Funds are appropriated in other agency budgets to pay for services provided by this program. Authorization is hereby granted to use these receipts as special funds for operating expenses in this program.
Provided that it is the intent of the General Assembly that projects and funding levels appropriated for capital projects, as well as total estimated project costs within the Consolidated Transportation Program, shall be expended in accordance with the plan approved during the legislative session. The department shall prepare a report to notify the budget committees of the proposed changes in the event that the department modifies the program to:

1. add a new project to the construction program or development and evaluation program meeting the definition of a “major project” under Section 2–103.1 of the Transportation Article that was not previously contained within a plan reviewed in a prior year by the General Assembly and will result in the need to expend funds in the current budget year; or

2. change the scope of a project in the construction program or development and evaluation program meeting the definition of a “major project” under Section 2–103.1 of the Transportation Article that will result in an increase of more than 10% or $1,000,000, whichever is greater, in the total project costs as reviewed by the General Assembly during a prior session.

For each change, the report shall identify the project title, justification for adding the new project or modifying the scope of the existing project, current year funding levels, and the total project cost as approved by the General Assembly during the prior session compared with the
proposed current year funding and total project cost estimate resulting from the project addition or change in scope.

Further provided that notification of project additions, as outlined in paragraph (1) above; changes in the scope of a project, as outlined in paragraph (2) above; or moving projects from the development and evaluation program to the construction program shall be made to the General Assembly 45 days prior to the expenditure of funds or the submission of any contract for approval to the Board of Public Works.

The Maryland Department of Transportation (MDOT) may not expend funds on any job or position of employment approved in this budget in excess of 9,057.5 positions and 122.2 contractual full-time equivalent (FTE) positions paid through special payments payroll (defined as the quotient of the sum of the hours worked by all such employees in the fiscal year divided by 2,080 hours) of the total authorized amount established in the budget for MDOT at any one time during fiscal 2021. The level of contractual FTE positions may be exceeded only if MDOT notifies the budget committees of the need and justification for additional contractual personnel due to:

(1) business growth at the Helen Delich Bentley Port of Baltimore or Baltimore–Washington International Thurgood Marshall Airport, that demands additional personnel; or

(2) emergency needs that must be met, such as transit security or highway maintenance.

The Secretary shall use the authority under Sections 2–101 and 2–102 of the Transportation Article to implement this provision. However, any authorized job or
position to be filled above the regular position ceiling approved by the Board of Public Works shall count against the Rule of 100 imposed by the General Assembly. The establishment of new jobs or positions of employment not authorized in the fiscal 2021 budget shall be subject to Section 7–236 of the State Finance and Procurement Article and the Rule of 100.

Further provided that $10,500,266 in special funds is reduced to increase turnover. The department may allocate this reduction among the department’s programs.

Further provided that the Maryland Department of Transportation is authorized to increase by budget amendment the special fund capital appropriation for the Maryland Port Administration by $10,000,000 to provide a portion of the funds needed for the Howard Street Tunnel Project.

(1) any additional special funds necessary to match unanticipated federal fund attainments; or

(2) any proposed increase either to provide funds for a new grantee or to increase funds for an existing grantee.

Further provided that no expenditures in excess of $5,855,901 may occur unless the department provides notification to the
budget committees to justify the need for additional expenditures due to either item (1) or (2) above, and the committees provide review and comment or 45 days elapse from the date such notification is provided to the committees.

The Maryland Department of Transportation (MDOT) shall submit with its annual September and January financial forecasts information on:

1. anticipated and actual nontraditional debt outstanding as of June 30 of each year; and
2. anticipated and actual debt service payments for each outstanding nontraditional debt issuance from fiscal 2020 through 2030.

Nontraditional debt is defined as any debt instrument that is not a Consolidated Transportation Bond or a Grant Anticipation Revenue Vehicle bond; such debt includes, but is not limited to, Certificates of Participation, debt backed by customer facility charges, passenger facility charges or other revenues, and debt issued by the Maryland Economic Development Corporation or any other third party on behalf of MDOT.
The total aggregate outstanding and unpaid principal balance of nontraditional debt, defined as any debt instrument that is not a Consolidated Transportation Bond or a Grant Anticipation Revenue Vehicle bond issued by the Maryland Department of Transportation (MDOT), exclusive of any draws on the federal Transportation Infrastructure Finance and Innovation Act (TIFIA) loan for the Purple Line Light Rail Project, may not exceed $1,226,530,000 as of June 30, 2021. The total aggregate outstanding and unpaid principal balance on the Purple Line TIFIA loan may not exceed $925,315,170 as of June 30, 2021. Provided, however, that in addition to the limits established under this provision, MDOT may increase the aggregate outstanding unpaid and principal balance of nontraditional debt so long as:

(1) MDOT provides notice to the Senate Budget and Taxation Committee and the House Appropriations Committee stating the specific reason for the additional issuance and providing specific information regarding the proposed issuance, including information specifying the total amount of nontraditional debt that would be outstanding on June 30, 2021, and the total amount by which the fiscal 2021 debt service payment for all nontraditional debt would increase following the additional issuance; and

(2) the Senate Budget and Taxation Committee and the House Appropriations Committee have 45 days to review and comment on the proposed additional issuance before the publication of a preliminary official statement. The Senate Budget and Taxation Committee
and the House Appropriations Committee may hold a public hearing to discuss the proposed increase and shall signal their intent to hold a hearing within 45 days of receiving notice from MDOT.

R00A03.04 Aid to Non–Public Schools

Special Fund Appropriation, provided that this appropriation shall be for the purchase of textbooks or computer hardware and software and other electronically delivered learning materials as permitted under Title IID, Section 2416(b)(4), (6), and (7) of the No Child Left Behind Act for loan to students in eligible nonpublic schools with a maximum distribution of $65 per eligible nonpublic school student for participating schools, except that at schools where

---

*Note: The text continues with additional details and exceptions.*
least 20% from 20% to 40% of the students are eligible for the free or reduced-price lunch program there shall be a distribution of $95 per student, and at schools where more than 40% of the students are eligible for the free or reduced-price lunch program, there shall be a distribution of $155 per student. To be eligible to participate, a nonpublic school shall:

(1) Hold a certificate of approval from or be registered with the State Board of Education;

(2) Not charge more tuition to a participating student than the statewide average per pupil expenditure by the local education agencies, as calculated by the department, with appropriate exceptions for special education students as determined by the department; and

(3) Comply with Title VI of the Civil Rights Act of 1964, as amended; and

(4) Submit its student handbook or other written policy related to student admissions to the Maryland State Department of Education for review to ensure compliance with program eligibility requirements.

The department shall establish a process to ensure that the local education agencies are effectively and promptly working with the nonpublic schools to assure that the nonpublic schools have appropriate access to federal funds for which they are eligible.

Further provided that the Maryland State Department of Education shall:

(1) Assure that the process for
textbook, computer hardware, and computer software acquisition uses a list of qualified textbook, computer hardware, and computer software vendors and of qualified textbooks, computer hardware, and computer software; uses textbooks, computer hardware, and computer software that are secular in character and acceptable for use in any public elementary or secondary school in Maryland; and

(2) Receive requisitions for textbooks, computer hardware, and computer software to be purchased from the eligible and participating schools, and forward the approved requisitions and payments to the qualified textbook, computer hardware, or computer software vendor who will send the textbooks, computer hardware, or computer software directly to the eligible school, which will:

(i) Report shipment receipt to the department;

(ii) Provide assurance that the savings on the cost of the textbooks, computer hardware, or computer software will be dedicated to reducing the cost of textbooks, computer hardware, or computer software for students; and

(iii) Since the textbooks, computer hardware, or computer software shall remain property of the State, maintain appropriate shipment receipt records for audit purposes.
Further provided that a nonpublic school participating in the Aid to Non–Public Schools Program R00A03.04 shall certify compliance with Title 20, Subtitle 6 of the State Government Article. A nonpublic school participating in the program may not discriminate in student admissions, retention, or expulsion, or otherwise discriminate against any student on the basis of race, color, national origin, sexual orientation, or gender identity or expression. Nothing herein shall require any school or institution to adopt any rule, regulation, or policy that conflicts with its religious or moral teachings. However, all participating schools must agree that they will not discriminate in student admissions, retention, or expulsion or otherwise discriminate against any student on the basis of race, color, national origin, sexual orientation, or gender identity or expression. Any school found to be in violation of the requirements to not discriminate shall be required to return to the Maryland State Department of Education all textbooks or computer hardware and software and other electronically delivered learning materials acquired through the fiscal 2021 allocation. The only other legal remedy for violation of these provisions is ineligibility for participating in the Aid to Non–Public Schools Program. Any school that is found in violation of the nondiscrimination requirements in fiscal 2020 or 2021 may not participate in the program in fiscal 2021. It is the intent of the General Assembly that a school that violates the nondiscrimination requirements is ineligible to participate in the Aid to Non–Public Schools Program, the Broadening Options and Opportunities for Students Today Program, the James E. “Ed” DeGrange Nonpublic Aging Schools Program, and the Nonpublic School Security Improvements Program in the year of the violation and the following two
Broadening Options and Opportunities for Students Today

Special Fund Appropriation, provided that this appropriation shall be for a Broadening Options and Opportunities for Students Today (BOOST) Program that provides scholarships for students who are eligible for the free or reduced price lunch program to attend eligible nonpublic schools. The Maryland State Department of Education (MSDE) shall administer the grant program in accordance with the following guidelines:

(1) To be eligible to participate in the BOOST Program, a nonpublic school must:

(a) participate in Program R00A03.04 Aid to Non–Public Schools Program for textbooks and computer hardware and software administered by MSDE during the 2019–2020 school year;

(b) provide more than only prekindergarten and kindergarten programs;

(c) administer assessments to all students in accordance with federal and State law; and administer national, norm–referenced standardized assessments chosen from the list of assessments published by the U.S. Department of Education to qualify nonpublic schools for the National Blue Ribbon Schools Program. The nonpublic schools must
administer the assessments to all students as follows:

(i) English/language arts and mathematics assessments each year for students in grades 3 through 8, and at least once for students in grades 9 through 12; and

(ii) a science assessment at least once for students in grades 3 through 5, at least once for students in grades 6 through 9, and at least once for students in grades 10 through 12; and

(d) comply with Title VI of the Civil Rights Act of 1964 as amended, Title 20, Subtitle 6 of the State Government Article, and not discriminate in student admissions, retention, or expulsion or otherwise discriminate against any student on the basis of race, color, national origin, sexual orientation, or gender identity or expression. Nothing herein shall require any school or institution to adopt any rule, regulation, or policy that conflicts with its religious or moral teachings. However, all participating schools must agree that they will not discriminate in student admissions, retention, or expulsion or otherwise discriminate against any student based on race, color,
national origin, or sexual orientation, or gender identity or expression. If a nonpublic school does not comply with these requirements, it shall reimburse MSDE all scholarship funds received under the BOOST Program for the 2020–2021 school year and may not charge the student tuition and fees instead. The only other legal remedy for violation of this provision is ineligibility for participating in the BOOST Program.

(2) MSDE shall establish procedures for the application and award process for scholarships for students who are eligible for the free or reduced price lunch program. The procedures shall include consideration for award adjustments if an eligible student becomes ineligible during the course of the school year. In order to be eligible to apply, a student must

1. have received a BOOST Program scholarship award for the 2019–2020 school year and will be entering any of grades 1, 2, 3, 4, 5, 6, 7, 8, 10, 11, or 12, or grade 9 if he or she is a student who attended during the 2019–2020 school year a nonpublic school that serves kindergarten through grade 12; or
2. have a sibling who received a BOOST Program scholarship award for the 2019–2020 school year.

(3) MSDE shall compile and certify a list of applicants that ranks eligible students by family income expressed as a percent of the most
recent federal poverty levels.

(4) MSDE shall submit the ranked list of applicants to the BOOST Advisory Board.

(5) There is a BOOST Advisory Board that shall be appointed as follows: 2 members appointed by the Governor, 2 members appointed by the President of the Senate, 2 members appointed by the Speaker of the House of Delegates, and 1 member jointly appointed by the President and the Speaker to serve as the chair. A member of the BOOST Advisory Board may not be an elected official and may not have any financial interest in an eligible nonpublic school.

(6) The BOOST Advisory Board shall review and certify the ranked list of applicants and shall determine the scholarship award amounts. The BOOST Advisory Board shall take into account the needs of students with disabilities on an Individualized Education Plan or 504 Plan when determining scholarship award amounts.

(7) MSDE shall make scholarship awards to eligible students as determined by the BOOST Advisory Board.

(8) Unless the student has special needs due to a disability, the amount of a scholarship award may not exceed the lesser of:

(a) the statewide average per pupil expenditure by local education agencies, as calculated by MSDE; or
(b) the tuition of the nonpublic school.

(9) In order to meet its BOOST Program reporting requirements to the budget committees, MSDE shall specify a date by which participating nonpublic schools must submit information to MSDE so that it may complete its required report. Any nonpublic schools that do not provide the necessary information by that specified date shall be ineligible to participate in the BOOST Program.

(10) Students who received a BOOST Program scholarship award in the prior year who still meet eligibility criteria for a scholarship shall receive a scholarship renewal award. For students who are receiving a BOOST Program scholarship for the first time, priority shall be given to students who attended public schools in the prior school year.

Further provided that the BOOST Advisory Board shall make all scholarship awards no later than December 31, 2020, for the 2019–2020 school year to eligible individuals. Any unexpended funds not awarded to students for scholarships shall be encumbered at the end of fiscal 2021 and available for scholarships in the 2021–2022 school year.

Further provided that $700,000 of this appropriation shall be used only to provide an additional award for each student with special needs that is at least equal in amount to the BOOST Program scholarship award that student is awarded in accordance with paragraph (6) above.

Further provided that MSDE shall submit a report to the budget committees by
January 15, 2021, that includes the following:

(1) the number of students receiving BOOST Program scholarships;

(2) the amount of the BOOST Program scholarships received;

(3) the number of certified and noncertified teachers in core subject areas for each nonpublic school participating in the BOOST Program;

(4) the assessments being administered by nonpublic schools participating in the BOOST Program and the results of these assessments. MSDE shall report the assessment results reported by nonpublic schools to the budget committees in an aggregate manner that does not violate student data privacy;

(5) in the aggregate, for each BOOST Program scholarship awarded (a) the nonpublic school and grade level attended by the student; (b) the school attended in the 2020–2021 school year by the student; and (c) if the student attended the same nonpublic school in the 2019–2020 school year, whether, what type, and how much nonpublic scholarship aid the student received in the 2019–2020 school year and will receive in the 2020–2021 school year;

(6) the average household income of students receiving BOOST Program scholarships;

(7) the racial breakdown of students receiving BOOST Program scholarships.

(8) the number of students designated as English language learners receiving BOOST Program scholarships;

(9) the number of special education students receiving BOOST Program scholarships;

(10) the county in which students receiving BOOST Program scholarships reside;

(11) the number of students who were offered BOOST Program scholarships but declined them as well as their reasons for declining the scholarships and the breakdown of students attending public and nonpublic schools for students who declined scholarships;

(12) the number of students who received BOOST Program scholarships for the 2019–2020 school year who are attending public school for the 2020–2021 school year as well as their reasons for returning to public schools; and

(13) the number of students who received BOOST Program scholarships for the 2019–2020 school year who withdrew or were expelled from the nonpublic schools they were attending and the reasons for which they withdrew or were expelled; the schools they withdrew or were expelled from; and the length of time students receiving BOOST Program scholarships were enrolled at a nonpublic school before withdrawing or being expelled .......

Further, should the facility or program become eligible subsequent to payment to the facility or program by any of the previously mentioned departments, and the Medical Assistance Program makes subsequent additional payments to the facility or program for the same services, any recoveries of overpayment, whether paid in this or prior fiscal years, shall become available to the Medical Assistance Program for provider reimbursement purposes.

SECTION 15. AND BE IT FURTHER ENACTED, That all funds appropriated to the various State departments and agencies in Comptroller Object 0831 (Office of Administrative Hearings) to conduct administrative hearings by the Office of Administrative Hearings are to be transferred to the Office of Administrative Hearings (D99A11.01) on July 1, 2020, and may not be expended for any other purpose.

SECTION 16. AND BE IT FURTHER ENACTED, That funds budgeted in the State Department of Education and the Department of Health, Department of Human Services, and Department of Juvenile Services may be transferred by budget amendment to the Children’s Cabinet Interagency Fund (R00A04.01). Funds transferred would represent costs associated with local partnership agreements approved by the Children’s Cabinet Interagency Fund.

SECTION 17. AND BE IT FURTHER ENACTED, That funds appropriated to the various State agency programs and subprograms in Comptroller Objects 0152 (Health Insurance), 0154 (Retirees Health Insurance Premiums), 0175 (Workers’ Compensation), 0217 (Health Insurance), 0305 (DBM Paid Telecommunications), 0322 (Capital Lease Telecommunications), 0839 (HR Shared Services), 0874 (Office of Attorney General Administrative Fee), 0876 (DoIT IT Services Allocation), 0894 (State Personnel System Allocation), 0897 (Enterprise Budget System Allocation), and 1303 (rent paid to DGS) are to be utilized for their intended purposes only. The expenditure or transfer of these funds for other purposes requires the prior approval of the Secretary of Budget and Management. Notwithstanding any other provision of law, the Secretary of Budget and Management may transfer amounts appropriated in Comptroller Objects 0152, 0154, 0217, 0305, 0322, and 0876 between State departments and agencies by approved budget amendment in fiscal 2020 and fiscal 2021. All funds budgeted in or transferred to Comptroller Objects 0152 and 0154, and any funds restricted in this budget for use in the employee and retiree health insurance program that are unspent shall be credited to the fund as established in accordance with Section 2–516 of the State Personnel and Pensions Article.
Further provided that each agency that receives funding in this budget in any of the restricted Comptroller Objects listed within this section shall establish within the State’s accounting system a structure of accounts to separately identify for each restricted Comptroller Object, by fund source, the legislative appropriation, monthly transactions, and final expenditures. It is the intent of the General Assembly that an accounting detail be established so that the Office of Legislative Audits may review the disposition of funds appropriated for each restricted Comptroller Object as part of each closeout audit to ensure that funds are used only for the purposes for which they are restricted and that unspent funds are reverted or canceled.

SECTION 18. AND BE IT FURTHER ENACTED, That all funds appropriated to the various State departments and agencies in Comptroller Object 0875 (Retirement Administrative Fee) to support the Maryland State Retirement agency operations are to be transferred to the Maryland State Retirement agency (G20J01.01) on July 1, 2020, and may not be expended for any other purpose.

SECTION 19. AND BE IT FURTHER ENACTED, That for fiscal 2021, the Governor is authorized to transfer positions and funding, by approved budget amendment, from the Comptroller of Maryland to the Alcohol and Tobacco Commission.

SECTION 20. AND BE IT FURTHER ENACTED, That for fiscal year 2020 funds are appropriated in other agency budgets to pay for services provided by D50H01.06 Maryland Emergency Management Agency. Authorization is hereby granted to use these receipts as special funds for operating expenses in this program.

SECTION 21. AND BE IT FURTHER ENACTED, That the Governor’s budget books shall include a forecast of the impact of the executive budget proposal on the long–term fiscal condition of the General Fund, the Transportation Trust Fund, and higher education Current Unrestricted Fund accounts. This forecast shall estimate aggregate revenues, expenditures, and fund balances in each account for the fiscal year last completed, the current year, the budget year, and 4 years thereafter. Expenditures shall be reported at such agency, program or unit levels, or categories as may be determined appropriate after consultation with the Department of Legislative Services. A statement of major assumptions underlying the forecast shall also be provided, including but not limited to general salary increases, inflation, and growth of caseloads in significant program areas.

SECTION 22. AND BE IT FURTHER ENACTED, That all across–the–board reductions applied to the Executive Branch, unless otherwise stated, shall apply to current unrestricted and general funds in the University System of Maryland, St. Mary’s College of Maryland, Morgan State University, and Baltimore City Community College.

SECTION 23. AND BE IT FURTHER ENACTED, That the Governor’s budget books shall include a summary statement of federal revenues by major federal program sources supporting the federal appropriations made therein along with the major assumptions underpinning the federal fund estimates. The Department of Budget and Management (DBM) shall exercise due diligence in reporting this data and ensure that they are updated.
as appropriate to reflect ongoing congressional action on the federal budget. In addition, DBM shall provide to the Department of Legislative Services (DLS) data for the actual, current, and budget years listing the components of each federal fund appropriation by Catalog of Federal Domestic Assistance number or equivalent detail for programs not in the catalog. Data shall be provided in an electronic format subject to the concurrence of DLS.

