Task Force to Study the Maryland Orphans' Courts  
**DATE:** January 29, 2020

**POSITION:** Oppose as drafted

---

The Maryland Judiciary opposes House Bill 339 as drafted. This bill creates a Task Force that will study the composition and purpose of the Orphans' Court and make recommendations on how to modernize said court. The Task Force is to consist of nine members, including a member of the Judiciary on page one, line 17, with a chair appointed by the Governor. The Administrative Office of the Courts is to provide staff for the Task Force.

While the Maryland Judicial Conference appreciates the consideration in the formation of this task force (page one, line 17), membership of judges on such bodies can raise separation of powers and dual office issues. Participation by judges in extra-judicial activities, such as statutorily created workgroups, commissions, and task forces, is limited by Rule 3.4 of the Code of Judicial Conduct and by Article 8 of the Maryland Declaration of Rights. To ensure uniformity in the administration of justice throughout the state, judges are advised not to participate in the policy development functions of the Judiciary's executive and legislative partners. While the Judiciary always makes itself available for questions on a case by case basis, the Judiciary respectfully requests not to be included on this task force.

In addition, the Judiciary believes the Administrative Office of the Courts should not be staffing a legislative task force.
