BILL: SB 912
TITLE: Climate Crisis and Education Act
POSITION: SUPPORT
HEARING DATE: 3/12/2020
COMMITTEE: Budget and Taxation
SPONSOR: Sen. Ben Kramer

Dear Chairman and members of the committee:

I am writing as a member of Citizens Climate Lobby and as a longtime resident of Queen Anne's County.

Our 250 year old farm is already threatened by climate change and particularly by rising sea level in low lying fields as well as the violent storms that damage our crops. Our family members do most of the farming. They are deeply discouraged by the changes they have noticed.

For these reasons and more, I Anne Nielsen, Citizens Climate Lobby urge a FAVORABLE REPORT

On SB 912.

Respectably submitted,

Anne Nielsen