SECTION 24. AND BE IT FURTHER ENACTED, That in the expenditure of federal funds appropriated in this budget or subsequent to the enactment of this budget by the budget amendment process:

(1) State agencies shall administer these federal funds in a manner that recognizes that federal funds are taxpayer dollars that require prudent fiscal management, careful application to the purposes for which they are directed, and strict attention to budgetary and accounting procedures established for the administration of all public funds.

(2) For fiscal 2021, except with respect to capital appropriations, to the extent consistent with federal requirements:

(a) when expenditures or encumbrances may be charged to either State or federal fund sources, federal funds shall be charged before State funds are charged except that this policy does not apply to the Department of Human Services with respect to federal funds to be carried forward into future years for child welfare or welfare reform activities;

(b) when additional federal funds are sought or otherwise become available in the course of the fiscal year, agencies shall consider, in consultation with the Department of Budget and Management (DBM), whether opportunities exist to use these federal revenues to support existing operations rather than to expand programs or establish new ones; and

(c) DBM shall take appropriate actions to effectively establish the provisions of this section as policies of the State with respect to the administration of federal funds by executive agencies.

SECTION 25. AND BE IT FURTHER ENACTED, That it is the intent of the General Assembly that all State departments, agencies, bureaus, commissions, boards, and other organizational units included in the State budget, including the Judiciary, shall prepare and submit items for the fiscal 2022 budget detailed by Comptroller subobject classification in accordance with instructions promulgated by the Comptroller of Maryland. The presentation of budget data in the Governor’s budget books shall include object, fund, and personnel data in the manner provided for in fiscal 2021 except as indicated elsewhere in this Act; however, this may not preclude the placement of additional information into the budget books. For actual fiscal 2020 spending, the fiscal 2021 working appropriation, and the fiscal 2022 allowance, the budget detail shall be available from the Department of Budget and Management (DBM) automated data system at the subobject level by subobject codes and classifications for all agencies. To the extent possible, except for public higher
education institutions, subobject expenditures shall be designated by fund for actual fiscal 2020 spending, the fiscal 2021 working appropriation, and the fiscal 2022 allowance. The agencies shall exercise due diligence in reporting this data and ensuring correspondence between reported position and expenditure data for the actual, current, and budget fiscal years. This data shall be made available on request and in a format subject to the concurrence of the Department of Legislative Services (DLS). Further, the expenditure of appropriations shall be reported and accounted for by the subobject classification in accordance with the instructions promulgated by the Comptroller of Maryland.

Further provided that due diligence shall be taken to accurately report full–time equivalent (FTE) counts of contractual FTEs in the budget books. For the purpose of this count, contractual FTEs are defined as those individuals having an employee–employer relationship with the State. This count shall include those individuals in higher education institutions who meet this definition but are paid with additional assistance funds.

Further provided that DBM shall provide to DLS with the allowance for each department, unit, agency, office, and institution, a one–page organizational chart in Microsoft Word or Adobe PDF format that depicts the allocation of personnel across operational and administrative activities of the entity.

Further provided that for each across–the–board reduction to appropriations or positions in the fiscal 2022 Budget Bill affecting fiscal 2021 or 2022, DBM shall allocate the reduction for each agency in a level of detail not less than the three–digit R*Stars financial agency code and by each fund type.

Further provided that DBM shall provide to DLS special and federal fund accounting detail for the fiscal year last completed, current year, and budget year for each fund. The account detail, to be submitted with the allowance, should at a minimum provide revenue and expenditure detail, along with starting and ending balances.

Further provided that DBM shall provide to DLS by September 1, 2020, a list of subprograms used by each department, unit, agency, office, and institution, along with a brief description of the subprograms’ purpose and responsibilities.

**SECTION 26. AND BE IT FURTHER ENACTED, That on or before August 1, 2020, each State agency and each public institution of higher education shall report to the Department of Budget and Management (DBM) any agreements in place for any part of fiscal 2020 between State agencies and any public institution of higher education involving potential expenditures in excess of $100,000 over the term of the agreement. Further provided that DBM shall provide direction and guidance to all State agencies and public institutions of higher education as to the procedures and specific elements of data to be reported with respect to these interagency agreements, to include at a minimum:**

1. a common code for each interagency agreement that specifically identifies each agreement and the fiscal year in which the agreement began;

2. the starting date for each agreement;
(3) the ending date for each agreement;

(4) a total potential expenditure, or not-to-exceed dollar amount, for the services to be rendered over the term of the agreement by any public institution of higher education to any State agency;

(5) a description of the nature of the goods and services to be provided;

(6) the total number of personnel, both full- and part-time, associated with the agreement;

(7) contact information for the agency and the public institution of higher education for the person(s) having direct oversight or knowledge of the agreement;

(8) total indirect cost recovery or facilities and administrative (F&A) expenditures authorized for the agreement;

(9) the indirect cost recovery or F&A rate for the agreement and brief description of how the rate was determined;

(10) actual expenditures for the most recently closed fiscal year;

(11) actual base expenditures that the indirect cost recovery or F&A rate may be applied against during the most recently closed fiscal year;

(12) actual expenditures for indirect cost recovery or F&A for the most recently closed fiscal year; and

(13) total authorized expenditures for any subaward(s) or subcontract(s) being used as part of the agreement and a brief description of the type of award or contract.

Further provided that DBM shall submit a consolidated report to the budget committees and the Department of Legislative Services by December 1, 2020, that contains information on all agreements between State agencies and any public institution of higher education involving potential expenditures in excess of $100,000 that were in effect at any time during fiscal 2020.

Further provided that no new higher education interagency agreement with State agencies with a projected value in excess of $500,000 may be entered into during fiscal 2021 without prior approval of the Secretary of Budget and Management.

SECTION 27. AND BE IT FURTHER ENACTED, That any budget amendment to increase the total amount of special, federal, or higher education (current restricted and current unrestricted) fund appropriations, or to make reimbursable fund transfers from the Governor’s Office of Justice, Youth, and Victim Services or the Maryland Emergency Management Agency made in Section 1 of this Act shall be subject to the following...
restrictions:

(1) This section may not apply to budget amendments for the sole purpose of:

   (a) appropriating funds available as a result of the award of federal disaster assistance; and
   (b) transferring funds from the State Reserve Fund – Economic Development Opportunities Account for projects approved by the Legislative Policy Committee (LPC).

(2) Budget amendments increasing total appropriations in any fund account by $100,000 or more may not be approved by the Governor until:

   (a) that amendment has been submitted to the Department of Legislative Services (DLS); and
   (b) the budget committees or LPC has considered the amendment or 45 days have elapsed from the date of submission of the amendment. Each amendment submitted to DLS shall include a statement of the amount, sources of funds and purposes of the amendment, and a summary of the impact on regular position or contractual full–time equivalent payroll requirements.

(3) Unless permitted by the budget bill or the accompanying supporting documentation or by any other authorizing legislation, and notwithstanding the provisions of Section 3–216 of the Transportation Article, a budget amendment may not:

   (a) restore funds for items or purposes specifically denied by the General Assembly;
   (b) fund a capital project not authorized by the General Assembly provided, however, that subject to provisions of the Transportation Article, projects of the Maryland Department of Transportation (MDOT) shall be restricted as provided in Section 1 of this Act;
   (c) increase the scope of a capital project by an amount 7.5% or more over the approved estimate or 5.0% or more over the net square footage of the approved project until the amendment has been submitted to DLS and the budget committees have considered and offered comment to the Governor or 45 days have elapsed from the date of submission of the amendment. This provision does not apply to MDOT; and
   (d) provide for the additional appropriation of special, federal, or higher education funds of more than $100,000 for the reclassification of a position or positions.

(4) A budget may not be amended to increase a federal fund appropriation
by $100,000 or more unless documentation evidencing the increase in funds is provided with the amendment and fund availability is certified by the Secretary of Budget and Management.

(5) No expenditure or contractual obligation of funds authorized by a proposed budget amendment may be made prior to approval of that amendment by the Governor.

(6) Notwithstanding the provisions of this section, any federal, special, or higher education fund appropriation may be increased by budget amendment upon a declaration by the Board of Public Works that the amendment is essential to maintaining public safety, health, or welfare, including protecting the environment or the economic welfare of the State.

(7) Budget amendments for new major information technology projects, as defined by Sections 3A–301 and 3A–302 of the State Finance and Procurement Article, must include an Information Technology Project Request, as defined in Section 3A–308 of the State Finance and Procurement Article.

(8) Further provided that the fiscal 2021 appropriation detail as shown in the Governor’s budget books submitted to the General Assembly in January 2021 and the supporting electronic detail may not include appropriations for budget amendments that have not been signed by the Governor, exclusive of the MDOT pay–as–you–go capital program.

(9) Further provided that it is the policy of the State to recognize and appropriate additional special, higher education, and federal revenues in the budget bill as approved by the General Assembly. Further provided that for the fiscal 2022 allowance, the Department of Budget and Management shall continue policies and procedures to minimize reliance on budget amendments for appropriations that could be included in a deficiency appropriation.

SECTION 28. AND BE IT FURTHER ENACTED, That:

(1) The Secretary of Health shall maintain the accounting systems necessary to determine the extent to which funds appropriated for fiscal 2020 in program M00Q01.03 Medical Care Provider Reimbursements and M00Q01.10 Medicaid Behavioral Health Provider Reimbursements have been disbursed for services provided in that fiscal year and shall prepare and submit the monthly reports by fund type required under this section for that program.

(2) The State Superintendent of Schools shall maintain the accounting systems necessary to determine the extent to which funds appropriated for fiscal 2020 to program R00A02.07 Students With Disabilities for nonpublic placements have been disbursed for services provided in that fiscal year and to prepare monthly reports as required under this section for that program.
(3) The Secretary of Human Services shall maintain the accounting systems necessary to determine the extent to which funds appropriated for fiscal 2020 in program N00G00.01 Foster Care Maintenance Payments have been disbursed for services provided in that fiscal year, including detail by placement type for the average monthly caseload, average monthly cost per case, and the total expended for each foster care program, and to prepare the monthly reports required under this section for that program.

(4) For the programs specified, reports must indicate by fund type total appropriations for fiscal 2020 and total disbursements for services provided during that fiscal year up through the last day of the second month preceding the date on which the report is to be submitted and a comparison to data applicable to those periods in the preceding fiscal year.

(5) Reports shall be submitted to the budget committees, the Department of Legislative Services, the Department of Budget and Management, and the Comptroller beginning August 15, 2020, and submitted on a monthly basis thereafter.

(6) It is the intent of the General Assembly that general funds appropriated for fiscal 2020 to the programs specified that have not been disbursed within a reasonable period, not to exceed 12 months from the end of the fiscal year, shall revert.

SECTION 29. AND BE IT FURTHER ENACTED, That the General Accounting Division of the Comptroller of Maryland shall establish a subsidiary ledger control account to debit all State agency funds budgeted under subobject 0175 (Workers’ Compensation) and to credit all payments disbursed to the Chesapeake Employers Insurance Company (CEIC) via transmittal. The control account shall also record all funds withdrawn from CEIC and returned to the State and subsequently transferred to the General Fund. CEIC shall submit monthly reports to the Department of Legislative Services concerning the status of the account.

SECTION 30. AND BE IT FURTHER ENACTED, That the Board of Public Works (BPW), in exercising its authority to create additional positions pursuant to Section 7–236 of the State Finance and Procurement Article, may authorize during the fiscal year no more than 100 positions in excess of the total number of authorized State positions on July 1, 2020, as determined by the Secretary of Budget and Management. Provided, however, that if the imposition of this ceiling causes undue hardship in any department, agency, board, or commission, additional positions may be created for that affected unit to the extent that an equal number of positions authorized by the General Assembly for the fiscal year are abolished in that unit or in other units of State government. It is further provided that the limit of 100 does not apply to any position that may be created in conformance with specific manpower statutes that may be enacted by the State or federal government nor to any positions created to implement block grant actions or to implement a program reflecting fundamental changes in federal/State relationships. Notwithstanding anything contained in this section, BPW may authorize additional positions to meet public emergencies resulting from an act of God and violent acts of man that are necessary to protect the health and safety of the people of Maryland.
BPW may authorize the creation of additional positions within the Executive Branch provided that 1.25 contractual full–time equivalents (FTE) are abolished for each regular position authorized and that there be no increase in agency funds in the current budget and the next two subsequent budgets as the result of this action. It is the intent of the General Assembly that priority is given to converting individuals that have been in contractual FTEs for at least 2 years. Any position created by this method may not be counted within the limitation of 100 under this section.

The numerical limitation on the creation of positions by BPW established in this section may not apply to positions entirely supported by funds from federal or other non–State sources so long as both the appointing authority for the position and the Secretary of Budget and Management certify for each position created under this exception that:

1. funds are available from non–State sources for each position established under this exception; and

2. any positions created will be abolished in the event that non–State funds are no longer available.

The Secretary of Budget and Management shall certify and report to the General Assembly by June 30, 2021, the status of positions created with non–State funding sources during fiscal 2018 through 2021 under this provision as remaining, authorized, or abolished due to the discontinuation of funds.

SECTION 31. AND BE IT FURTHER ENACTED, That immediately following the close of fiscal 2020, the Secretary of Budget and Management shall determine the total number of full–time equivalent (FTE) positions that are authorized as of the last day of fiscal 2020 and on the first day of fiscal 2021. Authorized positions shall include all positions authorized by the General Assembly in the personnel detail of the budgets for fiscal 2020 and 2021, including nonbudgetary programs, the Maryland Transportation Authority, the University System of Maryland self–supported activities, and the Maryland Correctional Enterprises.

The Department of Budget and Management shall also prepare a report during fiscal 2021 for the budget committees upon creation of regular FTE positions through Board of Public Works action and upon transfer or abolition of positions. This report shall also be provided as an appendix in the fiscal 2022 Governor’s budget books. It shall note, at the program level:

1. where regular FTE positions have been abolished;

2. where regular FTE positions have been created;

3. from where and to where regular FTE positions have been transferred; and
(4) where any other adjustments have been made.

Provision of contractual FTE information in the same fashion as reported in the appendices of the fiscal 2021 Governor’s budget books shall also be provided.

SECTION 32. AND BE IT FURTHER ENACTED, That no position identification number assigned to a position abolished in this budget may be reassigned to a job or function different from that to which it was assigned when the budget was submitted to the General Assembly. Incumbents in positions abolished may continue State employment in another position.

SECTION 33. AND BE IT FURTHER ENACTED, That the Secretary of Budget and Management shall include as an appendix in the fiscal 2022 Governor’s budget books an accounting of the fiscal 2020 actual, fiscal 2021 working appropriation, and fiscal 2022 estimated revenues and expenditures associated with the employees’ and retirees’ health plan. The data in this report should be consistent with the budget data submitted to the Department of Legislative Services. This accounting shall include:

(1) any health plan receipts received from State agencies, as well as prescription rebates or recoveries, or audit recoveries, and other miscellaneous recoveries;

(2) any health plan receipts received from employees and retirees, broken out by active employees, non–Medicare–eligible retirees, and Medicare–eligible retirees;

(3) any premium, capitated, or claims expenditures paid on behalf of State employees and retirees for any health, mental health, dental, or prescription plan, as well as any administrative costs not covered by these plans, with health, mental health, and prescription drug expenditures broken out by medical payments for active employees, non–Medicare–eligible retirees, and Medicare–eligible retirees, and prescription drug expenditures broken out by active employees, non–Medicare–eligible retirees, and Medicare–eligible retirees; and

(4) any balance remaining and held in reserve for future provider payments.

SECTION 34. AND BE IT FURTHER ENACTED, That $200,000 of the general fund appropriation in the Maryland Department of Planning, $200,000 of the general fund appropriation in the Department of Natural Resources, $200,000 of the general fund appropriation in the Maryland Department of Agriculture, $200,000 of the general fund appropriation in the Maryland Department of the Environment, and $200,000 of the general fund appropriation in the Department of Budget and Management made for the purpose of general operating expenses may not be expended unless the agencies provide a report to the budget committees on Chesapeake Bay restoration spending. The report shall be drafted subject to the concurrence of the Department of Legislative Services (DLS) in terms of both electronic format to be used and data to be included. The report shall include:

(1) fiscal 2020 annual spending by fund, fund source, program, and State
government agency; associated nutrient and sediment reductions; and the impact on living resources and ambient water quality criteria for dissolved oxygen, water clarity, and “chlorophyll a” for the Chesapeake Bay and its tidal tributaries to be submitted electronically in disaggregated form to DLS;

(2) projected fiscal 2021 to 2025 annual spending by fund, fund source, program, and State government agency; associated nutrient and sediment reductions; and the impact on living resources and ambient water quality criteria for dissolved oxygen, water clarity, and “chlorophyll a” for the Chesapeake Bay and its tidal tributaries to be submitted electronically in disaggregated form to DLS;

(3) an overall framework discussing the needed regulations, revenues, laws, and administrative actions and their impacts on individuals, organizations, governments, and businesses by year from fiscal 2020 to 2025 in order to reach the calendar 2025 requirement of having all best management practices in place to meet water quality standards for restoring the Chesapeake Bay, to be both written in narrative form and tabulated in spreadsheet form that is submitted electronically in disaggregated form to DLS;

(4) an analysis of the various options for financing Chesapeake Bay restoration including public–private partnerships, a regional financing authority, nutrient trading, technological developments, and any other policy innovations that would improve the effectiveness of Maryland and other states’ efforts toward Chesapeake Bay restoration;

(5) an analysis on how cost effective the existing State funding sources, such as the Bay Restoration Fund, Chesapeake and Atlantic Coastal Bays 2010 Trust Fund, and Water Quality Revolving Loan Fund among others, are for Chesapeake Bay restoration purposes; and

(6) updated information on the Phase III WIP implementation and how the loads associated with the Conowingo Dam infill, growth of people and animals, and climate change will be addressed.

The report shall be submitted by December 1, 2020, and the budget committees shall have 45 days from the date of the receipt of the report to review and comment. Funds restricted pending the receipt of a report may not be transferred by budget amendment or otherwise to any other purpose and shall revert to the General Fund if the report is not submitted to the budget committees.

SECTION 35. AND BE IT FURTHER ENACTED, That $1,000,000 of the general fund appropriation within the Department of State Police (DSP) may not be expended until DSP submits the Crime in Maryland, 2019 Uniform Crime Report (UCR) to the budget committees. The budget committees shall have 45 days to review and comment following receipt of the report. Funds restricted pending the receipt of the report may not be transferred by budget amendment or otherwise to any other purpose and shall revert to the General Fund if the report is not submitted to the budget committees.
Further provided that, if DSP encounters difficulty obtaining, or validating the accuracy of, the necessary crime data by November 1, 2020, from local jurisdictions who provide the data for inclusion in the UCR, DSP shall notify the Governor’s Office of Crime Prevention, Youth, and Victim Services (GOCPYVS). From each jurisdiction’s third quarterly State Aid for Police Protection (SAPP) disbursement, the office shall withhold a portion, totaling at least 15%, but no more than 50%, of that jurisdiction’s SAPP grant for fiscal 2020 upon receipt of notification from DSP. GOCPYVS shall withhold SAPP funds until such a time that the jurisdiction submits its crime data to DSP and DSP verifies the accuracy of that data. DSP and GOCPYVS shall submit a report to the budget committees indicating any jurisdiction from which crime data was not received by November 1, 2020, and the amount of SAPP funding withheld from each jurisdiction.

SECTION 36. AND BE IT FURTHER ENACTED, That $100,000 of the general fund appropriation within the Department of State Police (DSP) and $100,000 of the general fund appropriation within the Governor’s Office of Crime Prevention, Youth, and Victim Services (GOCPYVS) may not be expended until DSP and GOCPYVS jointly submit a report identifying the role each plays within the Baltimore City Crime Prevention Initiative (BCCPI) to combat violent crime in Baltimore City. This report should specifically provide an update regarding the establishment of the Baltimore Regional Intelligence Center (BRIC). The report should also provide and evaluate measurable performance metrics related to the DSP Strike Force and BRIC, and discuss how they compare to the performance measures detailed in the Joint Report on BCCPI. Finally, this report should discuss all grant awards allocated in fiscal 2020 under this initiative and provide information on the grant recipients and how these funds were used.

The report shall be submitted by September 15, 2020, and the budget committees shall have 45 days from the date of receipt of the report to review and comment. Funds restricted pending the receipt of the report may not be transferred by budget amendment or otherwise to any other purpose and shall revert to the General Fund.

SECTION 37. AND BE IT FURTHER ENACTED, That, effective July 1, 2020, the Governor is authorized to transfer all positions and funding in program D50H01.08 MEMA – Opioid Operational Command Center from the Military Department to the Maryland Department of Health Office of the Secretary, program M00A01.01 Executive Direction.

