

## Support with Amendments

I am totally in favor of the passage of Bill 1056. My family, and in particular my husband and I, seek places to hike, bird watch, and be at peace with nature. The area of the old Bowie Race Track as of now, has natural spaces and areas where one could do these activities. As housing density increases, people need more open spaces.

Please vote in favor of bill 1056.

Thank you.

Sincerely,

Janice G Knausenberger
