Good afternoon,

I support bill HB520.

I cross the bridge a lot because I live very close to it (zip 21219). There are businesses I visit that are near me however I must cross the bridge and pay a toll. I think this bill would be very beneficial to those of us that live close to the bridge, especially zip codes 21219 and 21222. There are times when I have driven further out of my way to a business to avoid the toll rather than utilizing what is closest to me.

Thank you for your time.
