Maryland taxpayers would pay \$3.5 million annually to train more abortionist. I am opposed to taxes being used to fund abortions.

Similarly, I ask that you oppose introduction or passage of any bill expanding the 'scope of practice' of any health care provider without excluding abortion and abortion funding. Scope or independence of practice typically describes the procedures, actions, and processes that a healthcare practitioner is permitted to undertake in keeping with the terms of their professional license.

Expanding the number of people who can provide abortion will increase the number of preborn children being killed and will put more women at risk of **substandard medical care, injury, and death.**