SECTION 37. AND BE IT FURTHER ENACTED, That $11,136,063 of this appropriation, representing the entirety of the local law enforcement grants to the Baltimore City Police Department and the Baltimore City State’s Attorney’s Office, and $3,000,000 in disparity grants to Baltimore City budgeted within A15O00.01 may not be expended unless the Mayor’s Office of Criminal Justice, in coordination with the Baltimore City State’s Attorney’s Office and the Baltimore Police Department, submit a comprehensive annual crime strategy for the city, which must include specific measurable actions the city will take to address crime, be based on a threat assessment, and include annual crime reduction targets for homicides, nonfatal shootings, violent crime, firearms-related offenses, and property crime. The crime reduction strategy report shall be developed in consultation with the Governor’s Office of Crime Prevention, Youth, and Victim Services (GOCPYVS) and submitted to the Governor and budget committees by
October 15, 2020. By October 15, 2020, and quarterly thereafter, the Mayor’s Office of Criminal Justice shall report on progress made on the crime reduction targets included in the annual crime reduction strategy. Further provided that the Baltimore Police Department enters their warrant information into the National Criminal Information Center (NCIC) / Maryland Telecommunications Enforcement Resources System (METERS).

Further provided that $100,000 in the general fund appropriation to the GOCPYVS Administrative Headquarters may not be expended until GOCPYVS submits a letter commenting on and expressing written approval of the comprehensive annual crime strategy no later than October 15, 2020.

Further provided that $1,000,000 of disparity grant funding to Baltimore City shall remain withheld and shall be disbursed in increments of $250,000 upon the submission of each quarterly report. The budget committees shall have 45 days to review and comment prior to the release of funds. Funds restricted pending the receipt of a report may not be transferred by budget amendment or otherwise to any other purpose and shall revert to the General Fund if the report is not submitted.

SECTION 38. AND BE IT FURTHER ENACTED, That $100,000 of the general fund appropriation in the Department of Human Services (DHS) and $100,000 of the general fund appropriation in the Maryland Department of Health (MDH) made for the purpose of general administration may not be expended until DHS and MDH submit a Memorandum of Understanding (MOU), signed by the secretaries of both agencies, that provides for the sharing of Medicaid data and inclusion of this data in the Life After Welfare report from the University of Maryland School of Social Work beginning with the 2020 report. The signed MOU shall be submitted by July 1, 2020, and the budget committees shall have 45 days to review and comment. Funds restricted pending the receipt of the MOU may not be transferred by budget amendment or otherwise to any other purpose and shall revert to the General Fund if the MOU is not submitted to the budget committees.

SECTION 39. AND BE IT FURTHER ENACTED, That $100,000 of the general fund appropriation made for the purpose of administrative expenses in program N00G00.03 Child Welfare Services and $100,000 of the general fund appropriation made for the purpose of administrative expenses in program M00L01.01 Program Direction may not be expended until the Department of Human Services (DHS) and Maryland Department of Health (MDH) submit a report that:

(1) details how many additional licensed placement beds are needed to ensure that no child who requires placement in a psychiatric unit of a hospital, other hospital placement, residential child care program, or residential treatment center due to conditions meeting statutory criteria of psychiatric need, neurocognitive disorder, or other comparable condition is faced with the lack of suitable placement after being in a hospital emergency room for 30 or more hours for both youth in the custody of DHS and all youth in need of placement;

(2) develops a plan to increase capacity to meet the number of beds needed
by placement type, including a timeline for creation of sufficient space;

(3) provides information on the number of additional placement beds created by type of placement since January 1, 2020;

(4) provides options for other treatment models that allow youth to remain in a family setting while receiving treatment;

B. (1) Whenever it is deemed necessary by the **METROPOLITAN** Commission to take or acquire any land, structure or buildings, or any streambed, waterway, water rights or watershed, either in fee or as an easement, within or outside of St. Mary’s County, for the construction, extension or maintenance of any water main, sewer or appurtenance thereof, or any sewage treatment plant, reservoir, water treatment plant, storage tank or pumping station, or for the execution by the **METROPOLITAN** Commission of any other power or function vested in it by this chapter, the **METROPOLITAN** Commission may purchase it from the owners or, failing to agree with the owner or owners thereof, may condemn it by proceedings in the Circuit Court for the county in which the land, structures or buildings, streambed, waterway, water rights or watershed is located, as are provided for condemnation of land by public service corporations in the Public General Laws of Maryland.
(2) The METROPOLITAN Commission may likewise condemn the interest of any tenant, lessee or other person having any right or interest in the land, structures or buildings, streambed, waterway, water rights or watershed. At any time after ten (10) days after the return and recordation of the verdict or award in the proceedings, the METROPOLITAN Commission may enter and take possession of the property so condemned, upon first paying to the Clerk of the Court the amount of the award and all costs taxed to that date, notwithstanding any appeal or further proceedings upon the part of the defendant. At the time of payment, however, the METROPOLITAN Commission shall give its corporate undertaking to abide by and fulfill any judgment in such appeal or further proceedings.

C. When the METROPOLITAN Commission plans to borrow any money, the [Board of County] Commissioners of St. Mary’s County shall review and approve any loan application before the METROPOLITAN Commission submits the loan application to a lender.

A. St. Mary’s County is divided into the following ten (10) sanitary districts in accordance with the resolution adopted by the [Board of County] Commissioners of St. Mary’s County on September 14, 1972, recorded in Liber No. 1, page 189, entitled “County Commissioner Resolutions,” as set forth on a plat of St. Mary’s County showing the sanitary district lines, which plat was recorded among the land records of St. Mary’s County, Maryland, in Plat Book D.B.K. No. 10, Folio 43, on April 26, 1973. The resolution of the [Board of County] Commissioners OF ST. MARY’S COUNTY adopted and approved a resolution of the [St. Mary’s County] Metropolitan Commission duly adopted on August 16, 1972. The sanitary districts are also set forth on a plat of St. Mary’s County showing the same sanitary district lines and recorded among the land records of St. Mary’s County, Maryland, in Plat Book D.B.K. No. 10, Folio 42A, on February 4, 1976. The plat recorded on April 26, 1973, identifies the sanitary districts by reference to the sewage treatment plants (S.T.P.) serving the sanitary districts (e.g., Luckland S.T.P.); the plat recorded on February 4, 1976, and other plats recorded from time to time in connection with the St. Mary’s County Water and Sewerage Plan identify the sanitary districts by the names set forth in this section.

(1) Luckland Run Sanitary District No. 1.

(2) Dukehart Creek Sanitary District No. 2.

(3) Leonardtown Sanitary District No. 3.

(4) Flood Creek Sanitary District No. 4.

(5) Piney Point Sanitary District No. 5.

(6) Lake Conoy Sanitary District No. 6.
(7) Carroll Pond Sanitary District No. 7.

(8) Pine Hill Run Sanitary District No. 8.

(9) Manor Run Sanitary District No. 9.

(10) Indian Creek Sanitary District No. 10.

B. The creation of the sanitary districts is adopted, approved, ratified and confirmed. The sanitary districts are designated and constituted for the purpose of this chapter to be separate sanitary districts and are subject to all of the provisions of this chapter.

C. The Mattapany Sanitary District, previously created and described in Chapter 342 of the Laws of 1967, was enlarged to include all that portion of St. Mary’s County designated as the Pine Hill Run Sanitary District No. 8 and was and is now to be known as the “Pine Hill Run Sanitary District No. 8.”

D. If the service conditions of any system in a sanitary district are substantially different than conditions of other systems in the district, the [St. Mary’s County] Metropolitan Commission, by resolution, may divide the district into subdistricts. Service conditions include financial aspects of instituting and maintaining service.

[113–4. Sanitary district boundary lines.]

E. The sanitary district boundary lines of any sanitary district may be changed by the adoption by the METROPOLITAN Commission of a resolution which shall refer to a plat of St. Mary’s County upon which the revised sanitary district lines are shown clearly and which sets forth findings that the change in the boundary lines of any sanitary district is necessary or desirable for the public health, safety and welfare of the residents within the revised sanitary districts and the revised sanitary districts are feasible from an engineering and financial standpoint. The resolution is not legally effective until it is approved by the [County] Commissioners of St. Mary’s County after public hearing held following not less than ten (10) days’ notice in one (1) or more newspapers having a general circulation in St. Mary’s County and until a copy of the resolution and plat is recorded among the land records of St. Mary’s County. Upon approval by the [County] Commissioners of St. Mary’s County and filing of the plat and resolution as provided in this subsection, the revised sanitary districts are designated and constituted for the purpose of this chapter to be separate sanitary districts, and are subject to all the provisions of this chapter. The filing of the plat and resolution constitutes legal notice to the public of the action of the METROPOLITAN Commission and the [County] Commissioners of ST. MARY’S COUNTY.

113–5. New facilities; studies; plans.
A. (1) The **METROPOLITAN** Commission shall cause studies, plans and estimates to be made for water supply and sewerage systems in those portions of St. Mary’s County in which the **METROPOLITAN** Commission determines that the facilities are necessary and may divide each sanitary district into water and sewerage districts in such a way as shall, in its judgment, best serve the needs of the various communities and shall promote convenience and economy of installation and operation.

(2) (A) Whenever, and as, the studies and plans are completed, the **METROPOLITAN** Commission shall give notice by publication in one (1) newspaper published within [the] ST. MARY’S County for three (3) weeks.

(B) The **METROPOLITAN** Commission shall state in the notice the probable cost of the contemplated improvements and shall further state in it that plans of the improvements may be inspected at the **METROPOLITAN** Commission’s Office and that any person interested in the improvements will be heard by the **METROPOLITAN** Commission at a time to be specified in the notice, but not less than ten (10) days after first publication of it.

(3) (A) If ten (10) residents and landowners in the sanitary district in which the improvements are contemplated, within ten (10) days after the last of the publications of the notice, file a petition with the **METROPOLITAN** Commission protesting against the proposed improvements, the **METROPOLITAN** Commission shall grant them a hearing within fifteen (15) days after the petition is filed in the office of the **METROPOLITAN** Commission and after not less than five (5) days’ notice of the time and place of the hearing by advertisement published in one (1) newspaper published within [the] ST. MARY’S County and by personal notices addressed to any one (1) or more persons whose names are signed to the petition.

(B) After due hearing, the **METROPOLITAN** Commission shall decide upon the reasonableness of the objections stated in the petition and shall dispose of them by written order concurred in by a majority of the [Commissioners] **MEMBERS OF THE METROPOLITAN COMMISSION BOARD**. The order shall be published in the same manner as notices are required to be published, and a copy of which shall be mailed to any one (1) or more of the petitioners.

(C) If the petitioners are not satisfied with the **METROPOLITAN** Commission’s decision, they have the right to take and enter, within ten (10) days after the last publication of the order, an appeal to the [County] Commissioners of St. Mary’s County, who shall review the **METROPOLITAN** Commission’s decision and decide on the necessity and propriety of the improvements contemplated. The decision of the [County] Commissioners of ST. MARY’S COUNTY is final.

B. For the purpose of providing for the studies, plans, organization and any other expenses or costs of any water or sewerage facilities, the [County] Commissioners of ST. MARY’S COUNTY may furnish the **METROPOLITAN** Commission from time to time any
sum that the [County] Commissioners of St. Mary’s County deem proper, all of which shall be repaid out of the next bond issue, if any. If the [County] Commissioners of St. Mary’s County do not expect bonds to be issued within two (2) years of the date on which the sum is furnished to the Metropolitan Commission, the [County] Commissioners of St. Mary’s County may waive repayment of the advances. The authority for advances granted by this subsection is in addition to other advances authorized by this chapter.

C. (1) For the purposes of carrying out the provisions of subsection A. of this section, after bona fide efforts to notify the owner and occupant, an agent or employee of the Metropolitan Commission may enter on any private land to make test borings and soil tests and obtain information related to the tests for the purpose of determining soil characteristics and suitability of the surface and subsurface of the land for the installation of public water supply or sewerage systems.

(2) If an agent or employee is refused permission to enter or remain on private land for the purposes authorized by subsection C.(1), the Metropolitan Commission may apply to the St. Mary’s County Circuit Court for an order directing that its agent or employee be permitted to enter and remain on the land to the extent necessary to carry out the purposes authorized by this subsection. The court may require that the Metropolitan Commission post a bond in an amount sufficient to reimburse any person for damages reasonably estimated to be caused by test borings, soil tests and related activities.

(3) If any person enters on any private land under the authority of this subsection or of any court order passed pursuant to it and damages or destroys any land or personal property on it, the owner of the property has a cause of action for damages against the Metropolitan Commission.

(4) Any person who knows of an order issued under this subsection and who obstructs any agent or employee acting under the authority of the order may be punished for contempt of court.

A. (1) For the purpose of providing funds for the design, construction, establishment, purchase or condemnation of water supply and sewerage systems in any of the sanitary districts, the Metropolitan Commission, upon the approval of the Commissioners of St. Mary’s County and in accordance with § 27–11 of the Code of St. Mary’s County, Maryland, is authorized and empowered to incur debt, from time to time, upon the full faith and credit of St. Mary’s County, in such amounts as it may deem to be necessary to carry on its work, but at no time shall the total debt outstanding for all purposes under this chapter exceed twenty-five (25) percent of the total value of the property assessed for County taxation purposes within all of the sanitary districts in which public water or sewer facilities are located.
Subject to the conditions contained herein, the form, tenor, manner and all other matters relating to the incurrence of debt, including but not limited to the issuance of bonds under this chapter, shall be prescribed in a resolution to be adopted by the [St. Mary's County] Metropolitan Commission prior to incurring additional debt.

Except as provided in § 27–11 of the Code of St. Mary’s County, Maryland, the issuance of bonds may not be subject to any limitations or conditions contained in any other law, and the Metropolitan Commission may incur debt in such manner and for such price as it may determine to be for the best interests of the Metropolitan Commission as approved by the Commissioners of St. Mary’s County.

Any bonds issued shall be serial bonds issued upon the serial maturing plan and in such denominations as shall be determined by the Metropolitan Commission.

Any debt incurred by the Metropolitan Commission may be prepaid or redeemable before maturity, as permitted by the debt instrument, at the option of the Metropolitan Commission at such price and under such terms and conditions as may be fixed by the Metropolitan Commission prior to the incurrence of debt. Any related interest owed shall be at such rate or rates payable not less than semiannually, as shall be determined by a resolution of the [St. Mary's County] Metropolitan Commission adopted prior to the incurrence of debt.

All debt incurred by the Metropolitan Commission shall mature in not more than forty (40) years after date of issue and shall be forever exempt from State, City and County taxation as hereinafter provided.

All debt instruments and related documentation to evidence any indebtedness shall be issued under the signature and seal of the Metropolitan Commission and shall be unconditionally guaranteed as to payment of both principal and interest by the Commissioners of St. Mary’s County, a political subdivision of the State of Maryland, which guaranty shall be endorsed on any such debt as may be issued in the following language: “The payment of interest when due and the principal at maturity is guaranteed by the Commissioners of St. Mary’s County, Maryland.” Such endorsement shall be signed on any bonds issued by the Commissioners of St. Mary’s County within ten (10) days after any bonds are presented by the Metropolitan Commission for such endorsement.

The principal amount of any Metropolitan Commission debt as permitted hereunder, the interest payable thereon, and any income derived therefrom, including any profit made by the Metropolitan Commission in the sale or transfer thereof, shall be and remain exempt from taxation by the State of Maryland and by the several counties and municipal corporations of this State.

Same; levy of taxes; penalty.
A. (1) For the purpose of retiring the debt authorized by this chapter and paying the interest thereon, the METROPOLITAN Commission, by and through the Commissioners of St. Mary’s County, shall cause to be levied, against all assessable property within the sanitary districts in which public water or sewer facilities are located, so long as any of the debt is outstanding and not paid, an annual tax sufficient to provide the sum which the METROPOLITAN Commission may deem sufficient and necessary, in conjunction with any amounts as the METROPOLITAN Commission may estimate that it will be able to collect out of the System Improvement Charges, Capital Contribution Charges, and charges levied by it but not yet paid and any further funds then available for the purpose, to meet the periodic principal and interest payments on the debt as they become due.

(2) The tax shall be determined, levied, collected and paid over in the manner following, that is to say: the METROPOLITAN Commission shall determine the amount which it deems necessary to be raised during the ensuing year for the payment of principal and interest on all outstanding debt, after deducting all amounts in hand, or reasonably expected to be received, applicable to payments of the principal and interest on the debt outstanding; as hereinbefore and hereinafter in the chapter provided, it shall determine the number of cents per one hundred dollars ($100.00) necessary to raise the amount needed and shall certify same to the Commissioners of St. Mary’s County.

(3) The Commissioners of St. Mary’s County in their next annual levy shall levy the tax on all land and improvements and all other property assessed for County tax purposes within the sanitary districts in which public water or sewer facilities are located, which tax shall be levied and collected and have the same priority rights, bear the same interest and penalties and in every respect be treated the same as County taxes. The tax so levied for the ensuing year shall be collected by the tax collecting authorities, and every one hundred twenty (120) days they shall remit the whole amount of the tax so collected to the METROPOLITAN Commission.

(4) From the money so received, together with the amount in hand to the credit of fund or funds for the payment of the principal and interest on the outstanding debt, the METROPOLITAN Commission shall first pay all of the principal and interest on the outstanding debt as it becomes due and shall then deposit the residue of the monies in some insured banks or other financial institutions to the joint credit of the Commissioners of St. Mary’s County and the METROPOLITAN Commission.

(5) Nothing contained in this section or in this chapter shall be construed as in any manner relieving the Commissioners of St. Mary’s County of its unconditional pledge of its full faith and credit and unlimited taxing power to the payment of principal and interest on any outstanding debt of the METROPOLITAN Commission pursuant to Section 161 Section 161.

B. In each year in which any debt is outstanding and unpaid, the Commissioners of St. Mary’s County shall levy and collect a tax upon all property subject to assessment for
taxation by St. Mary’s County in rate and amount sufficient to provide an amount, if any be necessary, which, together with any other amounts lawfully available and applied for the purpose, shall be sufficient to provide for the payment of the principal and interest on all such outstanding debt when the debt becomes due and payable.

C. Penalty. In order that the prompt payment of principal and interest on all outstanding debt shall be assured, the prompt and proper performance of the respective acts and duties heretofore defined is specifically enjoined, and any failure upon the part of any person, persons, body corporate or agent to perform the necessary acts and duties hereafter set forth to pay over the funds as required, or to use the funds for the payment of the principal and interest on the outstanding debt, is hereby declared a misdemeanor and punishable as other misdemeanors are punishable by Section 176.

A. Whenever the studies and plans for water supply or sewerage systems for any sanitary district shall have been completed and the METROPOLITAN Commission shall have decided, after opportunity for a hearing has been given, to proceed with the construction thereof, it shall advertise, by notice in one (1) newspaper of general circulation published in St. Mary’s County or such newspapers or other forms of print or electronic media or press as it may deem proper, for bids for the construction of said system or systems, in part or as a whole, as in its judgment may appear advisable.

B. The contract shall be let to the lowest responsible, responsive bidder providing the best value to the METROPOLITAN Commission or the METROPOLITAN Commission may reject any and all bids, and if, in its discretion, the prices quoted are unreasonable or unbalanced, it may readvertise the work or any part of it, or may do or cause to be done any part or all of the work by the competitive procurement of goods, materials, or services in accordance with a procurement policy as duly adopted and amended from time to time by the METROPOLITAN Commission.

C. All such contracts shall be protected by such bonds, penalties and conditions as the METROPOLITAN Commission may require, all of which shall be enforced in any court having jurisdiction.

A. The METROPOLITAN Commission may offer connection incentive programs and other financing mechanisms to assist owners of existing residential properties currently served by septic and/or well systems, with all or a portion of the costs of connecting to available public sewer and water systems within planned service areas as designated and defined by the St. Mary’s County Comprehensive Water and Sewerage Plan.

B. (1) For extensions, expansions and upgrades of water or sewerage systems to existing residential properties IN ANY OF THE SANITARY DISTRICTS, the
METROPOLITAN Commission may, upon a voluntary petition from the property owners to be benefited AND SUBJECT TO THE APPROVAL OF THE COMMISSIONERS OF ST. MARY'S COUNTY, approve special benefit assessment charges or service extension fees for the repayment of costs associated with the:

[(i)] (A) design,
[(ii)] (B) permitting,
[(iii)] (C) land acquisition,
[(iv)] (D) materials testing,
[(v)] (E) inspections, or
[(vi)] (F) construction of such extension, expansion or upgrade[, in any of the sanitary districts, subject to the approval of the Commissioners of St. Mary’s County].

