Dear Chairman Paul Pinsky,
and to whom it may concern,

I am writing to ask for your support of SB065, Connors Courage.

It is our duty to support the education and healthy upbringing of all the children of our community. This legislation is practical and inexpensive to implement. If we can make a difference in just one child's life it would be worth it. This wonderful piece of legislature will in fact improve the lives of hundreds of children in our state.

Please consider this your top priority this legislative session.

Thank you for your service to Maryland's difficult issues.
