Senate Bill 125—State Board of Chiropractic Examiners—Sunset
Extension

Senate Education, Health and Environmental Affairs Committee
January 19, 2021

The Maryland Chiropractic Association (MCA) is a professional organization founded in 1928 and is the leading voice for chiropractors in Maryland. Comprised of individual members, our mission is to elevate the chiropractic profession by educating the public and advancing chiropractic care for the citizens of Maryland. We have weighed in on many issues concerning patient care, insurance and other issues of importance to our members as well as our patients and the general public.

Senate Bill 125 is a straightforward bill that extends the sunset of the State Board of Chiropractic Examiners to 2032, in accordance with the provisions of the Maryland Program Evaluation Act. The MCA fully supports this legislation and urges a favorable vote on Senate Bill 145.