(2) (A) In the exercise of the powers granted by this subsection, the METROPOLITAN Commission, by proper procedure, may adopt all necessary rules and conditions for the acceptance, construction and maintenance of the proposed improvements.

(B) The procedure shall provide for the method of determination of the special benefit assessment charges or service extension fees levied against the properties benefitting from the improvements for the purpose of reimbursing the METROPOLITAN Commission for the costs of the improvements and the time and manner of payment, but not to exceed twenty (20) years.

(3) Special benefit assessment charges or service extension fees are a first lien upon the property against which they are assessed, until paid, subject only to prior State and county taxes, and if any property is sold for State and county taxes and there remains a surplus, the METROPOLITAN Commission may petition the circuit court to secure payment of the lien.

C. Any financing programs, incentives or mechanisms shall be subject to the availability of funds and may vary based upon location, financial eligibility or other qualifying criteria, as established and approved by the METROPOLITAN Commission.

A. (1) The METROPOLITAN Commission may provide, for property abutting upon a street or right–of–way in which under this chapter a water main or sewer is laid, a water service pipe or sewer connection. The water service pipe or sewer connection shall be extended as required, from the water main or sewer to the property line of the abutting lot.
(2) The service pipe or connection with sewer shall be constructed by and at the sole expense of the Metropolitan Commission, but subject to a reasonable charge for the connection as provided in § 113–12 of this chapter. This charge shall be paid by all property owners at the office of the Metropolitan Commission before the actual connection with any pipe or private property is made or by the property owner under such reasonable conditions and charges as are deemed appropriate by the Metropolitan Commission. The method of construction and payment shall be determined by the Metropolitan Commission.

(3) When any water main or sewer is declared by the Metropolitan Commission complete and ready for the delivery of water or the reception of sewage, every abutting property owner for whom a water or sewer connection has been provided may make an application for connection of all spigots or hydrants, toilets and waste drains with the water main or sewer in accordance with the St. Mary’s County Comprehensive Water and Sewerage Plan, St. Mary’s County Subdivision Regulations, and the St. Mary’s County Comprehensive Zoning Ordinance. Where connections are proposed, those fixtures which do not exist or are of a nature which, in the judgment of the Metropolitan Commission, is improper or inadequate, satisfactory equipment shall be installed by the owner on the premises. The premises shall include at least one (1) water closet and one (1) sink or washbasin, both of which shall be properly connected with the sewer of the Metropolitan Commission. Where connections are proposed, all cesspools/septic systems, sink drains and privies located on properties connected to sewers provided by the Metropolitan Commission shall be abandoned, closed and left in a sanitary condition so that no odor or nuisance shall arise from them.

B. If the private water or sewage disposal system of a property abutting upon a street or right-of-way in which a water main or sewer is laid fails to comply with State regulations, as determined by the appropriate federal, State or county regulatory authority, connection to the water main or sewer shall be immediately required, subject to the availability of equivalent dwelling units.

113–11. Permits and regulations of use.

A. Permits. Before any plumbing, waterworks or sewer construction is done upon any property within any area served by a public water or sewer system in any sanitary district, whether or not owned or operated by the Metropolitan Commission, the person, firm or corporation doing the construction shall first obtain a permit from the Metropolitan Commission and pay whatever reasonable sum the Metropolitan Commission prescribes. The work shall be done under and pursuant to the rules, regulations and requirements, if any, that the Metropolitan Commission formulates and subject to any inspections which it deems necessary. Connection of any kind may not be made with any public water main or sewer without a permit. Any connection permitted
by the METROPOLITAN Commission shall be done under conditions that the METROPOLITAN Commission authorizes.

B. Control of usage. To eliminate leakage, loss of water or improper use of waterlines or sewers the METROPOLITAN Commission or its agents or employees may require changes in all plumbing, waterworks or water or sewer connections which it deems necessary. The METROPOLITAN Commission shall exercise control of the water supply at all times. In case of a shortage of water or if, for any other reason, the METROPOLITAN Commission, in the exercise of its discretion, determines that the water supply should be conserved, the consumers, upon notice from the METROPOLITAN Commission, its agents or employees, or upon notice published in one (1) newspaper published in the county for one (1) insertion, shall comply with any order passed by the METROPOLITAN Commission to conserve the water supply. Any violation of the order is a misdemeanor punishable under § 113–21 of this chapter. In addition to the penalty prescribed, the METROPOLITAN Commission may turn off the water supply of any person violating the order at any time without further notice.

C. Private installations. A private or semipublic water supply or sewerage installation, intended for use of two (2) or more buildings or premises, may not be constructed in any sanitary district without the person, firm or corporation doing the work having first obtained a permit from the METROPOLITAN Commission and paid a reasonable charge for it. The plant shall then be installed, maintained and operated under rules and regulations, if any, which the METROPOLITAN Commission requires or devises. Private systems and additions to existing private systems constructed after May 31, 1976, as a condition of the permit may be required to be dedicated to the METROPOLITAN Commission at a time as, in the judgment of the METROPOLITAN Commission, public ownership of the systems and the additions is deemed to be in the best interest of the county.

D. Hydrants. The METROPOLITAN Commission shall have full and complete jurisdiction over all fire hydrants connected with any of its water systems, and a person, firm or corporation may not operate, use or make connection with them without the written authority of the METROPOLITAN Commission. These restrictions do not apply to any bona fide fire department in the discharge of its duties. A person, firm or corporation may not tamper with, deface, damage or obstruct any fire hydrant.

E. Meters and valves. The METROPOLITAN Commission shall have full and complete jurisdiction over all meters and valves connected with any of its systems, and a person, firm, or corporation may not tamper with, attempt to bypass, or modify them without the written authority of the METROPOLITAN Commission. These restrictions do not apply to any bona fide fire department in the discharge of its duties. A person, firm, or corporation may not deface, damage or obstruct any sewer or water meter.

F. OTHER APPURtenANCES. THE METROPOLITAN COMMISSION SHALL HAVE FULL AND COMPLETE JURISDICTION OVER ALL OTHER APPURtenANCES WITH
ANY OF ITS SYSTEMS, INCLUDING BUT NOT LIMITED TO GRINDER PUMPS, GRAVITY SEWERS, FORCE MAINS, MANHOLES, AND CLEANOUTS.

G. Penalties. Any violation of any of the provisions of this section is a misdemeanor punishable under Section 176.

113–12. Connection charges.

A. [(1) In this section, the following words have the meanings indicated:]

(2) CAPITAL CONTRIBUTION CHARGE means an amount based on capital costs that is imposed and collected on a new connection to a water supply or sewerage system under this chapter.

(3) CONNECTION CHARGE means a Capital Contribution Charge or connection fee.

(4) CONNECTION FEE means an amount based on the cost of connection that is imposed on a new connection to a water supply or sewerage system under this chapter.

(5) EDU means an equivalent dwelling unit.

(6) PUBLICATION means notice to all persons having any interest in the property.

B. (1) For every new water or sewer connection made under this chapter, the METROPOLITAN Commission may, in its sole discretion, impose and collect a reasonable connection fee, that is not less than the actual cost of connection.

(2) The connection fee shall be uniform for connections of those sizes and classes for which average costs reasonably may be ascertainable, and for all other connections, the connection fee shall be an amount not less than the actual cost of the connection.

(3) The METROPOLITAN Commission may revise the connection fee annually.

(4) Connection fees collected by the METROPOLITAN Commission shall be applied to paying the actual cost of the connections.

(5) The connection fee shall be due and payable to the METROPOLITAN Commission at the time the property owner makes an application or is otherwise required to connect to a water main or sewer.
(6) If the property owner fails to make the connection by the time required by the METROPOLITAN Commission as set forth in section 113–10 of this chapter, the connection fee shall become due and payable on the connection deadline date, shall be assessed immediately, and shall be subject to the rules of collection provided in subsection [D.] C. of this section.

[C.] B. (1) In addition to the connection fee, the METROPOLITAN Commission shall impose and collect a Capital Contribution Charge for each new connection to a water supply or sewerage system under this chapter.

(2) The Capital Contribution Charges collected shall be used by the METROPOLITAN Commission to pay:

(A) The capital costs of construction of new water supply or sewer collection systems, to the extent that the projects are identified in the METROPOLITAN Commission’s [six–year capital improvement plan] 5–YEAR CAPITAL IMPROVEMENT PLAN AND ANNUAL CAPITAL IMPROVEMENT BUDGET;

(B) The capital cost of central treatment facility capacity expansion, as the projects are identified in the METROPOLITAN Commission’s [six–year capital improvement plan] 5–YEAR CAPITAL IMPROVEMENT PLAN AND ANNUAL CAPITAL IMPROVEMENT BUDGET;

(C) Existing bonds issued as of October 1, 2007, to fund the costs of central treatment facility capacity expansions, but limited to, that portion of existing debt corresponding to any unallocated capacity that exists on October 1, 2007; and

(D) Existing bonds issued as of October 1, 2007, to fund the costs of constructing water supply or sewer collection systems, but limited to, that portion of existing debt corresponding to any unallocated capacity that exists on October 1, 2007.

(3) (A) The Capital Contribution Charge shall be a uniform charge assessed equally to properties of similar classification throughout all sanitary districts. There shall be a uniform rate applicable to residential properties and a uniform rate applicable to commercial properties. The METROPOLITAN Commission may create additional uniform rates for other property classifications that the METROPOLITAN Commission considers necessary and appropriate.

(B) The METROPOLITAN Commission may revise the Capital Contribution Charge annually.

(C) The Capital Contribution Charge shall be due and payable in full to the METROPOLITAN Commission:

(i) At the time a property owner makes an application for connection;
(ii) At the time a property is connected to a water main or sewer; or

(iii) As of the date the property is sold or transferred if the Capital Contribution Charge is subject to section 113–9 of this chapter.

(D) If a Capital Contribution Charge is not paid in full at the time of application for connection and is not subject to section 113–9 of this chapter:

(i) The property owner must pay the Metropolitan Commission an amount equal to not less than 50% of the total Capital Contribution Charge at the time of application for connection; and

(ii) The property owner must pay the Metropolitan Commission the total remaining portion of the Capital Contribution Charge upon connection to a water main or sewer or upon sale or transfer of the property.

[e] (E) If a connection is not made to a water main or sewer within six (6) years of the date of application for connection, the property owners shall pay the Metropolitan Commission, at the time of connection, an amount equal to the difference between:

[(a)] (I) the amount which the property owner has paid toward the Capital Contribution Charge and

[(b)] (II) the Capital Contribution Charge rate in effect at the time of connection.

(4) For purposes of determining the Capital Contribution Charge, the capital costs referred to in paragraphs (A) and (B) of this subsection shall include the principal of, interest on, and any redemption premium or other costs with respect to any bonds of the Metropolitan Commission issued after October 1, 2007.

(5) (A) When bonds have not been issued at the time the Capital Contribution Charge is calculated, the Metropolitan Commission may, in calculating the Capital Contribution Charge, establish a schedule for the principal of, interest on, and other costs of bonds the Metropolitan Commission plans to issue.

(B) The schedule and related Capital Contribution Charge provided in subparagraph (A) of this paragraph may be adjusted by the Metropolitan Commission when planned future bonds are issued.

[D.] C. (1) The connection charges set forth in subsections (A) and (B) of this section shall be payable at the Office of the Metropolitan Commission at a time that is determined by the Metropolitan Commission.
(2) If any connection charges remain unpaid for a period of thirty (30) days after the payment is due, in addition to any other charges, the Metropolitan Commission may impose a late charge not to exceed one and one-half (1 1/2) percent per month until all delinquent charges are paid.

(3) If all or any part of a connection charge remains unpaid after thirty (30) days after the due date of payment, the entire unpaid connection charge shall be overdue and in default, at which time the Metropolitan Commission may proceed to enforce payment.

(4) Any statute of limitations to the contrary notwithstanding, and subject only to prior State and County taxes, the connection charge shall be a first lien on the property against which it is assessed until paid.

(5) For purposes of collection:

(A) The connection charges shall be treated as County taxes and be advertised in the same manner as and with County taxes;

(B) [All] unless the Metropolitan Commission commences a third-party court action seeking to recover the connection charges, all property subject to the connection charges shall be sold for the connection charges at the same time and in the same manner as the properties are sold for County taxes; and

(C) Applicable laws relating to the collection of County taxes shall relate to the collection of the connection charges.

(6) Property redeemed from a County tax sale and property sold by the [County] Commissioners of St. Mary’s County after a final tax sale may not be redeemed or sold until the connection charges due on it are paid.

(7) To give notice to the general public of existing liens and charges against any property within any sanitary district abutting on any water or sewer main, the Metropolitan Commission shall keep a public record of all names of owners of property, locations of the property, lot numbers when of record, and the amount of the connection charges or other charges that may become liens.

(8) The records shall be kept in the land records of St. Mary’s County, and the Clerk of the Circuit Court for [the] St. Mary’s County shall furnish space necessary to keep and preserve the records, that, when recorded in the public record, are legal notice of all existing liens within any sanitary district.

(9) If any liens, connection charges, or other charges remain unpaid for thirty (30) days after becoming overdue, they may be collected by an action to enforce the
liens, and any judgment or decree obtained shall have the force and effect of a judgment in personam.

(10) The **METROPOLITAN** Commission may file an action to enforce the liens against the owner of record at the time the levy was made, or the owner of record at the time the suit is filed, or any owner of record between these dates.

[(11) Notwithstanding any other law, the Commission shall establish a procedure by which the owner of a residential property, that is also the primary residence of the owner subject to the connection charges, may apply for a waiver or an extension of time to pay the charges because of the financial hardship of the owner, including a method by which the owner may appeal the decision of the Commission to the Board of County Commissioners, or an entity designated by the Board of County Commissioners.]

In addition to any other powers and penalties contained in this chapter, the **METROPOLITAN** Commission may discontinue water and sewer service for nonpayment of any service, connection, inspection, benefit or any other charge if not paid within thirty (30) days of the due date. In addition to payment of the bill, the **METROPOLITAN** Commission shall collect a turn–off and turn–on charge before resuming service.

A. For the purpose of providing funds for maintaining, repairing and operating its water supply and sewerage systems, for line extensions of them, for its administrative and other expenses, including proper depreciation allowances, if any, and for interest on and the retirement of bonds as specified in this chapter, the **METROPOLITAN** Commission may make service rates, as it deems necessary, on water lines and sewers chargeable against all properties having a connection with any water pipe or sewer pipe under its supervision or ownership. The service rates may include any State or Federally mandated fees or charges. The rate for both water and sewer service shall be uniform throughout a sanitary district, subject to changes that the **METROPOLITAN** Commission considers necessary. Beginning on July 1, 1993, the rate for both water and sewer service shall be uniform throughout all sanitary districts, subject to changes that the **METROPOLITAN** Commission considers necessary. [However, where the Commission provides service to property in an area in which it is economically not feasible to provide service at the uniform rate because of the distance of the area from the principal facilities of the Commission, the Commission may classify the property as a remote area and may impose an additional service charge to meet the additional cost of providing service to the property.] The **METROPOLITAN** Commission may collect a reasonable deposit in advance of furnishing water or sewerage service. The **METROPOLITAN** Commission shall begin the assessment of water and sewer service rates either at the time of the connection of all spigots or hydrants, toilets, and waste drains to a water main or sewer or on the expiration of the deadline for connection as required by the **METROPOLITAN** Commission in accordance with section 113–10 of this article, whichever occurs first.
B. Where the Metropolitan Commission provides service to property in an area in which it is economically not feasible to provide service at the uniform rate because of the distance of the area from the principal facilities of the Metropolitan Commission, the Metropolitan Commission may classify the property as a remote area and may impose an additional service charge to meet the additional cost of providing service to the property.

[B.] C. The sewer service rates shall be reasonable and shall be charged to all properties being served in a given sanitary district.

[C.] D. Water Service Charges. The water service charge shall consist of:

1. a [minimum or ready–to–serve] Ready–to–Serve charge, which shall be the minimum charge assessed for water service and calculated based upon the size of the meter on the water connection leading to the property[.]; and

2. a charge for water used, which shall be calculated based upon the amount of water passing through the meter in excess of any water included in the [minimum or ready–to–serve] Ready–to–Serve charge during the period between the last two (2) readings. The meter shall be placed on water connections as determined by the Metropolitan Commission. If the Metropolitan Commission at any time determines not to have meters installed in all the properties in a given sanitary district that are connected to the system, then a reasonable flat rate, as determined by the Metropolitan Commission, shall be charged to all properties in which meters have not been installed. This rate shall be uniform within a sanitary district.

[D. Notwithstanding subsections B and C of this Section, any property owned by either a regularly organized volunteer Fire Department or a volunteer Rescue Squad is exempt from the imposition of a water or sewer service charge while used for public purposes.]

E. Billing. Bills for the amount of the charges shall be sent monthly, quarterly or semiannually, as the Metropolitan Commission determines, to the owner of each property served and are then payable at the Office of the Metropolitan Commission. If any bill remains unpaid after thirty (30) days from the due date or dates specified in it, the bill is overdue and the Metropolitan Commission may begin collection proceedings. At the request of the owner, bills for services may be sent, at the discretion of the Metropolitan Commission, to persons or entities other than the owner, provided that the owner states in his request that any bill so mailed will be considered as notice to him as if it were mailed to the owner in accordance with above.
F. **PAST DUE BILLS.** When a bill is overdue and after written notice is left upon the premises or mailed to the last known address of the owner, the METROPOLITAN Commission shall turn off the water or sewer, if possible, from the property in question. The water or sewer service may not be resumed until the bill or bills, and a charge as determined by the METROPOLITAN Commission to cover costs incurred to turn off and to turn on the water or sewer service, have been paid.

G. If any charges remain unpaid for a period of thirty (30) days after the due date for payment, a late charge at a rate not to exceed one and five-tenths (1 5/10) percent per month may be made by the METROPOLITAN Commission until all delinquent charges are paid, the late charge to be in addition to all other charges.

H. **(1)** If any bill shall remain unpaid for thirty (30) days after the due date, it shall be collectible from the owner of the property served in the same manner as other debts are collectible in the County. The service charges and all penalties and late charges shall be a first lien against the property, and the same procedures as set forth in section [113–12.D.] 113–12.C. of this chapter shall be followed by the METROPOLITAN Commission in collecting those debts.

[2] Notwithstanding any other law, the Commission shall establish a procedure by which the owner of a residential property, that is also the primary residence of the owner subject to the connection charges, may apply for a waiver or an extension of time to pay the charges because of the financial hardship of the owner, including a method by which the owner may appeal the decision of the Commission to the Board of County Commissioners, or an entity designated by the Board of County Commissioners.

113–15. Connections with other systems.

The METROPOLITAN Commission shall have full power and, authority to enter into any contract for the connection of its water supply or sewerage system or any part thereof with any publicly or privately owned system for the purchase or sale of water and for the collection, treatment and disposal of sewerage, and to enter into any other agreement concerning any other matter and on such terms deemed by the METROPOLITAN Commission to be necessary, advisable or expedient for the proper construction, maintenance and operation of the water supply or sewerage systems under its control or those under the control of any public or private body.

113–16. Other systems; acquisition, general.

A. Purchase. Whenever the METROPOLITAN Commission considers it advisable and proper for the adequate provision of water or sewer service in any sanitary district to assume ownership of privately owned water or sewerage systems, it may purchase them upon such terms and conditions as may be agreed upon but shall have no right of condemnation with respect thereto, but before any part of the purchase price is paid, other than a nominal sum of money to bind the agreement, it shall be the duty of the vendor or agent to furnish a statement to the METROPOLITAN Commission setting forth all names
and addresses of persons having any interest or claims against the property whatsoever, which shall be verified by an oath in writing. Thereupon it shall be the duty of the Metropolitan Commission to notify personally or by registered or certified mail, return receipt requested, all persons having any interest whatsoever in the property, and in addition thereto the Metropolitan Commission shall give three (3) weeks’ notice of its intention to purchase the property in a newspaper or newspapers published within the county in which the property is located, and each person having any claim whatsoever against the property shall file his, her or its claim with the Metropolitan Commission on or before the expiration date mentioned in the notice, at which time any and all persons will be heard and their rights determined by the Metropolitan Commission, which hearing shall be final.

B. Effect of sale. From and after payment to the proper parties of the agreed purchase price, or other amounts found to be due by the Metropolitan Commission, the Metropolitan Commission may take possession of, maintain and operate the system, whether private or municipal, as part of its general system. From the date of the payment, all properties along the line of any water main or sewer of the system as acquired shall stand in the same relation, bear the same System Improvement Charge and be subject to the same regulations and penalties as though the system so acquired had been constructed and put into operation by the Metropolitan Commission under the provisions of this chapter. However, a building or premises actually connected in an adequate manner with the acquired system at the time of its purchase may not be required to pay any connection charge.

