The Office of the Prince George's County Executive **SUPPORTS House Bill 423**, which establishes legislation that would include in the CADE calculation for community colleges all funding provided to four-year institutions, regardless of where the appropriations are budgeted.

**House Bill 423** would provide for the CADE percentage tie to the four-year institutions for community colleges to be calculated on all four-year college appropriations, regardless of where they are budgeted. This legislation would eliminate the "selectivity" of how community college funding is tied to the four-year system.

For the reasons stated above, the Office of the Prince George's County Executive **SUPPORTS House Bill 423** and asks for a **FAVORABLE** report.
