

Re: **HB 615**, Education - School Construction - Pedestrian Safety Plans

Stephanie Regenold, MD, MPH, Baltimore City resident and parent of three Baltimore City Public School graduates

In Support of the Bill

Dear Delegate Solomon:

I am writing in support of HB 615. As the parent of three students who walked, took the bus, and/or biked to school, I agree that we need to ensure that all students are safe getting to and from school. I walk or drive past many school intersections that are unsafe for pedestrians. I look forward to this bill changing that.

Thank you,
