

I oppose the following bills. They are too restrictive, will not meet their stated goals for safety, incur undo costs and burdens on law abiding citizens, are in many cases not enforceable and most importantly infringe on the rights of your fellow citizens.

HB636 (SB646)  
HB910, (SB958)  
SB816, (HB1257)  
HB598, (SB910)  
HB591  
HB1104  
HB1078  
HB1501  
HB1261

I plan on being in Annapolis on 3/3 or 3/4 .

Thank you for your good work.
