

Health and Government Operations - HB1364 - UNFAVORABLE

Chair Pendergrass, Vice Chair Pena-Melnyk, and the Health and Government Operations Committee;

If someone doesn't intend to provide healthcare, they shouldn't be in the healthcare business. How about I become a teacher but refuse to teach? What if it's against my religious beliefs to provide people with an education? Same thing here. They should get a different job.

Please give HB1364 an UNFAVORABLE Report.

Thanks for your consideration.

Sincerely,
Debi Jasen
