

HR 1084

DEMOCRAT HERE AND STRONGLY OPPOSED. I HOPE THIS BILL IS A JOKE. We have lawyers chomping to taking on this terrible violation.

Voters realize that anything voluntarily becomes mandatory.

Everyone knows this is a terrible violation of personal safety and health data.

Discrimination must end.

Public funds should not be used for this.

**JOSELINE A. PEÑA-MELNYK needs to withdraw this bill and no longer represent:**
