HB0893–Washington County – Adult Public Guardianship Review Board -- Membership

HB0893 is a local bill seeking to give the Washington County Board of County Commissioners flexibility in filling positions on the County's Adult Guardianship Review Board. The legislation simply proposes to add Washington County to the same language available in St. Mary's County, which would allow for a psychiatrist **or psychologist** to serve on the Board. It is supported by both the Board of County Commissioners and the Washington County Delegation. You have those letters of support in your written testimony. I ask for a favorable report and would be happy to answer any questions. Thank You.

Sincerely,

A handwritten signature in blue ink that reads "Wivell".
