

Judicial Proceedings - SB676 - FAVORABLE

Chair Smith, Vice Chair Waldsteicher, and the Judicial Proceedings Committee;

Please give Senate Bill 676 a FAVORABLE Report.

Since far too many gun owners fail to secure their firearms from children, it's unfortunately necessary to legally require it. I'd additionally love for all guns to come with a trigger lock or similar device, or even a biometric lockbox for smaller guns.

Plenty of people call themselves "responsible gun owners," but I've known some who insist on keeping handguns loaded and where their children can get them. Why their fear of an unlikely attack is greater than their fear for their children is beyond me.

My husband brought up the section on the police, and would like for that to be clarified so that children of police also don't get their hands on guns.

Again, I urge a Favorable Report for SB676, Jaelynn's Law.

Thank you for your consideration.

Sincerely,
