

House Bill 877

Committee: Environment and Transportation

Date: February 16, 2021

Position: Favorable

This testimony is offered on behalf of the Maryland Multi-Housing Association (MMHA). MMHA is a professional trade association established in 1996, whose members consist of owners and managers of more than 210,000 rental housing homes in over 958 apartment communities. Our members house over 538,000 residents of the State of Maryland. MMHA also represents over 250 associate member companies who supply goods and services to the multi-housing industry including towing companies.

As housing providers and contributors to Maryland's housing industry, MMHA supports approaches that seek to provide new opportunities for housing. MMHA would be happy to work with leadership to identify possible workgroup members from the housing industry. For these reasons, MMHA respectfully requests a favorable report from the committee on HB 877.
