Epinephrine Program-Revisions March 11, 2020

Madam Chair, Madam Vice Chair, and Distinguished Members  
of the Health & Government Operations Committee:

Thank you for the opportunity to speak to you again today. For  
the record, I am Delegate Ric Metzgar from Legislative District  
6 in Baltimore County.

HB 1462 Emergency Use Auto-Injectable Epinephrine Program-  
Revisions is sponsored by Delegate Cullison and myself in the  
House and cross-filed as SB 477 by Senator Carozza in the  
Senate and has bi-partisan support.

The purpose of this bill is to alter the name of the Emergency  
Use Auto-Injectable Epinephrine Program at Institutions of  
Higher Education to be the Emergency Use Auto-Injectable  
Epinephrine Program; authorizing food service facilities to store  
and make available for administration auto-injectable  
epinephrine for certain purpose.

I respectfully request a Favorable Report on HB 1462. Thank  
you for your time and consideration.