C. Unfit systems.

(1) Whenever there is in existence a privately owned shared or community water supply or sewerage system which, in the judgment of the appropriate federal, State or local regulatory authority, is unfit, as a whole or in part, the system shall be rehabilitated and brought into compliance with all applicable federal, State and local regulations by the system owner(s) or, if rehabilitation is determined to be unfeasible, a new system may be constructed by the system owner(s) to serve the area previously served by the unfit system, or the system may be abandoned in accordance with all applicable federal, State and local regulations.

(2) Should the system owner(s) request that the Metropolitan Commission take ownership of or controlling authority in the system in accordance with Section 9–1110 of the Environment Article of the Annotated Code of Maryland, the system owner(s) shall present the Metropolitan Commission with a comprehensive plan of action which provides any items as may be required by the Metropolitan Commission, the procedures, policies and processes necessary to bring the system into compliance with the St. Mary’s County Comprehensive Water and Sewerage Plan, all appropriate federal, State and local laws, rules and regulations, as well as with all Metropolitan Commission standards, prior to any consideration of the request by the Metropolitan Commission. The Metropolitan Commission shall take into consideration whether the action requested is necessary to ensure the health, safety and welfare of the general public,
is economically feasible, as well as other criteria as the Metropolitan Commission may deem necessary.

D. Municipal systems. Any municipal corporation whose system is acquired by the Metropolitan Commission may use the amount paid to it for the system for the purchase or redemption of any bonds or debt which may be outstanding against it, or the Metropolitan Commission may, as part of the purchase price of the system, assume the payment of any such outstanding bonds.

113–17. [Private systems] Privately constructed systems; new.

A. [After June 1, 1957, whenever] Whenever the property owners or residents of any locality [in a district] desire a shared or community water supply or sewerage system[, or part of them,] to be constructed in that locality and the Metropolitan Commission decides that it is inexpedient or impracticable at that time, owing to the remoteness of the locality from one of its systems or other causes, to build such system, the owners or residents may build the system at their own expense.

B. However, it shall be constructed under plans and specifications approved by the Metropolitan Commission and under its supervision, and its maintenance and operation shall be under the general control of the Metropolitan Commission. All cost incurred by the Metropolitan Commission for the services, i.e., to supervise, maintain or control the construction project, shall be paid for in advance by the property owners or individuals concerned.

C. The system, or part of it, the water main, sewer, water purification or sewerage treatment plant and a connection with any of them may not be constructed or installed except as provided in this section.

D. Any violation of this provision is a misdemeanor punishable under Section 176.

E. All construction records, including cost records, shall be filed with the Metropolitan Commission.

113–18. Entry upon roadways.

The Metropolitan Commission may enter upon and excavate any State, County or municipal street, road or alley or any other public highway for the purpose of installing, maintaining and operating the water supply or sewerage systems provided for under this chapter, and it may construct in any such street, road, alley or public highway a water main or sewer, or any appurtenance thereof, without the payment of a charge. However, whenever any State, County or municipal highway is to be disturbed, the public authority having control of it shall be duly notified. The highway shall be repaired and left by the Metropolitan Commission in the same condition as, or in a condition not inferior to,
that existing before the highway was [torn up] EXCAVATED. All costs incident thereto shall be borne by the METROPOLITAN Commission.

113–19. Entry into buildings.

A. Any employee or agent of the METROPOLITAN Commission shall have the right of entry, at all reasonable hours, upon any private premises and into any building in any sanitary district while in pursuit of his official duties, upon first presenting proper credentials from the METROPOLITAN Commission.

B. While in pursuit of official duties, any employee or agent of the METROPOLITAN Commission shall have a right of entry including reasonable vehicular ingress to and egress from any METROPOLITAN Commission pumping station, elevated water storage tank, well, or other related or appurtenant equipment.

C. Any restraint or hindrance offered to the entry, access, ingress or egress by any owner or tenant of any affected property, or agent of the owner or tenant, or any other person is a misdemeanor punishable under Section 176.

A. All individuals, firms or corporations having buildings, conduits, pipes, tracks, poles or other structures or obstructions in, on, over, under or through any public road, street or alley of any sanitary district which blocks or impedes the construction and establishment of the METROPOLITAN Commission’s water supply or sewerage systems or other works shall, upon reasonable notice from the METROPOLITAN Commission, promptly so shift, adjust, accommodate or remove the structures or obstructions as to fully meet the exigencies occasioning the action.

B. The costs of such changes shall be borne and paid for by the METROPOLITAN Commission.

C. Every public service corporation, company or individual, before it or they shall begin any excavation or construction in any street, road, alley or public highway within any sanitary district, shall file with the METROPOLITAN Commission plans of such work and construction showing the location and depth in such street, road, alley or public highway of the proposed main, conduit, pole, pipe or other structure, and the construction or work may not be begun until the plans have been approved by the METROPOLITAN Commission, nor shall any change be made in the approved plans or in the work or construction as shown upon the plans except on further approval of the METROPOLITAN Commission.

D. Whenever any main, conduit, pole, pipe or other structure is put in without the filing of plans with the METROPOLITAN Commission and the approval thereof by it, or when any change is made in the location of such main, conduit, pipe, pole or other structure as shown upon the plans approved by the METROPOLITAN Commission, or any
approved change therein, the METROPOLITAN Commission, if and when such conduit, main, pipe or pole, or other structure interferes with the construction of or operation of its water or sewerage system or other works, may remove such conduit, main, pipe, pole or other structures or change the location thereof at the cost and expense of the party so putting them in, or their heirs, assigns or successors, and without any liability upon the part of the METROPOLITAN Commission for damage that might be done to same by reason of the METROPOLITAN Commission’s operations in constructing or maintaining its systems or works.

E. Any violation of the provisions of this section is a misdemeanor punishable under Section 176.

A. Unless otherwise provided, any act or omission designated as a misdemeanor in the chapter is punishable by a fine of not more than one hundred dollars ($100.00) or [to] confinement for not more than thirty (30) days in the county jail, or both. Where this act or omission is of a continuing nature and persists in violation of the provisions of this chapter or of any rule or regulation promulgated under this chapter, a conviction for one (1) offense is not a bar to a conviction for a continuation of the offense subsequent to the first or any succeeding conviction.

B. Civil infractions.

(1) The [St. Mary’s County] Metropolitan Commission may designate any violation of this chapter as a civil infraction, which shall be enforced as provided in this subsection.

(2) A Metropolitan Commission employee with the duty of enforcing this chapter may deliver a citation to a person believed to be committing a violation. A copy of the citation shall be retained by the Metropolitan Commission employee and shall bear a certification attesting to the truth of the matters set forth. The citation shall contain:

[(a)] (A) The name and address of the person charged;

[(b)] (B) The nature of the violation;

[(c)] (C) The place and time of the violation;

[(d)] (D) The amount of the fine assessed;

[(e)] (E) The manner, location, and time in which the fine may be paid; and

[(f)] (F) The person’s right to elect to stand trial for the violation.
(3) Except as provided in paragraph (4) of this subsection, a preset fine, not to exceed one hundred dollars ($100.00), may be imposed for each violation. The Metropolitan Commission may establish a schedule of fines for each violation and may adopt procedures for collection of these fines.

(4) (a) A person may not remove water from a public system under the jurisdiction of the Metropolitan Commission without the prior authorization of the Metropolitan Commission.

(b) The Metropolitan Commission may impose a fine not exceeding one thousand dollars ($1,000.00) for each violation of this paragraph.

(c) The Metropolitan Commission may establish a schedule of fines for each violation of this paragraph based on the amount of water removed and the number of prior violations by a person.

(5) A person who receives a citation may elect to stand trial for the offense by filing with the Metropolitan Commission a notice of intention to stand trial. The notice shall be given at least five (5) days before the date of payment as set forth in the citation. On receipt of the notice of intention to stand trial, the Metropolitan Commission shall forward to the district court having venue a copy of the citation and the notice of intention to stand trial. On receipt of the citation, the district court shall schedule the case for trial and notify the defendant of the trial date. All fines, penalties, or forfeitures collected by the district court for violation shall be remitted to [St. Mary’s County] THE Metropolitan Commission.

C. Administrative enforcement remedies; judicial enforcement remedies.

(1) The Metropolitan Commission may utilize administrative enforcement remedies or seek judicial enforcement remedies for a violation of any rules and regulations the Metropolitan Commission may adopt under this chapter concerning public sewer use, including public sewer drains, the installation of building sewer connections, and the discharge of waters and wastes into the public sewer systems. The Metropolitan Commission shall establish procedures for implementing the enforcement remedies authorized under this subsection.

(2) The Metropolitan Commission may utilize administrative enforcement remedies that may include:

(a) A notification of a violation;

(b) A consent order;

(c) A show cause hearing;

(d) A compliance order;
[(e) (E)] A cease and desist order;

[(f) (F)] An administrative fine not to exceed one thousand dollars ($1,000.00) per violation, per day; [or]

**G** An assessment for the reimbursement of actual costs incurred by the Metropolitan Commission, including but not limited to time and materials, if such costs are less than one thousand dollars ($1,000.00); or

[(g) (H)] An emergency suspension.

3. The Metropolitan Commission may seek the following judicial enforcement remedies:

[(a) (A)] Petitioning the District Court of St. Mary’s County for injunctive relief;

[(b) (B)] For a conviction of a violation, requesting civil penalties up to one thousand dollars ($1,000.00) per violation, per day; or

[(c) (C)] For a conviction of a violation, requesting criminal penalties of not more than one thousand dollars ($1,000.00) per violation, or imprisonment for not more than one (1) year per violation, or both.

113–22. [Church property] Exemptions and Waivers.

A. Notwithstanding any other law, the Metropolitan Commission shall establish a procedure by which the owner of a residential property that is also the principal residence of the owner, subject to the Connection Charges, may apply for a waiver or an extension of time to pay the charges because of the financial hardship of the owner, including a method by which the owner may appeal the decision of the Metropolitan Commission to the Commissioners of St. Mary’s County or an entity designated by the Commissioners of St. Mary’s County.

B. Any land owned by a church and constituting the premises occupied by a church or its parsonage and used exclusively for public worship or for other religious or customary purposes of a church or parsonage and not for investment, gain or other secular purposes shall be exempt from the equivalent of three (3) EDUs of System Improvement Charges provided for by this chapter. The Metropolitan Commission, in its discretion to be exercised in each individual case, may grant or withhold a further exemption.
C. NOTWITHSTANDING ANY OTHER LAW, ANY PROPERTY OWNED BY EITHER A REGULARLY ORGANIZED VOLUNTEER FIRE DEPARTMENT OR A VOLUNTEER RESCUE SQUAD IS EXEMPT FROM THE IMPOSITION OF A WATER OR SEWER SERVICE CHARGE WHILE USED FOR PUBLIC PURPOSES.

D. PUBLIC PARKS OR PLAYGROUNDS OWNED BY A MUNICIPAL CORPORATION AND ANY PROPERTY OR BUILDING OWNED BY EITHER A REGULARLY ORGANIZED VOLUNTEER FIRE DEPARTMENT OR A VOLUNTEER RESCUE SQUAD ARE EXEMPT FROM THE IMPOSITION OF A SYSTEM IMPROVEMENT CHARGE WHILE USED FOR PUBLIC PURPOSES.

The Metropolitan Commission may prescribe all needful rules, regulations and specifications for the administration and enforcement of this chapter.

113–24. Inconsistent laws.

All Acts and parts of Acts inconsistent with the provisions of this chapter are hereby repealed to the extent of their inconsistency, provided that nothing herein contained shall be taken as restricting any control which the [State] Maryland Department of Health [and Mental Hygiene] and the [State Water Resources Administration] Maryland Department of the Environment are empowered to exercise within any sanitary districts.

This chapter may not be construed or interpreted to authorize the Metropolitan Commission to acquire by condemnation any municipally owned or operated water or sewage treatment facilities.

For any services rendered or work to be provided by the Metropolitan Commission or the Metropolitan Commission’s consultants or contractors at the request of the Commissioners of St. Mary’s County which would not be provided by the Metropolitan Commission in the Metropolitan Commission’s ordinary course of business, the Metropolitan Commission and the Commissioners of St. Mary’s County shall, in advance of the services or work being provided, enter into a written agreement for the scope of services or work to be provided and the cost for such work or services. Upon completion of the work or services, or intermittently during the work or services, as mutually agreed, the Metropolitan Commission shall request reimbursement from the Commissioners of St. Mary’s County for the cost of the work or services provided and the Commissioners of St. Mary’s County shall pay such costs as agreed.

A. Liberal construction. This chapter constitutes full and complete authority, without regard to the provisions of any law, for the doing of the acts and things authorized in this chapter, and it shall be liberally construed to effect the purposes of it. However, nothing contained in this chapter shall be taken as restricting any control which the [State] MARYLAND Department of Health [and Mental Hygiene] or the [State Water Resources Administration] MARYLAND DEPARTMENT OF THE ENVIRONMENT is empowered to exercise over or within St. Mary’s County or any sanitary district.

B. Validation of prior proceedings. Nothing contained in any amendment to this chapter effective June 1, 1976, shall be construed as impairing the validity of any proceedings or action taken under the provisions of this chapter prior to that date. All such proceedings taken under this chapter, including, without limitation, the creation and enlargement of any sanitary districts and the establishment and imposition of System Improvement Charges and charges (whether pursuant to this chapter alone or pursuant to Article 43 of the Annotated Code of Maryland as authorized by § 427A of Article 43) are ratified, validated and confirmed. The authorization, sale and issuance of all bonds and bond anticipation notes issued prior to that date by the [St. Mary’s County] Metropolitan Commission are ratified and confirmed, and all such bonds and bond anticipation notes are validated as being validly authorized, sold and issued.

C. Validation of assessments and other charges. The determination and imposition of System Improvement Charges and other charges by the [St. Mary’s County] Metropolitan Commission since its creation are expressly ratified, validated and confirmed, including, without limitation, those schedules of System Improvement Charges and charges determined, imposed and placed in effect on the following dates:

(2) Pine Hill Run Sanitary District No. 8: October 1, 1973; July 1, 1975.

(3) Leonardtown Sanitary District No. 3: July 1, 1975.

(4) Indian Creek Sanitary District No. 10: July 1, 1975.

D. Transition. In the event that the [St. Mary’s County] Metropolitan Commission has decided to exercise powers granted by § 9–727 of the [Health–Environmental] ENVIRONMENT Article of the Annotated Code of Maryland, the METROPOLITAN Commission may, nevertheless, exercise any and all powers granted by this chapter on and after June 1, 1976, without any further action on the part of the METROPOLITAN Commission, except those actions required by this chapter. In the event that the METROPOLITAN Commission decides that any modification of an existing rate,
charge or assessment previously established by it is necessary or desirable or that the
creation of a new rate, charge or assessment is necessary or desirable, the METROPOLITAN Commission shall promptly give notice of the proposed rates, charges
and assessments in at least one (1) newspaper of general circulation in St. Mary’s County.
The METROPOLITAN Commission shall thereafter conduct a public hearing on the

After the METROPOLITAN Commission terminates the deferral of payment of a System Improvement Charge under paragraph [(7)] (6) of this subsection, the provisions of this subsection do not impair in any way the ability of the METROPOLITAN Commission to collect a System Improvement Charge that is overdue and in default from a [homeowner] HOMEOWNER in accordance with subsection [L.] K. of this section.

(2) If the METROPOLITAN Commission permits a connection with a water main or sewer under this subsection, the METROPOLITAN Commission shall classify the property and determine the System Improvement Charge to be paid by the property owner.

(3) If a connection is made under this subsection, the property owner and property, for all charges, rates and benefits, shall stand in every respect in the same position as if the property abutted on a water main or sewer.

[K.] J. (1) When an applicant applies for water or sewer lines in an area in which the METROPOLITAN Commission determines that it is economically not feasible to serve unless the applicant makes a substantial contribution to the cost of construction of the water and sewer lines, including the cost of connecting them with the METROPOLITAN Commission’s system, the METROPOLITAN Commission may classify the applicant’s property, together with other adjacent or adjoining properties that could be readily served from the construction required by the applicant, as a “remote area.”

(2) If the METROPOLITAN Commission approves an application for water and sewer lines and the applicant makes a contribution to the cost of construction in accordance with this subsection, the METROPOLITAN Commission may construct the water or sewer lines required by the applicant.

(3) If the METROPOLITAN Commission constructs the water or sewer lines, it shall impose a System Improvement Charge in accordance with this section.

[L.] K. When the METROPOLITAN Commission improves a water system or sanitary sewerage system by replacing, augmenting, upgrading, or expanding it in order to provide increased or improved water or sewer service and the necessity for the improvement arises from changes, whether individually or cumulatively, in use of the property, those properties shall derive a benefit from the improved facility and the
METROPOLITAN Commission may impose an additional System Improvement Charge on each benefited property for the construction as part of the water or sewer system services.

[M.] L. (1) The System Improvement Charge shall be payable at the Office of the METROPOLITAN Commission at a time that the METROPOLITAN Commission determines.

(3) The entire unpaid System Improvement Charge shall be overdue and in default after thirty (30) days after the payment is due for all or any part of the System Improvement Charge required by the METROPOLITAN Commission, at which time the METROPOLITAN Commission may proceed to enforce payment.

(4) Any statute of limitations to the contrary notwithstanding and subject only to prior State and County taxes, the System Improvement Charge shall be a first lien on the property against which it is assessed until paid.

(5) For purposes of collection:

(A) The System Improvement Charge shall be treated as County taxes and be advertised in the same manner as and with County taxes;

(B) All property subject to the System Improvement Charges shall be sold for System Improvement Charges at the same time and in the same manner as the properties are sold for County taxes; and

(C) Applicable laws relating to the collection of County taxes shall relate to the collection of the System Improvement Charges.

(6) Property redeemed from a County tax sale and property sold by the [County] Commissioners of St. Mary’s County after a final tax sale may not be redeemed or sold until the System Improvement Charges are paid.

(7) To give notice to the general public of existing liens and charges against any property within any sanitary district abutting on any water or sewer main, the METROPOLITAN Commission shall keep a public record of all names of owners or property, locations of the property, lot numbers when of record, and the amount of the System Improvement Charges, water service charges, or [other charges] that may become liens.

enforce the liens, and any judgment or decree obtained shall have the force and effect of a judgment in personam.

(9) The Metropolitan Commission may file an action to enforce the liens against the owner of record at the time the levy was made, or the owner of record at the time the suit is filed, or any owner of record between these dates.

(10) Notwithstanding any other law, the Metropolitan Commission shall establish a procedure by which the owner of a residential property, that is also the primary residence of the owner subject to the connection charges, may apply for a waiver or an extension of time to pay the charges because of the financial hardship of the owner, including a method by which the owner may appeal the decision of the Metropolitan Commission to the [Board of County] Commissioners of St. Mary’s County[,] or an entity designated by the [Board of County] Commissioners of St. Mary’s County.

[N.] M. (1) All System Improvement Charges collected by the Metropolitan Commission shall be set aside in a separate fund [to be known and designated as the “Metropolitan District Account.”] OR FUNDS.

(2) In order to determine the amount which it considers necessary to be imposed under section 113–7 of this chapter, the Metropolitan Commission shall deduct the amount it estimates that it will be able to collect from the System Improvement Charges and other charges previously imposed by it, but not yet paid and to be set aside for the interest and principal payments and the amount of funds then available for the purpose of paying the principal of and interest on outstanding bonds, from the whole amount necessary to be raised in any one (1) year for interest and principal payments on outstanding bonds.

(3) The balance then remaining to be raised shall be the amount to be certified to the [County] Commissioners of St. Mary’s County for collection by taxation as provided by section 113–7 of this chapter.

[O.] N. (1) If the State, County, or any municipal corporation, commission, board, or agency of the State or County acquires for public use property that is subject to a System Improvement Charge levied by the [St. Mary’s] Metropolitan Commission, the System Improvement Charge shall continue to be paid in perpetuity.

(2) If any property subject to a System Improvement Charge is acquired as provided in this section without eminent domain proceedings, the System Improvement Charge shall continue to be paid in perpetuity.

(3) If any property subject to a System Improvement Charge is acquired through eminent domain proceedings, the Metropolitan Commission shall be named a party to the proceeding, if necessary, and the final order shall require that the System
Improvement Charge be paid concurrent through the date of conveyance and shall require the continued payment of the System Improvement Charge in perpetuity.

