

UNFAVORABLE Testimony - HB 0424

Nelda Fink, 8372 Norwood Dr, Millersville

MD District 32

No. 16% - 20% increase. Absolutely not! Not when the majority of your constituents and the People of Maryland will probably not even get the standard 3% cost of living increase. And many businesses were shut down and jobs lost because these officials who took an oath to support the constitution absolutely FAILED during the last 2 years when they each and every one of them had an opportunity to shine by upholding and supporting the constitution they swore to uphold. And instead, not one of them stood up for the rights of the people. You all should be fired!! Not given a raise!

I am 100 % NOT IN FAVOR of HB 424!
