plan within the State Retirement and Pension System (SRPS) from receiving a

2011 Vetoed Senate Bills

retroactive vested benefit allowance if the member files for vested benefits after normal retirement age. A member must submit a written application to the SRPS Board of Trustees that states the date on which the member wants to begin receiving a vested allowance. Under the bill, any benefits that the member would have received from normal age of retirement to the time the member actually applies for benefits must be forfeited. The bill also clarifies that members and former members who receive a refund of accumulated contributions are not entitled to further benefits.

Senate Bill 947 applies only prospectively and does not apply to any member or former member who, as of June 30, 2011, has separated from employment and has reached normal retirement age. All vested former members and active employees who leave service and have not yet reached normal retirement age, however, would be affected by the bill.

Under Current law, former vested members who apply for benefits after their normal retirement age are entitled to begin receiving their pensions and receive a lump-sum payment for past benefits not received. Active vested members who leave service upon reaching or exceeding their normal retirement age only receive pension benefits from the time of application forward.

Senate Bill 947 was proposed by the State Retirement Agency to address problems associated with former members who are entitled to either a refund of member contributions or a vested benefit, but who have not claimed those benefits. According to the General Assembly's consulting actuary, there are approximately 4,236 vested former members in the State plans who have not claimed their vested benefit despite being older than their normal retirement age. The Retirement Agency is currently undertaking measures to contact these former members with some success.

While I understand the concerns raised by the State Retirement Agency, I believe this legislation unintentionally imposes a very harsh punishment on former teachers and State employees who do not file their application for benefits upon reaching normal retirement age. These former members will be required to forfeit pension benefits that they have earned through years of dedicated service and that consist in part of employee contributions. In some cases, former employees have forgotten they are entitled to a pension benefit because decades have passed since they left teaching or State service, or they are simply not aware of the age of retirement. In some cases, intervening health problems have contributed to their failure to apply for benefits. Lost benefits can range from several thousand dollars to tens of thousands of dollars. I am particularly concerned about the potential impact of lost benefits on seniors who are struggling on fixed incomes.

Another concern I have with Senate Bill 947 is that there is no provision in the bill that allows former vested members to ask the SRPS Board of Trustees for a hardship waiver to allow a member to collect past benefits. As mentioned above, a member's impairment due to health reasons, such as dementia or Alzheimer's disease, may warrant such a waiver. Instead, members or their families would have to ask legislators to sponsor bills to grant statutory exemptions to the law. Finally, I am

2011 Vetoed Senate Bills

concerned that the proposed change in this legislation applies to both current and former employees who arguably have a contractually vested right to this pension benefit under State law.

Senate Bill 947 was introduced late in Session and was not included in the package of bills that the State Retirement Agency submitted to the Joint Committee on Pensions. During the 2011 Interim, I encourage the Joint Committee to consider an equitable and more workable alternative to the one proposed in this legislation. I believe a better approach to ensuring that pension benefits are paid upon a member's age of retirement is for the State Retirement Agency to continue its aggressive practice of notifying former members to apply for benefits in a timely fashion.

For the above reasons, I have today vetoed Senate Bill 947.

Sincerely,

Governor

FOR the purpose of requiring that certain members or former members of the State Retirement and Pension System complete and submit a certain application stating a certain date when the member or former member desires to commence receipt of a certain vested retirement allowance; prohibiting certain members or former members of the State Retirement and Pension System from receiving a certain vested retirement allowance for a certain period of time; providing that certain members or former members of the State Retirement and Pension System may receive a return of their accumulated contributions before payment of a certain vested allowance; providing that certain former members of the State Retirement and Pension System to whom certain accumulated contributions are returned are not entitled to any further benefits; providing for the application of this Act; and generally relating to members or former members of the State Retirement and Pension System receiving a vested retirement allowance.
