HB 567- Campaign Finance- Death of Elected Official-Transfer of Funds to Slate Account

House Ways and Means Committee

Dear Chairman Kaiser and Ways and Means Committee Members:

This bill authorizes the campaign committee of an elected official who dies in office to transfer up to \$6000 from the balance remaining in the account of the authorized campaign committee after all debts have been paid. The monies may be transferred to one or more slates of which the deceased was a member at the time of the elected official's death.

This provision will enable the Slate account recoup any debt incurred by the death of an elected slate member.

I respectfully request a favorable report from the committee.