(4) If, by oversight or mistake, the **METROPOLITAN** Commission is not named a party to the eminent domain proceedings, the condemning authority shall pay to the **METROPOLITAN** Commission the amount required to pay the System Improvement Charge through the date of conveyance at the same time the condemning authority pays the amount awarded to the property owner in the proceedings.

113–30. [[]]Additional requirements of **METROPOLITAN** Commission.[[]]

(i) the amounts that can be assessed under this subtitle are less than the amounts needed to ensure full and prompt performance of the impaired insurer’s contractual obligations; or

(ii) the economic or financial conditions, as they affect member insurers, are sufficiently adverse to render the imposition of policy liens, contract liens, moratoriums on payments, or other similar means to be in the public interest.

(3) (i) Before being obligated under subsection (b) of this section, the Corporation may request that temporary moratoriums or liens on payments of cash values and policy loans be imposed.

(ii) If the Commissioner approves, the temporary moratoriums or liens requested by the Corporation under this paragraph may be imposed.

[(e)] (F) The Corporation is not liable under this section for a covered policy of a foreign insurer or alien insurer whose domiciliary jurisdiction or state of entry provides, by statute or regulation, protection for residents of this State substantially similar to that provided under this subtitle for residents of other states.

(1) in lieu of the index or other external reference provided for in the original policy or contract, the alternative policy or contract provides for:

[(j)] (K) (1) Subject to paragraphs (2) and (3) of this subsection and unless the contractual obligations of the impaired insurer or insolvent insurer are reduced or excluded under subsection [(d)] (E) of this section or § 9–403(g)(2) of this subtitle, the contractual obligations of the impaired insurer or insolvent insurer for which the Corporation is or may become liable shall be as great as, but no greater than, the contractual obligations that the impaired insurer or insolvent insurer would have had in the absence of the impairment or insolvency.

(2) The Corporation is not liable for health care received after the date of the impairment or insolvency unless the health care was in progress on the date of the impairment or insolvency or unless other health care coverage is not available from another insurer, **HEALTH MAINTENANCE ORGANIZATION**, or nonprofit health service plan.

(3) Benefits for which the Corporation may become liable may not exceed the lesser of:

   (i) the contractual obligations for which the **MEMBER** insurer is or would have been liable if it were not an impaired insurer or insolvent insurer; or
(ii) with respect to any one life, regardless of the number of policies or contracts:

1. $300,000 in life insurance death benefits, but not more than $100,000 in net cash surrender and net cash withdrawal values for life insurance;

(4) (i) Except as provided in subparagraph (ii) of this paragraph, the Corporation may not, with respect to any one life, be liable for coverage greater than an aggregate of $300,000 for the benefits described in paragraph (3)(ii)1, 2, and 3 of this subsection.

   (ii) The Corporation may not, with respect to any one life, be liable for coverage greater than an aggregate of $500,000 [in basic hospital, medical, and surgical insurance or major medical insurance] FOR HEALTH BENEFIT PLANS under paragraph (3)(ii)2A of this subsection.

[(k)] (L) The Corporation may join an organization of one or more other state associations of similar purposes, to further the purposes and administer the powers and duties of the Corporation.

(M) IN THIS SUBTITLE, BENEFITS PROVIDED BY A LONG–TERM CARE RIDER TO A LIFE INSURANCE POLICY OR ANNUITY CONTRACT SHALL BE CONSIDERED THE
SAME TYPE OF BENEFITS AS THE BASE LIFE INSURANCE POLICY OR ANNUITY CONTRACT TO WHICH THE RIDER RELATES.

9–407.1.

(a) At any time within 180 days after the date of an order of liquidation, the Corporation may elect to succeed to the rights and obligations of the ceding member insurer that relate to policies, CONTRACTS, or annuities covered, in whole or in part, by the Corporation, in each case under any one or more reinsurance contracts entered into by the insolvent insurer and its reinsurers and selected by the Corporation.

(b) Any assumption under subsection (a) of this section is effective as of the date of the order of liquidation.

(c) The election shall be effected by the Corporation or the National Organization of Life and Health Insurance Guaranty Associations on its behalf sending written notice, return receipt requested, to the affected reinsurers.

(d) To facilitate the earliest practicable decision about whether to assume any of the contracts of reinsurance, and in order to protect the financial position of the estate, the receiver and each reinsurer of the ceding member insurer shall make available on request to the Corporation or to the National Organization of Life and Health Insurance Guaranty Associations on its behalf as soon as possible after commencement of formal delinquency proceedings:

1. copies of in-force contracts of reinsurance and all related files and records relevant to the determination of whether the contracts should be assumed; and

2. notices of any defaults under the reinsurance contracts or any known event or condition that, with the passage of time, could become a default under the reinsurance contracts.

(e) (1) This subsection applies to reinsurance contracts assumed by the Corporation.

2. The Corporation is responsible for all unpaid premiums due under a reinsurance contract assumed by the Corporation for periods both before and after the date of the order of liquidation, and is responsible for the performance of all other obligations to be performed after the date of the order of liquidation, in each case which relate to policies, CONTRACTS, or annuities covered, in whole or in part, by the Corporation.

3. The Corporation may charge policies, CONTRACTS, or annuities covered in part by the Corporation, through reasonable allocation methods, the costs for reinsurance in excess of the obligations of the Corporation and shall provide notice and an accounting of these charges to the liquidator.
(4) The Corporation is entitled to any amounts payable by the reinsurer under the reinsurance contracts with respect to losses or events that occur in periods after the date of the order of liquidation and that relate to policies, CONTRACTS, or annuities covered, in whole or in part, by the Corporation, if on receipt of any amounts payable, the Corporation is obliged to pay to the beneficiary under the policy, CONTRACT, or annuity on account of which the amounts were paid a portion of the amount equal to the lesser of:

(i) the amount received by the Corporation; and

(ii) the excess of the amount received by the Corporation over the amount equal to the benefits paid by the Corporation on account of the policy, CONTRACT, or annuity less the retention of the insurer applicable to the loss or event.

(f) (1) (i) Within 30 days after the Corporation’s election, the Corporation and each reinsurer under contracts assumed by the Corporation shall calculate the net balance due to or from the Corporation under each reinsurance contract as of the election date with respect to policies, CONTRACTS, or annuities covered, in whole or in part, by the Corporation.

(ii) The calculation under subparagraph (i) of this paragraph shall give full credit to all items paid by either the MEMBER insurer or its receiver or the reinsurer prior to the election date.

(2) Within 5 days after the completion of the calculation under paragraph (1) of this subsection, the reinsurer shall pay the receiver any amounts due for losses or events before the date of the order of liquidation, subject to any setoff for premiums unpaid for periods before the date, and the Corporation or reinsurer shall pay any remaining balance due the other, in each case.

(3) Any disputes over the amounts due to either the Corporation or the reinsurer shall be resolved by arbitration under the terms of the affected reinsurance contracts or, if the contract contains no arbitration clause, as otherwise provided by law.

(4) If the receiver has received any amounts due to the Corporation under subsection (e)(4) of this section, the receiver shall remit those amounts to the Corporation as promptly as practicable.

(g) If the Corporation or receiver, on the Corporation’s behalf, within 60 days after the election date, pays the unpaid premiums due for periods both before and after the election date that relate to policies, CONTRACTS, or annuities covered, in whole or in part, by the Corporation, the reinsurer is not entitled to:

(1) terminate the reinsurance contracts for failure to pay premiums for the reinsurance contracts that relate to policies, CONTRACTS, or annuities covered, in whole or in part, by the Corporation; or
(2) set off any unpaid amounts due under other contracts, or unpaid amounts due from parties other than the Corporation, against amounts due the Corporation.

(h) During the period from the date of the order of liquidation until the election date or, if the election date does not occur, until 180 days after the date of the order of liquidation:

(1) (i) neither the Corporation nor the reinsurer shall have any rights or obligations under reinsurance contracts that the Corporation has the right to assume under subsections (a) through (g) of this section, whether for periods before or after the date of the order of liquidation; and

(ii) the reinsurer, the receiver, and the Corporation shall, to the extent practicable, provide each other data and records reasonably requested; and

(2) if the Corporation has elected to assume a reinsurance contract, the parties’ rights and obligations shall be governed by subsections (a) through (g) of this section.

(i) If the Corporation does not elect to assume a reinsurance contract by the election date under subsections (a) through (g) of this section, the Corporation shall have no rights or obligations, in each case for periods both before and after the date of the order of liquidation, with respect to the reinsurance contract.

(j) When policies, CONTRACTS, or annuities, or covered obligations with respect to policies, CONTRACTS, or annuities, are transferred to an assuming insurer, reinsurance on the policies, CONTRACTS, or annuities may also be transferred by the Corporation, in the case of contracts assumed under subsections (a) through (g) of this section, if:

(1) unless the reinsurer and the assuming insurer agree otherwise, the reinsurance contract transferred does not cover any new policies of insurance, HEALTH MAINTENANCE ORGANIZATION SUBSCRIBER CONTRACTS AND GROUP MASTER CERTIFICATES, or annuities in addition to those transferred;

(2) the obligations described in subsections (a) through (g) of this section no longer apply with respect to matters arising after the effective date of the transfer; and

(3) notice is given in writing, return receipt requested, by the transferring party to the affected reinsurer at least 30 days before the effective date of the transfer.

(k) (1) The provisions of this section supersede the provisions of any state law or of any affected reinsurance contract that provides for or requires any payment of reinsurance proceeds, on account of losses or events that occur in periods after the date of the order of liquidation, to the receiver of the insolvent insurer or any other person.
The receiver remains entitled to any amounts payable by the reinsurer under the reinsurance contracts with respect to losses or events that occur in periods before the date of the order of liquidation, subject to applicable setoff provisions.

(1) Except as otherwise provided in this section, this section does not alter or modify the terms and conditions of any reinsurance contract.

(ii) give a policyholder, CONTRACT OWNER, ENROLLEE, CERTIFICATE HOLDER, or beneficiary an independent cause of action against a reinsurer that is not otherwise set forth in the reinsurance contract;

(iv) apply to reinsurance agreements covering property or casualty risks.

The Corporation may:

(1) enter into contracts that are necessary or proper to carry out the provisions and purposes of this subtitle;

(2) sue or be sued and take any other legal actions necessary or proper for the recovery of unpaid assessments under § 9–409 of this subtitle;

(3) borrow money to carry out the purposes of this subtitle, provided that any notes or other evidences of indebtedness of the Corporation not in default are legal investments for domestic insurers and may be carried as admitted assets;

(4) employ or retain persons as necessary to handle the financial transactions of the Corporation and perform other functions that are necessary or proper under this subtitle;

(5) negotiate and contract with liquidators, rehabilitators, conservators, or ancillary receivers to carry out the powers and duties of the Corporation;

(6) take any legal action necessary to avoid payment of improper claims;

(7) for the purposes of this subtitle and to the extent approved by the Commissioner, exercise the powers of a domestic life insurer OR
HEALTH MAINTENANCE ORGANIZATION, except that the Corporation may not issue policies or annuity contracts other than those issued to perform the contractual obligation of an impaired INSURER or insolvent insurer; [and]

(8) IN ACCORDANCE WITH THE TERMS AND CONDITIONS OF THE POLICY OR CONTRACT, FILE FOR ACTUARILY JUSTIFIED RATE OR PREMIUM INCREASES FOR ANY POLICY OR CONTRACT FOR WHICH THE CORPORATION PROVIDES COVERAGE UNDER THIS SUBTITLE; AND

[(8)] (9) perform any other act necessary or proper to carry out [the purposes of] this subtitle.

9–409.

(a) Members of the Corporation are subject to assessment as provided in this section.

(b) (1) To provide the funds necessary to carry out the powers and duties of the Corporation, the Board of Directors shall assess member insurers, separately for each account, at the times and for the amounts that the Board finds necessary.

(2) The Board shall give 30 days’ written notice to a member insurer before payment of an assessment is due.

(3) The Board shall collect the assessments when due.

(c) There are two classes of assessments to be made for the following purposes:

(1) Class A assessments, to be used to meet administrative costs and other general expenses not related to a particular impaired insurer or insolvent insurer; and

(2) Class B assessments, to be used to carry out the powers and duties of the Corporation with respect to an impaired insurer or insolvent insurer.

(d) (1) (i) The Board shall determine the amount of a Class A assessment.

(ii) The Board may make a Class A assessment on a pro rata or nonpro rata basis.

(iii) If made on a pro rata basis, the Board may provide that the assessment be credited against future Class B assessments.

(iv) A nonpro rata assessment may not exceed the amount provided in the Corporation’s plan of operation per member insurer in 1 calendar year.
EXCEPT FOR ASSESSMENTS RELATED TO LONG-TERM CARE INSURANCE, THE amount of a Class B assessment shall be allocated for assessment purposes among the accounts according to an allocation formula that is based on:

1. the premiums or reserves of the impaired insurer or insolvent insurer; or

2. on another standard that the Board considers in its sole discretion to be fair and reasonable under the circumstances.

(2) (I) THE AMOUNT OF A CLASS B ASSESSMENT FOR LONG-TERM CARE INSURANCE WRITTEN BY THE IMPAIRED INSURER OR INSOLVENT INSURER SHALL BE ALLOCATED ACCORDING TO A METHODOLOGY INCLUDED IN THE PLAN OF OPERATION AND APPROVED BY THE COMMISSIONER.

(II) THE METHODOLOGY USED TO ALLOCATE THE AMOUNT UNDER SUBPARAGRAPH (I) OF THIS PARAGRAPH SHALL PROVIDE FOR 50% OF THE ASSESSMENT TO BE ALLOCATED TO ACCIDENT AND HEALTH MEMBER INSURERS AND 50% TO BE ALLOCATED TO LIFE AND ANNUITY MEMBER INSURERS.

(3) The Board shall make Class B assessments against member insurers for each account in the proportion that the amount of premiums received on business in the State by each assessed member insurer on policies or contracts covered by each account for the most recent calendar year for which information is available preceding the year in which the MEMBER insurer became impaired or insolvent, bears to the amount of premiums received on business in the State for those calendar years by all assessed member insurers.

(4) The Board may assess member insurers on a nonpro rata basis without regard to paragraph [(2)](3) of this subsection if the amount of a Class B assessment representing the aggregate liability of the Corporation for a single impairment or insolvency is not greater than the Class A assessment in the same calendar year against authorized insurers in the same line of business as the liability for the impaired insurer or insolvent insurer.

(5) (i) The Board may not make assessments for funds to meet the requirements of the Corporation with respect to an impaired insurer or insolvent insurer until necessary to carry out the purposes of this subtitle.

(ii) Because exact determinations may not always be possible, the Board shall make classifications of assessments and computation of assessments under this subsection with a reasonable degree of accuracy.

(e) (1) If, in the opinion of the Board, payment of an assessment would endanger the ability of a member insurer to meet its contractual obligations, the Corporation may abate or defer, wholly or partly, the assessment of the member insurer.
(2) If an assessment against a member insurer is wholly or partly abated or deferred, the amount by which the assessment is abated or deferred shall be assessed against the other member insurers in a manner consistent with the basis for assessments set forth in this section.

(f) (1) In a calendar year, the total of all assessments against a member insurer for each account may not exceed 2% of the member insurer’s premiums in the State on policies covered by the account.

(2) If an assessment against a member insurer is reduced because of paragraph (1) of this subsection, the Board shall assess the amount of the reduction against the other member insurers in a manner consistent with the basis for assessments set forth in this section.

(3) If the maximum assessments in a calendar year against all MEMBER insurers plus the other assets of the Corporation in any account are insufficient to provide in the account the amount necessary to carry out the responsibilities of the Corporation, the Board shall make additional assessments as necessary against member insurers as soon as allowed by this subtitle.

(g) (1) If approved by the Commissioner, the Board may refund to member insurers, by an equitable method set by the plan of operation, in proportion to the contribution of each member insurer to that account, the amount by which the assets of the account exceed the amount that the Board finds necessary to carry out the obligations of the Corporation during the coming year.

(2) For the purpose of this subsection, assets include assets accruing from net realized gains and income from investments.

(3) If refunds are impracticable, the Board may retain a reasonable amount in an account for the continuing expenses of the Corporation and for future losses.

(h) In determining premium rates and policy owner dividends for any kind of insurance OR HEALTH MAINTENANCE ORGANIZATION BUSINESS within the scope of this subtitle, a member insurer may consider the amount reasonably necessary to meet its assessment obligations under this subtitle.

(i) (1) The Corporation shall issue to each member insurer that pays an assessment under this subtitle a certificate of contribution for the amount of the assessment.

(2) The certificate of contribution shall be in the form that the Commissioner requires.

(3) All outstanding certificates of contribution are of equal dignity and priority without reference to amounts or dates of issue.
(4) The member insurer may show a certificate of contribution in the member insurer’s financial statement as an asset in the form and for the amount, if any, and the period of time that the Commissioner approves.

9–410.

(a) (1) (i) The Corporation shall submit to the Commissioner a plan of operation and any amendments necessary or suitable to it to ensure the fair, reasonable, and equitable administration of the Corporation.

(ii) 1. The plan of operation and any amendments to it take effect when approved in writing by the Commissioner.

2. UNLESS DISAPPROVED BY THE COMMISSIONER WITHIN 30 DAYS AFTER SUBMISSION, A PLAN OF OPERATION AND ANY AMENDMENTS TO THE PLAN SHALL BE DEEMED APPROVED ON THE 31ST DAY AFTER THE DATE ON WHICH THE PLAN WAS SUBMITTED.

(2) (i) If the Corporation fails to submit suitable amendments to the plan of operation, the Commissioner, after notice and hearing, shall adopt reasonable regulations as necessary or advisable to carry out this subtitle.

(ii) Regulations adopted under this paragraph shall continue in effect until modified by the Commissioner or superseded by an amendment to the plan of operation submitted by the Corporation and approved by the Commissioner.

(b) Each member insurer shall comply with the plan of operation.

(c) The plan of operation shall:

(1) establish procedures for handling the assets of the Corporation;

(2) establish the amounts to be reimbursed and the method of reimbursing members of the Board of Directors under § 9–406 of this subtitle;

(3) establish regular places and times for meetings of the Board of Directors;

(4) establish procedures for keeping records of the financial transactions of the Corporation, its agents, and the Board of Directors;

(5) establish procedures for choosing the Board of Directors and submitting the choices to the Commissioner;
(6) establish any additional procedures for assessments under § 9–409 of
this subtitle; and

(7) contain any additional provisions necessary or proper to perform the
powers and duties of the Corporation.

(d) (1) The plan of operation may provide that any or all of the powers and
duties of the Corporation, except those under §§ 9–408(3) and 9–409 of this subtitle, may
be delegated to a person that performs or will perform functions similar to those of the
Corporation or its equivalent in two or more states.

(2) A person to which powers and duties are delegated under the plan of
operation shall be:

(i) reimbursed for any payments made on behalf of the Corporation;

and

(ii) paid for its performance of the functions of the Corporation.

(3) A delegation under this subsection may:

(i) take effect only with the approval of the Board of Directors and
Commissioner; and

(ii) be made only to a person that extends protection not
substantially less favorable and effective than that provided by this subtitle.

9–411.

(a) (1) The Commissioner:

(i) shall notify the Board of Directors of the existence of an impaired
insurer not later than 3 days after a determination of impairment is made or the
Commissioner receives notice of impairment;

(ii) on request of the Board of Directors, shall provide the
Corporation with a statement of the premiums in the STATE AND OTHER
appropriate
states for each member insurer;

(iii) when an impairment is declared and the amount of the
impairment is determined, shall serve a demand on the impaired insurer to make good the
impairment within a reasonable time; and

(iv) shall be appointed as:

1. the liquidator or rehabilitator in a liquidation or
rehabilitation proceeding involving a domestic MEMBER insurer; or
2. the conservator or ancillary receiver in a liquidation proceeding involving a member insurer that is a foreign insurer in its domiciliary jurisdiction or an alien insurer in its state of entry.

(2) (i) Notice to the impaired insurer under paragraph (1)(iii) of this subsection is deemed notice to its shareholders.

(ii) Failure of the IMPAIRED insurer to comply promptly with a demand to make good the impairment does not excuse the Corporation from the performance of its duties and powers under this subtitle.

(b) (1) The Commissioner:

(i) after notice and hearing, may suspend or revoke the LICENSE OR certificate of authority TO TRANSACT BUSINESS IN THE STATE of a ANY member insurer that fails to pay an assessment when due or fails to comply with the plan of operation; or

(3) **THE CORPORATION SHALL BE LIABLE FOR UNEARNED PREMIUMS DUE TO POLICY OR CONTRACT OWNERS ARISING AFTER THE ENTRY OF THE ORDER.**

[(d)] (E) (1) In carrying out its duties under subsection (b) of this section, the Corporation may request that policy liens, contract liens, moratoriums on payments, or other similar means be imposed.

