

Senate Bill 431 - Maryland Sign Language Interpreters Act
sponsored by Senator King and Guzzone

Mister Chairman and Members of the Senate Education, Health and Environmental Affairs Committee:

My name is Richard Jeffries. I am writing this testimony of support on behalf of the Maryland Association of the Deaf. I ask the committee to support **SB431 - Maryland Sign Language Interpreter Act of 2021** sponsored by Senator King and Guzzone.

This bill would require licensure for sign language interpreters working in the state of Maryland and help to ensure that members of the Deaf community have access to qualified interpreters. When unqualified interpreters are allowed to work unchecked, the impact on the communities they serve can be a matter of life or death. This bill provides both a mechanism for licensing interpreters and a means for relief in the form of a grievance process.

As a constituent, I ask you to please support SB431.

Sincerely,

Richard Jeffries
