**Testimony for HB 342**  
**Ways and Means Committee**

Good afternoon Madame Chair, Mr. Vice-chair, and esteemed members of the committee.  
I am Delegate C.T Wilson and I present to you:

**House Bill 342 - Education – Health and Safety of Students – Notification of Problematic Student Behavior**

**Bill Overview:**

Requiring public schools and nonpublic schools that receive state funds to notify parents or guardians of all students involved in an incident of problematic sexual behavior by the close of business on the day of the incident; and requiring a county board to ensure that certain schools have a certain policy in place regarding a certain notification.

**Bill Outline:**

1. Each public school and each nonpublic school must notify the parents or guardians of all students involved in an incident of problematic sexual behavior by the close of business the same day the incident occurred.
2. Each county board must ensure that each public school has a policy in place to provide the notification of problematic sexual behavior; defining certain terms; and relating to the health and safety of students.

**Conclusion:**

In conclusion, this bill aims to notify parents or guardians of students involved in problematic sexual behavior by the close of business the same day the incident occurred. This ensures that a certain policy will be put in place generally concerning the health and safety of students.

**Thank you** for your time and I request a favorable report for **HB 342**.
