

Senate Bill 431 - Maryland Sign Language Interpreters Act
sponsored by Senator King and Guzzone

Mister Chairman and Members of the Senate Education, Health and Environmental Affairs Committee:

My name is Stephanie Summers. I am a Deaf individual and I live and work in Maryland. I am writing this testimony to ask you to support **SB431 - Maryland Sign Language Interpreter Act of 2021** sponsored by Senator King and Guzzone.

This bill would require licensure for sign language interpreters working in the state of Maryland and help to ensure that members of the Deaf community have access to qualified interpreters. When unqualified interpreters are allowed to work unchecked, the impact on the communities they serve can be a matter of life or death. This bill provides both a mechanism for licensing interpreters and a means for relief in the form of a grievance process.

This bill is a consumer protection bill for both deaf and hearing consumers. The interpreter profession needs to be recognized for their expertise in the field and not be diminished.

As a constituent, I ask you to please support SB431.

Sincerely,

Stephanie Summers
