RE: *Support of House Bill 1528: Maryland Council on Health in All Policies - Establishment*

Dear: Delegate Members/Delegate Lewis/Chairwoman Pendergrass:

My name is Dawnn McCleary and I was a member of the Health in All Policies Workgroup. The purpose of the workgroup was to study and make recommendations to units of State and local government on laws and policies that would positively impact the health of residents in the State of Maryland. Eventually, the data collected helped to produce the findings and recommendations in a report.

As a current student studying Behavioral Health Counseling, I understand how important this bill is to people going into mental health. Therefore, I support House Bill 1528 to establish a Maryland Council on Health in All Policies.

Sincerely yours,

Dawnn McCleary