(2) Policy liens, contract liens, moratoriums on payments, or other similar means may be imposed if the Commissioner approves the specific policy liens, contract liens, moratoriums on payments, or other similar means after finding that:

(i) the amounts that can be assessed under this subtitle are less than the amounts needed to ensure full and prompt performance of the impaired insurer’s contractual obligations; or

(ii) the economic or financial conditions, as they affect member insurers, are sufficiently adverse to render the imposition of policy liens, contract liens, moratoriums on payments, or other similar means to be in the public interest.
(3) (i) Before being obligated under subsection (b) of this section, the Corporation may request that temporary moratoriums or liens on payments of cash values and policy loans be imposed.

(ii) If the Commissioner approves, the temporary moratoriums or liens requested by the Corporation under this paragraph may be imposed.

(e) The Corporation is not liable under this section for a covered policy of a foreign insurer or alien insurer whose domiciliary jurisdiction or state of entry provides, by statute or regulation, protection for residents of this State substantially similar to that provided under this subtitle for residents of other states.

(f) On request of the Commissioner, the Corporation may give help and advice to the Commissioner about rehabilitation, payment of claims, continuations of coverage, or the performance of other contractual obligations of an impaired insurer.

(g) (1) The Corporation has standing to appear or intervene before any court or agency with jurisdiction over an impaired INSURER or insolvent insurer as to which the Corporation is or may become obligated under this subtitle.

(2) The standing extends to all matters germane to the powers and duties of the Corporation, including proposals for reinsuring, REISSUING, MODIFYING, or guaranteeing the covered policies of the impaired INSURER or insolvent insurer and the determination of the covered policies and contractual obligations.

(h) (1) A person receiving benefits under this subtitle, whether the benefits are payments of contractual obligations or continuation of coverage, is deemed to have assigned all rights under or causes of action relating to the covered policy to the Corporation to the extent of the benefits received because of this subtitle.

(2) The Corporation may require a payee, ENROLLEE, policy or contract owner, beneficiary, insured, or annuitant to assign to the Corporation all rights to the extent of benefits received under the covered policy as a condition precedent to the receipt of any rights or benefits under this subtitle.

(3) The Corporation is subrogated to the rights assigned under this subsection against the assets of the impaired INSURER or insolvent insurer.

(4) The subrogation rights of the Corporation under this subsection have the same priority against the assets of the impaired INSURER or insolvent insurer as those of the person entitled to receive benefits under this subtitle.

(i) In carrying out its duties in connection with guaranteeing, ASSUMING, REISSUING, or reinsuring policies or contracts under subsections (a) and (b) of this section, the Corporation may, subject to approval of the Commissioner, issue substitute coverage for a policy or contract that provides an interest rate, a crediting rate, or a similar factor
determined by use of an index or other external reference stated in the policy or contract employed in calculating returns or changes in value by issuing an alternative policy or contract, if:

(1) in lieu of the index or other external reference provided for in the original policy or contract, the alternative policy or contract provides for:

   (i) a fixed interest rate;

   (ii) payment of dividends with minimum guarantees; or

   (iii) a different method for calculating interest or changes in value;

(2) there is no requirement for evidence of insurability, waiting period, or other exclusion that would not have applied under the original policy or contract; and

(3) the alternative policy or contract is substantially similar to the original policy or contract in all other material terms.

[(j)] (K) (1) Subject to paragraphs (2) and (3) of this subsection and unless the contractual obligations of the impaired insurer or insolvent insurer are reduced or excluded under subsection [(d)] (E) of this section or § 9–403(g)(2) of this subtitle, the contractual obligations of the impaired insurer or insolvent insurer for which the Corporation is or may become liable shall be as great as, but no greater than, the contractual obligations that the impaired insurer or insolvent insurer would have had in the absence of the impairment or insolvency.

(2) The Corporation is not liable for health care received after the date of the impairment or insolvency unless the health care was in progress on the date of the impairment or insolvency or unless other health care coverage is not available from another insurer, HEALTH MAINTENANCE ORGANIZATION, or nonprofit health service plan.

(3) Benefits for which the Corporation may become liable may not exceed the lesser of:

   (i) the contractual obligations for which the MEMBER insurer is or would have been liable if it were not an impaired insurer or insolvent insurer; or

   (ii) with respect to any one life, regardless of the number of policies or contracts:

       1. $300,000 in life insurance death benefits, but not more than $100,000 in net cash surrender and net cash withdrawal values for life insurance;

       2. [in] FOR health insurance benefits:

B. with respect to each payee under a structured settlement annuity, or beneficiary of the payee if the payee is deceased, $250,000 in present value annuity benefits, in the aggregate, including any net cash surrender and net cash withdrawal values.

(4) (i) Except as provided in subparagraph (ii) of this paragraph, the Corporation may not, with respect to any one life, be liable for coverage greater than an aggregate of $300,000 for the benefits described in paragraph (3)(ii)1, 2, and 3 of this subsection.

(ii) The Corporation may not, with respect to any one life, be liable for coverage greater than an aggregate of $500,000 [in basic hospital, medical, and surgical insurance or major medical insurance] FOR HEALTH BENEFIT PLANS under paragraph (3)(ii)2A of this subsection.

[(k)] (L) The Corporation may join an organization of one or more other state associations of similar purposes, to further the purposes and administer the powers and duties of the Corporation.

(M) IN THIS SUBTITLE, BENEFITS PROVIDED BY A LONG–TERM CARE RIDER TO A LIFE INSURANCE POLICY OR ANNUITY CONTRACT SHALL BE CONSIDERED THE SAME TYPE OF BENEFITS AS THE BASE LIFE INSURANCE POLICY OR ANNUITY CONTRACT TO WHICH THE RIDER RELATES.

9–407.1.

(a) At any time within 180 days after the date of an order of liquidation, the Corporation may elect to succeed to the rights and obligations of the ceding member insurer that relate to policies, CONTRACTS, or annuities covered, in whole or in part, by the Corporation, in each case under any one or more reinsurance contracts entered into by the insolvent insurer and its reinsurers and selected by the Corporation.
(b) Any assumption under subsection (a) of this section is effective as of the date of the order of liquidation.

(c) The election shall be effected by the Corporation or the National Organization of Life and Health Insurance Guaranty Associations on its behalf sending written notice, return receipt requested, to the affected reinsurers.

(d) To facilitate the earliest practicable decision about whether to assume any of the contracts of reinsurance, and in order to protect the financial position of the estate, the receiver and each reinsurer of the ceding member insurer shall make available on request to the Corporation or to the National Organization of Life and Health Insurance Guaranty Associations on its behalf as soon as possible after commencement of formal delinquency proceedings:

1. copies of in-force contracts of reinsurance and all related files and records relevant to the determination of whether the contracts should be assumed; and
2. notices of any defaults under the reinsurance contracts or any known event or condition that, with the passage of time, could become a default under the reinsurance contracts.

(e) (1) This subsection applies to reinsurance contracts assumed by the Corporation.

2. The Corporation is responsible for all unpaid premiums due under a reinsurance contract assumed by the Corporation for periods both before and after the date of the order of liquidation, and is responsible for the performance of all other obligations to be performed after the date of the order of liquidation, in each case which relate to policies, contracts, or annuities covered, in whole or in part, by the Corporation.

3. The Corporation may charge policies, contracts, or annuities covered in part by the Corporation, through reasonable allocation methods, the costs for reinsurance in excess of the obligations of the Corporation and shall provide notice and an accounting of these charges to the liquidator.

4. The Corporation is entitled to any amounts payable by the reinsurer under the reinsurance contracts with respect to losses or events that occur in periods after the date of the order of liquidation and that relate to policies, contracts, or annuities covered, in whole or in part, by the Corporation, if on receipt of any amounts payable, the Corporation is obliged to pay to the beneficiary under the policy, contract, or annuity on account of which the amounts were paid a portion of the amount equal to the lesser of:

i. the amount received by the Corporation; and
(ii) the excess of the amount received by the Corporation over the
amount equal to the benefits paid by the Corporation on account of the policy, CONTRACT, or annuity less the retention of the insurer applicable to the loss or event.

(f) (1) (i) Within 30 days after the Corporation’s election, the Corporation and each reinsurer under contracts assumed by the Corporation shall calculate the net balance due to or from the Corporation under each reinsurance contract as of the election date with respect to policies, CONTRACTS, or annuities covered, in whole or in part, by the Corporation.

(ii) The calculation under subparagraph (i) of this paragraph shall give full credit to all items paid by either the MEMBER insurer or its receiver or the reinsurer prior to the election date.

(2) Within 5 days after the completion of the calculation under paragraph (1) of this subsection, the reinsurer shall pay the receiver any amounts due for losses or events before the date of the order of liquidation, subject to any setoff for premiums unpaid for periods before the date, and the Corporation or reinsurer shall pay any remaining balance due the other, in each case.

(3) Any disputes over the amounts due to either the Corporation or the reinsurer shall be resolved by arbitration under the terms of the affected reinsurance contracts or, if the contract contains no arbitration clause, as otherwise provided by law.

(4) If the receiver has received any amounts due to the Corporation under subsection (e)(4) of this section, the receiver shall remit those amounts to the Corporation as promptly as practicable.

(g) If the Corporation or receiver, on the Corporation’s behalf, within 60 days after the election date, pays the unpaid premiums due for periods both before and after the election date that relate to policies, CONTRACTS, or annuities covered, in whole or in part, by the Corporation, the reinsurer is not entitled to:

(1) terminate the reinsurance contracts for failure to pay premiums for the reinsurance contracts that relate to policies, CONTRACTS, or annuities covered, in whole or in part, by the Corporation; or

(2) set off any unpaid amounts due under other contracts, or unpaid amounts due from parties other than the Corporation, against amounts due the Corporation.

(h) During the period from the date of the order of liquidation until the election date or, if the election date does not occur, until 180 days after the date of the order of liquidation:
(1) (i) neither the Corporation nor the reinsurer shall have any rights or obligations under reinsurance contracts that the Corporation has the right to assume under subsections (a) through (g) of this section, whether for periods before or after the date of the order of liquidation; and

(ii) the reinsurer, the receiver, and the Corporation shall, to the extent practicable, provide each other data and records reasonably requested; and

(2) if the Corporation has elected to assume a reinsurance contract, the parties’ rights and obligations shall be governed by subsections (a) through (g) of this section.

(i) If the Corporation does not elect to assume a reinsurance contract by the election date under subsections (a) through (g) of this section, the Corporation shall have no rights or obligations, in each case for periods both before and after the date of the order of liquidation, with respect to the reinsurance contract.

(j) When policies, CONTRACTS, or annuities, or covered obligations with respect to policies, CONTRACTS, or annuities, are transferred to an assuming insurer, reinsurance on the policies, CONTRACTS, or annuities may also be transferred by the Corporation, in the case of contracts assumed under subsections (a) through (g) of this section, if:

(1) unless the reinsurer and the assuming insurer agree otherwise, the reinsurance contract transferred does not cover any new policies of insurance, HEALTH MAINTENANCE ORGANIZATION SUBSCRIBER CONTRACTS AND GROUP MASTER CERTIFICATES, or annuities in addition to those transferred;

(2) the obligations described in subsections (a) through (g) of this section no longer apply with respect to matters arising after the effective date of the transfer; and

(3) notice is given in writing, return receipt requested, by the transferring party to the affected reinsurer at least 30 days before the effective date of the transfer.

(k) (1) The provisions of this section supersede the provisions of any state law or of any affected reinsurance contract that provides for or requires any payment of reinsurance proceeds, on account of losses or events that occur in periods after the date of the order of liquidation, to the receiver of the insolvent insurer or any other person.

(2) The receiver remains entitled to any amounts payable by the reinsurer under the reinsurance contracts with respect to losses or events that occur in periods before the date of the order of liquidation, subject to applicable setoff provisions.

(l) (1) Except as otherwise provided in this section, this section does not alter or modify the terms and conditions of any reinsurance contract.

(2) This section does not:
(i) abrogate or limit any rights of any reinsurer to claim that the reinsurer is entitled to rescind a reinsurance contract;

(ii) give a policyholder, CONTRACT OWNER, ENROLLEE, CERTIFICATE HOLDER, or beneficiary an independent cause of action against a reinsurer that is not otherwise set forth in the reinsurance contract;

(iii) limit or affect the Corporation’s rights as a creditor of the estate against the assets of the estate; or

(iv) apply to reinsurance agreements covering property or casualty risks.

9–408.

(2) sue or be sued and take any other legal actions necessary or proper for the recovery of unpaid assessments under § 9–409 of this subtitle;

(3) borrow money to carry out the purposes of this subtitle, provided that any notes or other evidences of indebtedness of the Corporation not in default are legal investments for domestic insurers and may be carried as admitted assets;

(4) employ or retain persons as necessary to handle the financial transactions of the Corporation and perform other functions that are necessary or proper under this subtitle;

(5) negotiate and contract with liquidators, rehabilitators, conservators, or ancillary receivers to carry out the powers and duties of the Corporation;

(8) IN ACCORDANCE WITH THE TERMS AND CONDITIONS OF THE POLICY OR CONTRACT, FILE FOR ACTUARIALY JUSTIFIED RATE OR PREMIUM

9–409.

(a) Members of the Corporation are subject to assessment as provided in this section.

(b) (1) To provide the funds necessary to carry out the powers and duties of the Corporation, the Board of Directors shall assess member insurers, separately for each account, at the times and for the amounts that the Board finds necessary.

(2) The Board shall give 30 days’ written notice to a member insurer before payment of an assessment is due.

(3) The Board shall collect the assessments when due.

(c) There are two classes of assessments to be made for the following purposes:

(1) Class A assessments, to be used to meet administrative costs and other general expenses not related to a particular impaired insurer or insolvent insurer; and

(2) Class B assessments, to be used to carry out the powers and duties of the Corporation with respect to an impaired insurer or insolvent insurer.

(d) (1) (i) The Board shall determine the amount of a Class A assessment.

(ii) The Board may make a Class A assessment on a pro rata or nonpro rata basis.

(iii) If made on a pro rata basis, the Board may provide that the assessment be credited against future Class B assessments.

(iv) [A nonpro rata assessment may not exceed the amount provided in the Corporation’s plan of operation per member insurer in 1 calendar year.

(v) [The] EXCEPT FOR ASSESSMENTS RELATED TO LONG–TERM CARE INSURANCE, THE amount of a Class B assessment shall be allocated for assessment purposes among the accounts according to an allocation formula that is based on:

1. the premiums or reserves of the impaired insurer or insolvent insurer; or
2. on another standard that the Board considers in its sole discretion to be fair and reasonable under the circumstances.

(2) (I) The amount of a Class B assessment for long-term care insurance written by the impaired insurer or insolvent insurer shall be allocated according to a methodology included in the plan of operation and approved by the Commissioner.

(II) The methodology used to allocate the amount under subparagraph (I) of this paragraph shall provide for 50% of the assessment to be allocated to accident and health member insurers and 50% to be allocated to life and annuity member insurers.

(3) The Board shall make Class B assessments against member insurers for each account in the proportion that the amount of premiums received on business in the State by each assessed member insurer on policies or contracts covered by each account for the most recent calendar year for which information is available preceding the year in which the MEMBER insurer became impaired or insolvent, bears to the amount of premiums received on business in the State for those calendar years by all assessed member insurers.

[(3)] (4) The Board may assess member insurers on a nonpro rata basis without regard to paragraph [(2)] (3) of this subsection if the amount of a Class B assessment representing the aggregate liability of the Corporation for a single impairment or insolvency is not greater than the Class A assessment in the same calendar year against authorized insurers in the same line of business as the liability for the impaired insurer or insolvent insurer.

[(4)] (5) (i) The Board may not make assessments for funds to meet the requirements of the Corporation with respect to an impaired insurer or insolvent insurer until necessary to carry out the purposes of this subtitle.

(ii) Because exact determinations may not always be possible, the Board shall make classifications of assessments and computation of assessments under this subsection with a reasonable degree of accuracy.

(e) (1) If, in the opinion of the Board, payment of an assessment would endanger the ability of a member insurer to meet its contractual obligations, the Corporation may abate or defer, wholly or partly, the assessment of the member insurer.

(2) If an assessment against a member insurer is wholly or partly abated or deferred, the amount by which the assessment is abated or deferred shall be assessed against the other member insurers in a manner consistent with the basis for assessments set forth in this section.
(f) (1) In a calendar year, the total of all assessments against a member insurer for each account may not exceed 2% of the member insurer’s premiums in the State on policies covered by the account.

(2) If an assessment against a member insurer is reduced because of paragraph (1) of this subsection, the Board shall assess the amount of the reduction against the other member insurers in a manner consistent with the basis for assessments set forth in this section.

(3) If the maximum assessments in a calendar year against all MEMBER insurers plus the other assets of the Corporation in any account are insufficient to provide in the account the amount necessary to carry out the responsibilities of the Corporation, the Board shall make additional assessments as necessary against member insurers as soon as allowed by this subtitle.

(g) (1) If approved by the Commissioner, the Board may refund to member insurers, by an equitable method set by the plan of operation, in proportion to the contribution of each member insurer to that account, the amount by which the assets of the account exceed the amount that the Board finds necessary to carry out the obligations of the Corporation during the coming year.

(2) For the purpose of this subsection, assets include assets accruing from net realized gains and income from investments.

(3) If refunds are impracticable, the Board may retain a reasonable amount in an account for the continuing expenses of the Corporation and for future losses.

(h) In determining premium rates and policy owner dividends for any kind of insurance OR HEALTH MAINTENANCE ORGANIZATION BUSINESS within the scope of this subtitle, a member insurer may consider the amount reasonably necessary to meet its assessment obligations under this subtitle.

(i) (1) The Corporation shall issue to each member insurer that pays an assessment under this subtitle a certificate of contribution for the amount of the assessment.

(2) The certificate of contribution shall be in the form that the Commissioner requires.

(3) All outstanding certificates of contribution are of equal dignity and priority without reference to amounts or dates of issue.

(4) The member insurer may show a certificate of contribution in the member insurer’s financial statement as an asset in the form and for the amount, if any, and the period of time that the Commissioner approves.
(a) (1) (i) The Corporation shall submit to the Commissioner a plan of operation and any amendments necessary or suitable to it to ensure the fair, reasonable, and equitable administration of the Corporation.

(ii) 1. The plan of operation and any amendments to it take effect when approved in writing by the Commissioner.

2. UNLESS DISAPPROVED BY THE COMMISSIONER WITHIN 30 DAYS AFTER SUBMISSION, A PLAN OF OPERATION AND ANY AMENDMENTS TO THE PLAN SHALL BE DEEMED APPROVED ON THE 31ST DAY AFTER THE DATE ON WHICH THE PLAN WAS SUBMITTED.

(2) (i) If the Corporation fails to submit suitable amendments to the plan of operation, the Commissioner, after notice and hearing, shall adopt reasonable regulations as necessary or advisable to carry out this subtitle.

(ii) Regulations adopted under this paragraph shall continue in effect until modified by the Commissioner or superseded by an amendment to the plan of operation submitted by the Corporation and approved by the Commissioner.

(b) Each member insurer shall comply with the plan of operation.

(c) The plan of operation shall:

(1) establish procedures for handling the assets of the Corporation;

(2) establish the amounts to be reimbursed and the method of reimbursing members of the Board of Directors under § 9–406 of this subtitle;

(3) establish regular places and times for meetings of the Board of Directors;

(4) establish procedures for keeping records of the financial transactions of the Corporation, its agents, and the Board of Directors;

(5) establish procedures for choosing the Board of Directors and submitting the choices to the Commissioner;

(6) establish any additional procedures for assessments under § 9–409 of this subtitle; and

(7) contain any additional provisions necessary or proper to perform the powers and duties of the Corporation.
(d) (1) The plan of operation may provide that any or all of the powers and duties of the Corporation, except those under §§ 9–408(3) and 9–409 of this subtitle, may be delegated to a person that performs or will perform functions similar to those of the Corporation or its equivalent in two or more states.

(2) A person to which powers and duties are delegated under the plan of operation shall be:

(i) reimbursed for any payments made on behalf of the Corporation; and

(ii) paid for its performance of the functions of the Corporation.

(3) A delegation under this subsection may:

(i) take effect only with the approval of the Board of Directors and Commissioner; and

(ii) be made only to a person that extends protection not substantially less favorable and effective than that provided by this subtitle.

9–411.

