

HB0832 - To establish a Homeschool Advisory Council

I am writing today to ask that you vote NO on HB0832. As a long-time homeschooling family, we are strongly opposed to the formation of a homeschool advisory council. I do not believe any amendments presented could make this bill favorable. It will silence the voice of the masses for the opinions of the few. It is not a representative body elected among the community. It is a politically-appointed and self-regulating group. This could lead to a polarized body serving as the "voice" of the homeschool community.

I urge that you vote no on HB0832. This bill should not progress in the legislature.

Thanks for your time,  
Tiffany Sanders
