

**OPPOSE HB591**

Public Safety - Lost or Stolen Regulated Firearm - Reporting.

Art Novotny

Stolen firearms need to be reported, and willfully refusing to report them should indeed be a crime. However, I oppose this bill because, unless some version of the Gun Theft Felony Act of 2020 is passed, this can potentially punish the victim of a gun theft as much, or even more, than the perpetrator of the theft. That is not justice.
