Subject: HB 66

Position: Strongly oppose

Dear Honorable Chairman Dereck E. Davis, and Madam Chairperson Kathleen m. Dumais,

I am the Business Manager of the IBEW L.U.307 out of Cumberland MD. I strongly oppose the HB 66. The Electric Generation-transition from fossil fuels will destroy the jobs that provide health care and a living wage for the workers at the AES power house and also the workers that are employed through contractors that do the maintenance work on the plant.

Once again we strongly oppose HB 66 and ask the committee to give it unfavorable vote.

Respectfully,

Rodney E. Rice, Bus. Mgr.