(a) (1) The Commissioner:

(i) shall notify the Board of Directors of the existence of an impaired insurer not later than 3 days after a determination of impairment is made or the Commissioner receives notice of impairment;

(ii) on request of the Board of Directors, shall provide the Corporation with a statement of the premiums in the STATE AND OTHER appropriate states for each member insurer;

(iii) when an impairment is declared and the amount of the impairment is determined, shall serve a demand on the impaired insurer to make good the impairment within a reasonable time; and

(iv) shall be appointed as:

1. the liquidator or rehabilitator in a liquidation or rehabilitation proceeding involving a domestic MEMBER insurer; or

2. the conservator or ancillary receiver in a liquidation proceeding involving a member insurer that is a foreign insurer in its domiciliary jurisdiction or an alien insurer in its state of entry.
(2) (i) Notice to the impaired insurer under paragraph (1)(iii) of this subsection is deemed notice to its shareholders.

(ii) Failure of the IMPAIRED insurer to comply promptly with a demand to make good the impairment does not excuse the Corporation from the performance of its duties and powers under this subtitle.

(b) (1) The Commissioner:

(i) after notice and hearing, may suspend or revoke the LICENSE OR certificate of authority TO TRANSACT BUSINESS IN THE STATE of ANY member insurer that fails to pay an assessment when due or fails to comply with the plan of operation; or

(ii) on behalf of the Corporation, may impose a penalty on a member insurer that fails to pay an assessment when due.

(2) A penalty imposed under paragraph (1)(ii) of this subsection may not exceed 5% of the unpaid assessment per month and may not be less than $100 per month.

(c) (1) Within 30 days after an action of the Board of Directors or Corporation, a member insurer may appeal the action to the Commissioner.

(2) A final action or order of the Commissioner under this subtitle is subject to judicial review.

(d) The liquidator, rehabilitator, or conservator of an impaired insurer may notify all interested persons of the effect of this subtitle.

9–412.

(a) (1) The Commissioner and Board of Directors have the powers and duties described in this section to help in the detection and prevention of MEMBER insurer impairments OR INSOLVENCIES.

(2) The Corporation may help the Commissioner in detecting and preventing MEMBER insurer impairments OR INSOLVENCIES as provided in this section.

(b) (1) The Commissioner shall examine a member insurer if the Commissioner has reasonable cause to believe that the member insurer may be unable or potentially unable to fulfill its contractual obligations.

(2) On a majority vote, the Board of Directors shall notify the Commissioner of any information that indicates that a member insurer may be unable or potentially unable to fulfill its contractual obligations.
(c) (1) On a majority vote, the Board of Directors may request that the Commissioner order an examination of a member insurer that the Board in good faith believes may be unable or potentially unable to fulfill its contractual obligations.

(2) The Commissioner may conduct the examination.

(3) The examination may be conducted as a National Association of Insurance Commissioners examination or may be conducted by a person that the Commissioner designates.

(4) The cost of an examination shall be paid by the Corporation.

(5) The examination report shall be treated as are other examination reports.

(6) An examination report may not be released to the Board of Directors before its release to the public, but this does not excuse the Commissioner from the duty to comply with subsection (d) of this section.

(7) The Commissioner shall notify the Board of Directors when the examination is completed.

(8) (i) The request for an examination shall be kept on file by the Commissioner.

(ii) A request for examination may not be open to public inspection before the release of the examination report to the public, and shall be released at that time only if the examination discloses that the examined member insurer is unable or potentially unable to meet its contractual obligations.

(d) The Commissioner shall report to the Board of Directors when the Commissioner has reasonable cause to believe that a member insurer, examined at the request of the Board of Directors, may be unable or potentially unable to fulfill its contractual obligations.

(e) (1) On a majority vote, the Board of Directors may make reports and recommendations to the Commissioner on any matter germane to the solvency, liquidation, rehabilitation, or conservation of a member insurer.

(2) A report or recommendation made under this subsection is not a public document.

(f) On a majority vote, the Board of Directors may make recommendations to the Commissioner for the detection and prevention of MEMBER insurer impairments OR INSOLVENCIES.
(g) At the conclusion of [an] A MEMBER insurer impairment OR INSOLVENCY in which the Corporation carried out its duties or exercised its powers under this subtitle, the Board of Directors shall prepare and submit to the Commissioner a report on the history and causes of the impairment OR INSOLVENCY, based on the information available to the Corporation.

9–414.

(a) This subtitle may not be construed to reduce the liability for unpaid assessments of the insureds of an impaired INSURER or insolvent insurer operating under a plan with assessment liability.

(b) Assessable premiums may not be reduced because of § 9–403(g)(2)(iii) of this subtitle relating to interest limitations and because of [§ 9–407(j)] § 9–407(K) of this subtitle relating to limitations with respect to an individual policyholder.

(c) (1) The Corporation shall keep records of all negotiations and meetings in which the Corporation or its representatives are involved to discuss the activities of the Corporation in carrying out its powers and duties under §§ 9–407 and 9–408 of this subtitle.

(2) Records of the negotiations or meetings described in paragraph (1) of this subsection shall be made public only:

   (i) after the termination of a liquidation, rehabilitation, or conservation proceeding involving an impaired INSURER or insolvent insurer;

   (ii) after the termination of the impairment or insolvency of [an] A MEMBER insurer; or

   (iii) by court order.

(3) This subsection does not limit the duty of the Corporation to submit a report of its activities under § 9–415 of this subtitle.

(d) (1) In this subsection, “assets attributable to covered policies” means that proportion of the impaired INSURER’S or insolvent insurer’s assets that the amount of the reserves that should have been established for the covered policies bears to the amount of the reserves that should have been established for all policies written by the impaired INSURER or insolvent insurer.

(2) For the purpose of carrying out its obligations under this subtitle, the Corporation is considered a creditor of the impaired INSURER or insolvent insurer to the extent of the impaired INSURER’S or insolvent insurer’s assets attributable to covered policies reduced by any amounts to which the Corporation is entitled as subrogee under [§ 9–407(h)] § 9–407(I) of this subtitle.
(3) The assets attributable to covered policies of the impaired INSURER or insolvent insurer shall be used to continue the covered policies and pay the contractual obligations of the impaired INSURER or insolvent insurer as required by this subtitle.

(e) (1) (i) Before the termination of a liquidation, rehabilitation, or conservation proceeding, the court may consider the contributions of the respective parties, including the Corporation, the stockholders, CONTRACT OWNERS, CERTIFICATE HOLDERS, ENROLLEES, and policy owners of the impaired INSURER or insolvent insurer, and any other party with a bona fide interest, in making an equitable distribution of the ownership rights of the impaired INSURER or insolvent insurer.

(ii) In making a determination under subparagraph (i) of this paragraph, the court shall consider the welfare of the policyholders, CONTRACT OWNERS, CERTIFICATE HOLDERS, AND ENROLLEES of the continuing or successor MEMBER insurer.

(2) A distribution to any stockholders of an impaired INSURER or insolvent insurer may not be made until all of the assessments levied by the Corporation with respect to the impaired INSURER or insolvent insurer have been fully recovered by the Corporation.

(f) It is a prohibited unfair method of competition, subject to Title 27 of this article (Unfair Trade Practices), for a person to make use in any manner of the protection afforded by this subtitle in the sale of insurance OR HEALTH MAINTENANCE ORGANIZATION COVERAGE.

(g) (1) Subject to the limitations of paragraphs (2) and (4) of this subsection, if an order for liquidation or rehabilitation of [an] A MEMBER insurer domiciled in the State has been entered, the receiver appointed under the order shall have a right to recover on behalf of the MEMBER insurer, from any affiliate that controlled the MEMBER insurer, the amount of distribution, other than stock dividends paid by the MEMBER insurer on its capital stock, made at any time during the 5 years preceding the petition for liquidation or rehabilitation.

(2) A dividend described in paragraph (1) of this subsection is not recoverable if the MEMBER insurer shows that:

(i) the distribution was lawful and reasonable when paid; and

(ii) the MEMBER insurer did not know and could not reasonably have known that the distribution might adversely affect the ability of the MEMBER insurer to fulfill its contractual obligations.

(3) (i) A person that was an affiliate that controlled the MEMBER insurer when the distributions described in paragraph (1) of this subsection were paid is liable up to the amount of distributions the person received.
(ii) A person that was an affiliate that controlled the MEMBER insurer when the distributions described under paragraph (1) of this subsection were declared is liable up to the amount of distributions the person would have received if the distributions had been paid immediately.

(iii) Two or more persons that are liable with respect to the same distributions are jointly and severally liable.

(4) The maximum amount recoverable under this subsection is the amount needed in excess of all other available assets of the impaired INSURER or insolvent insurer to pay the contractual obligations of the impaired INSURER or insolvent insurer.

Section 19–509 and 19–509.1
Annotated Code of Maryland
(2017 Replacement Volume and 2019 Supplement)

SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND, That the Laws of Maryland read as follows:

Article – Insurance

19–509.

(a) In this section, “uninsured motor vehicle” means a motor vehicle:

(1) the ownership, maintenance, or use of which has resulted in the bodily injury or death of an insured; and

(2) for which the sum of the limits of liability under all valid and collectible liability insurance policies, bonds, and securities applicable to bodily injury or death:

(i) is less than the amount of coverage provided under this section; or

(ii) has been reduced by payment to other persons of claims arising from the same occurrence to an amount less than the amount of coverage provided under this section.

(b) The uninsured motorist coverage required by this section does not apply to a motor vehicle liability insurance policy:

(1) that insures a motor vehicle that:

(i) is not subject to registration under § 13–402 of the Transportation Article because it is not driven on a highway; or

(ii) is exempt from registration under § 13–402(c)(10) of the Transportation Article; or

(2) if the first named insured under a policy or binder of private passenger
motor vehicle liability insurance has elected to obtain enhanced uninsured motorist coverage under § 19–509.1 of this subtitle instead of the uninsured motorist coverage required under this section.

(c) In addition to any other coverage required by this subtitle, each motor vehicle liability insurance policy issued, sold, or delivered in the State after July 1, 1975, shall contain coverage for damages, subject to the policy limits, that:

(1) the insured is entitled to recover from the owner or operator of an uninsured motor vehicle because of bodily injuries sustained in a motor vehicle accident arising out of the ownership, maintenance, or use of the uninsured motor vehicle; [and]

(2) THE INSURED IS ENTITLED TO RECOVER FROM THE OWNER OR OPERATOR OF AN UNINSURED MOTOR VEHICLE BECAUSE OF PROPERTY DAMAGE, INCLUDING LOSS OF USE OF THE INSURED VEHICLE; AND

[(2)] (3) a surviving relative of the insured, who is described in § 3–904 of the Courts Article, is entitled to recover from the owner or operator of an uninsured motor vehicle because the insured died as the result of a motor vehicle accident arising out of the ownership, maintenance, or use of the uninsured motor vehicle.

(d) The uninsured motorist coverage required by this section shall be in the form and subject to the conditions that the Commissioner approves.

(e) (1) The uninsured motorist coverage contained in a motor vehicle liability insurance policy:

(i) shall at least equal:

1. the amounts required by Title 17 of the Transportation Article FOR BODILY INJURY AND PROPERTY DAMAGE, INCLUDING LOSS OF USE OF THE INSURED VEHICLE; and

2. the coverage provided to a qualified person under Title 20, Subtitle 6 of this article; and

(ii) may not exceed the amount of liability coverage provided under the policy.

(2) Unless waived in accordance with § 19–510 of this subtitle, the amount of uninsured motorist coverage provided under a private passenger motor vehicle liability insurance policy shall equal the amount of liability coverage provided under the policy.

(f) An insurer may exclude from the uninsured motorist coverage required by this section benefits for:
(1) the named insured or a family member of the named insured who resides in the named insured’s household for an injury that occurs when the named insured or family member is occupying or is struck as a pedestrian by an uninsured motor vehicle that is owned by the named insured or an immediate family member of the named insured who resides in the named insured’s household; and

(2) the named insured, a family member of the named insured who resides in the named insured’s household, and any other individual who has other applicable motor vehicle insurance for an injury that occurs when the named insured, family member, or other individual is occupying or is struck as a pedestrian by the insured motor vehicle while the motor vehicle is operated or used by an individual who is excluded from coverage under § 27–609 of this article.

(g) The limit of liability for an insurer that provides uninsured motorist coverage under this section is the amount of that coverage less the amount paid to the insured, that exhausts any applicable liability insurance policies, bonds, and securities, on behalf of any person that may be held liable for the bodily injuries or death of the insured.

(h) (1) A policy that, as its primary purpose, provides coverage in excess of other valid and collectible insurance or qualified self–insurance may include the uninsured motorist coverage provided for in this section.

(2) The uninsured motorist coverage required by this section is primary to any right to recovery from the Maryland Automobile Insurance Fund under Title 20, Subtitle 6 of this article.

(i) An endorsement or provision that protects the insured against damages caused by an uninsured motor vehicle that is contained in a policy issued and delivered in the State is deemed to cover damages caused by a motor vehicle insured by a liability insurer that is insolvent or otherwise unable to pay claims to the same extent and in the same manner as if the damages were caused by an uninsured motor vehicle.

(j) A provision in a motor vehicle liability insurance policy issued after July 1, 1975, about coverage for damages sustained by the insured as a result of the operation of an uninsured motor vehicle that requires a dispute between the insured and the insurer to be submitted to binding arbitration is prohibited and is of no legal effect.

19–509.1.

(a) In this section, “underinsured motor vehicle” means a motor vehicle that has liability coverage in an amount less than, more than, or equal to the uninsured motorist coverage provided under the insured party’s motor vehicle liability insurance policy.

(b) The enhanced underinsured motorist coverage required by this section does not apply to a motor vehicle liability insurance policy:

(1) that insures a motor vehicle that:
(i) is not subject to registration under § 13–402 of the Transportation Article because it is not driven on a highway; or

(ii) is exempt from registration under § 13–402(c)(10) of the Transportation Article; or

(c) (1) An insurer shall offer enhanced underinsured motorist coverage at the time of purchase of a private passenger motor vehicle liability insurance policy.

(2) The first named insured under a policy or binder of private passenger motor vehicle liability insurance may elect to obtain enhanced underinsured motorist coverage instead of the uninsured motorist coverage required under § 19–509 of this subtitle.

(3) Unless the first named insured affirmatively makes a change in writing, the election to obtain enhanced underinsured motorist coverage applies to all subsequent renewals of coverage and to all other policies or endorsements that extend, change, supersede, or replace an existing private passenger motor vehicle insurance policy issued to the first named insured.

(d) In addition to any other coverage required by this subtitle, each private passenger motor vehicle liability insurance policy issued, sold, or delivered in the State on or after July 1, 2018, to an insured that elects to obtain enhanced underinsured motorist coverage instead of the uninsured motorist coverage required under § 19–509 of this subtitle, shall contain coverage for damages, subject to the policy limits, that:

(1) the insured is entitled to recover from the owner or operator of an underinsured motor vehicle because of bodily injuries sustained in a motor vehicle accident arising out of the ownership, maintenance, or use of the underinsured motor vehicle; [and]

(2) THE INSURED IS ENTITLED TO RECOVER FROM THE OWNER OR OPERATOR OF AN UNDERINSURED MOTOR VEHICLE BECAUSE OF PROPERTY DAMAGE, INCLUDING LOSS OF USE OF THE INSURED VEHICLE; AND

[(2)] (3) a surviving relative of the insured, who is described in § 3–904 of the Courts Article, is entitled to recover from the owner or operator of an underinsured motor vehicle because the insured died as the result of a motor vehicle accident arising out of the ownership, maintenance, or use of the underinsured motor vehicle.

(e) The offer of enhanced underinsured motorist coverage required by this section
shall be on the form that the Commissioner requires.

(f) (1) The enhanced underinsured motorist coverage contained in a private passenger motor vehicle liability insurance policy:

(i) shall at least equal:

1. the amounts required by Title 17 of the Transportation Article FOR BODILY INJURY AND PROPERTY DAMAGE, INCLUDING LOSS OF USE OF THE INSURED VEHICLE; and

2. the coverage provided to a qualified person under Title 20, Subtitle 6 of this article; and

(ii) may not exceed the amount of liability coverage provided under the policy.

(2) The amount of enhanced underinsured motorist coverage provided under a private passenger motor vehicle liability insurance policy shall equal the amount of liability coverage provided under the policy.

(g) An insurer may exclude from the enhanced underinsured motorist coverage required by this section benefits for:

(1) the named insured or a family member of the named insured who resides in the named insured's household for an injury that occurs when the named insured or family member is occupying or is struck as a pedestrian by an underinsured motor vehicle that is owned by the named insured or an immediate family member of the named insured who resides in the named insured's household; and

(2) the named insured, a family member of the named insured who resides in the named insured's household, and any other individual who has other applicable motor vehicle insurance for an injury that occurs when the named insured, family member, or other individual is occupying or is struck as a pedestrian by the insured motor vehicle while the motor vehicle is operated or used by an individual who is excluded from coverage under § 27–609 of this article.

(h) The limit of liability for an insurer that provides enhanced underinsured motorist coverage under this section:

(1) is subject to § 19–511.1 of this subtitle; and

(2) is the amount of that coverage without any reduction for the amount paid to the insured, that exhausts any applicable liability insurance policies, bonds, and securities, on behalf of any person that may be held liable for the bodily injuries or death of the insured.
(i)  (1) A policy that, as its primary purpose, provides coverage in excess of other valid and collectible insurance or qualified self-insurance may include the enhanced underinsured motorist coverage provided for in this section.

          (2) The enhanced underinsured motorist coverage required by this section is primary to any right to recovery from the Maryland Automobile Insurance Fund under Title 20, Subtitle 6 of this article.

(j) An endorsement or a provision that protects the insured against damages caused by an underinsured motor vehicle that is contained in a policy issued and delivered in the State is deemed to cover damages caused by a motor vehicle insured by a liability insurer that is insolvent or otherwise unable to pay claims to the same extent and in the same manner as if the damages were caused by an underinsured motor vehicle.

(k) A provision in a private passenger motor vehicle liability insurance policy issued on or after July 1, 2018, about coverage for damages sustained by the insured as a result of the operation of an underinsured motor vehicle that requires a dispute between the insured and the insurer to be submitted to binding arbitration is prohibited and is of no legal effect.

SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND, That the Laws of Maryland read as follows:

Article – Transportation

25–301.
Parties and Title

This agreement shall be known as the Potomac River Bridges Towing Compact and the parties to this agreement are the Commonwealth of Virginia, the State of Maryland, and the District of Columbia.

Article II

Findings and Purpose

The Woodrow Wilson Memorial Bridge, Rochambeau Memorial Bridge, George Mason Memorial Bridge, Theodore Roosevelt Memorial Bridge, Francis Scott Key Bridge, Chain Bridge, Governor Harry W. Nice/Senator Thomas “Mac” Middleton Bridge, Sandy Hook Bridge, Brunswick Bridge, Point of Rocks Bridge, and American Legion Bridge all pass through the territorial jurisdiction of two or more of the three parties. Experience has shown that traffic back ups often prevent state troopers, state police officers, or police officers of the appropriate jurisdiction from arriving at the scene of a disabled or abandoned vehicle to take corrective action. The purpose of this Compact is to facilitate the prompt and orderly removal of disabled and abandoned vehicles from the bridges by giving all three parties jurisdiction to exercise appropriate authority anywhere on the bridges.

Article III

Authority to Direct Traffic and Authorize Removal of Vehicle

The parties hereby give one another all necessary power and authority to have their respective state troopers, state police officers, or local law enforcement officers direct traffic and authorize the removal of disabled or abandoned vehicles, trailers, semitrailers, or the parts or contents thereof, from any part of the Potomac River bridges, to the same extent and in the same manner that such state troopers, state police officers, and law enforcement officers may exercise such authority in their own jurisdictions. However, no party, acting through its state troopers, state police officers, or local law enforcement officers, shall have the authority to direct or authorize the towing or removal of any vehicle or other thing to a destination outside its own jurisdiction, unless the consent of a state trooper, state police officer, or law enforcement officer of the destination jurisdiction has been first obtained.

Article IV

Disposition of Towed Vehicles

All vehicles and their contents towed or removed from the Potomac River bridges pursuant to this Compact shall be subject to the exclusive jurisdiction of the place to which such vehicle and its contents are taken, and the handling and disposition of such vehicle and its contents shall be governed by the laws and procedures of that jurisdiction.
Article V

No Agency Relationship

Each of the parties shall act solely on its own authority within the jurisdiction granted. This Compact shall not be construed as creating any agency relationship between the parties.

Article VI

Effective Date

The provisions of this Compact shall take effect thirty days after the legislative bodies of parties having jurisdiction over one or several of the bridges identified in Article II have enacted compacts substantially identical to this Compact.

Article VII

Termination

The Governor of the Commonwealth of Virginia or the State of Maryland, or the Mayor of the District of Columbia may withdraw from this Compact at any time upon thirty days written notice to the other parties.
