

To whom it may concern:

I strongly oppose HB -156 as this is a costly and unnecessary expense. Registering to vote is provided when students sign-up for classes. And as we have seen many universities are very biased in their point of view and discriminate and disallow Republican or Conservative or Pro-Life groups "recognition" status on their campuses. This is an "Organize and Vote one side" proposal for colleges in the guise of increasing voter participation. Taxpayers' money will be used to organize and get out the vote for "one party" while shutting down access to other parties and viewpoints on campuses across Maryland.
