

To Whom it May Concern

I applied for a Complimentary Lifetime Fishing Licenses a few years ago and was denied do to the fact that my VA rating is 70% but according to the VA I am Permanently and Totally Disabled and Individual Unemployable receiving 100% compensation which grants me property tax exemption and complimentary vehicle registration, I tried explaining this to the DNR and was told they are a different branch of MD State Government with different regulations, I am not only asking this to be changed for myself but for other Permanently and Totally Disabled Unemployable Individual veterans as well thatâs not rated at 100%, With this I understand that any special stamps are charged extra fees maybe those fees could be reduce as well, and hopefully this bill would apply to hunting license also

Thank You Very Much for Your Consideration in the matter
