Dear Madam Chair Kaiser:

Re: Endorsement of *House Bill 692, Cecil County – Board of Education – Member Terms and Compensation*

As President and Vice President of the Board of Education of Cecil County (BOE), we are submitting this letter with the full support of all five Board members. We strongly support *House Bill 692, Cecil County – Board of Education – Member Terms and Compensation*, which is scheduled for a committee hearing on February 10, 2021.

The premise of this legislation is two-part. First, it is to change our BOE term limits for serving the Cecil County Public Schools (CCPS). HB 692 would provide the opportunity for Board members to serve three terms of four years each (upon successful election results); instead of the current two terms of four years each. This change would solidify our Board with a built-in balance of continuity, while maintaining their collegial relationship, and allowing members to experience a full rotation of Board assignments. Cecil County is rich in community partnerships; our Board is well respected as cohesive partners.

The second part of HB 692 legislation is to provide increased compensation. The compensation of our BOE has not been changed in nearly 20 years. Our Board members are truly dedicated individuals committed to serving our learners, families, and the community. The hours spent in Board meetings is staggering, as well as their time when visiting schools and showing their support by attending various events such as graduations, fine arts performances, sporting events, MABE trainings/committee meetings, STEM gallery walks, CCPS committee work, and Cecil Night in Annapolis, just to name a few. Our current Board members will not benefit from this increased compensation; but they would surely deserve it, as will their followers.

The Board of Education of Cecil County genuinely appreciates Delegate Kevin Hornberger for introducing this legislation. We whole-heartedly endorse HB 692 and request your support and assistance in passing this bill.

Sincerely,

William H. Malesh
Board President

Sincerely,

Diana B. Hawley
Board Vice President
