

**BILL NUMBER:** Senate Bill 331

**TITLE:** Program for Preventing HIV Infection for Rape Victims – Alterations and Repeal of Sunset

**COMMITTEE:** Judicial Proceedings

**HEARING DATE:** February 8, 2022

**POSITION:** FAVORABLE

---

The Maryland Human Trafficking Task Force (MDHTTF) and its members respectfully urges a favorable report on Senate Bill 331.

MDHTTF supports efforts to dismantle human trafficking by strengthening laws prosecuting traffickers, providing services and rehabilitation to victims, and increasing awareness of the issue. Senate Bill 331 repeals the sunset on the Program for Preventing HIV Infection for Rape Victims and established it permanently. Victims and survivors of human trafficking are in highly vulnerable situations where they are at increased risk of HIV infection and are also often the victims of sexual and physical abuse including rape.

By permanently establishing the Program for Preventing HIV Infection for Rape Victims we will ensure that upon the request of a rape victim, and with a prescription from their medical provider, the state will pay for the full course of HIV prevention treatment known as non-occupational post exposure prophylaxis (nPEP). The permanent program also provides coverage of necessary, and critical, follow-up care for patients taking nPEP.

A permanent program to prevent HIV infection for rape survivors not only offers survivors peace of mind but also demonstrates that the state of Maryland supports and protects the lives of rape survivors which include survivors of trafficking and maintains that HIV prevention is a public health priority.

**About MDHTTF:** Formed in 2007 by the U.S. Attorney’s Office, the Attorney General of Maryland, and the State’s Attorney for Baltimore City, MDHTTF serves as the lead investigative, prosecutorial, and victim services coordinating body for anti-human trafficking activity in the State of Maryland. MDHTTF has grown to include most law enforcement agencies in the State, all child-serving state agencies, the Federal Bureau of Investigations, Homeland Security Investigations, most local State’s Attorney’s Offices, and dozens of victim service agencies. MDHTTF is comprised of five committees – legislative, law enforcement, victim services, public awareness, and training. During this time, MDHTTF has grown a robust understanding of the issue of human trafficking in Maryland.
